SCHEDULE 1

INTERPRETATION

PART II

Meaning of basic seed and similar expressions

EC officially certified early movement basic seed of a listed variety

19. In these Regulations "EC officially certified early movement basic seed of a listed variety" means—

(a) basic seed of a listed variety officially certified as early movement basic seed by or on behalf of the competent seed certification authority in another member State, and

(b) basic seed of a previously listed variety officially certified as early movement basic seed by or on behalf of the competent seed certification authority in another member State and for which a marketing extension is in force.
