SCHEDULE 2

Matters to be included in a registration application

Additional information required where applicant is relevant person and an individual

11.—(1) This paragraph applies where the applicant is the relevant person and is an individual.

(2) The required information relating to the following persons—

(a) the person ("B") (if any) that the applicant has appointed or intends to appoint to be responsible for the day-to-day management of the site;

(b) where B is not an individual, the individual ("C") that B has appointed or intends to appoint to be responsible for the day-to-day management of the site;

(c) where C is not a relevant officer of B, the relevant officer to whom C is accountable for the day-to-day management of the site.
