STATUTORY RULES OF NORTHERN IRELAND

1996 No. 76

The Workmen's Compensation (Supplementation) (Amendment) Regulations (Northern Ireland) 1996

Transitional provision relating to amount of allowance payable

4.—(1) Paragraph (2) shall apply to a beneficiary who was, before the operative date, in receipt of a lesser incapacity allowance but in respect of whom the final calculation of loss of earnings required by regulation 7(2) of the principal Regulations had not been made by that date.

(2) In such a case as is referred to in paragraph (1) the beneficiary shall be treated as entitled, from the operative date, to an allowance at the rate to which he would have been entitled had the final calculation been made before the operative date.
