2018 No. 219

The Environmental Authorisations (Scotland) Regulations 2018

PART 4

Registrations

Grant of a registration

18.—(1) SEPA may grant a registration authorising the carrying on of one or more regulated activities.

(2) SEPA may grant a registration authorising a regulated activity at one or more than one place.

(3) SEPA must not grant a registration unless it is satisfied that the applicant—

(a) is the person who has or will have control over the regulated activity; and

(b) is a fit and proper person to be in control of the activity.
