SCHEDULE 7

CROSS BORDER MOVEMENT OF HAZARDOUS WASTE

Mutual recognition of consignment notes

2. Where hazardous waste has been removed from premises situated in England, Scotland, Wales, or Gibraltar and is transported into Northern Ireland, any reference to "special waste" in the consignment note which accompanies the hazardous waste shall for the purposes of these Regulations be deemed to be a reference to "hazardous waste" and any reference to the "EWC Code" shall have effect as if it were a reference to the "List of Wastes Code".
