The School Finance (England) Regulations 2011

PART 3

Formulae for Determination of Budget Shares etc

CHAPTER 1

Factors and Criteria Taken into Account

Federated schools

22.—(1) Subject to paragraph (2), where two or more schools are federated under section 24 of the 2002 Act, the local authority may treat them as a single school for the purposes of these Regulations and, accordingly, allocate a single budget share to the governing body of the federation.

(2) Where the local authority decide to allocate a single budget share to the governing body of a federation under paragraph (1) and the amount of that share (‘X’) would be less than would have been allocated to the governing body had the authority allocated a budget share for each school within the federation (‘Y’), the authority must adjust X by adding to it an amount which equates to the difference between Y minus X.
