2008 No. 1951

The A282 Trunk Road (Dartford-Thurrock Crossing Charging Scheme) Order 2008

5.—(1) The Secretary of State (or his agent) may enter into agreements ("local resident's agreement") under which local residents may compound in advance, on such terms as may be provided by the agreement, for the payment of charges on the motor vehicle specified in that Agreement, with respect to the use of the Crossing.

(2) A local resident's agreement may relate to use on such number of occasions, or during such period, as may be provided by the agreement, and may provide for a reduction to, or exemption from, the charges set out in Schedule 2.

(3) Any local resident's agreement as described in (1) offered by the Secretary of State or his agent must be offered on the same terms to all persons seeking to enter a local resident's agreement in relation to the use of the Crossing.
