SCHEDULE 3

Article 8(3)

Biosecurity measures

1. This Schedule applies in respect of premises in a wild bird control area or a wild bird monitoring area where poultry or other captive birds are kept, other than slaughterhouses.

2. The occupier must provide and maintain means of disinfection at the entrances and exits of the premises and any buildings on the premises housing poultry or other captive birds.

3. A person entering or leaving premises must not wear clothing or footwear which is visibly soiled with mud, droppings, animal or bird faeces, or any similar matter.

4. A person in charge of any vehicle entering or leaving premises must ensure that—

(a) its wheels, wheel arches and mudflaps are cleansed and disinfected; and

(b) its outside is not visibly soiled with mud, animal or bird faeces or any similar matter (unless it is carrying poultry)**.**
