SCHEDULE 2

(introduced by section 3(1)(b))

METHOD FOR CALCULATING MULTIPLIER

1 As respects each date on which, but for this Act, a payment of the casualty would have fallen due, a value shall, subject to paragraphs 2 and 3 below, be calculated, rounded to three decimal places, in accordance with the formula—

2 For the purposes of paragraph 1 above, for any case where the period is—

(a) less than½ year (or is nil), the value shall be 1;

(b) ½ but less than 1 year, the value shall be 0.953.

3 For the purposes of reckoning n in paragraph 1 above, where the period is more than one year, n shall be the whole number of years in question (with any time in excess of that number being ignored).
