2017 No. 39

The Participation Request (Procedure) (Scotland) Regulations 2017

Contact address

11.—(1) In relation to a participation request, the "contact address" is the address (or addresses), including any address (or addresses) for the purposes of electronic communication within the meaning of regulation 12, to which the community participation body wishes any document relating to the participation request to be sent.

(2) The contact address is the address (or addresses) included in the participation request unless the community participation body subsequently expressly informs the public service authority of a change to the contact address.
