##### ***Section 30 – Orders***

47. This section makes general provision about other powers in the Act that enable subordinate legislation to be made (namely orders). Such legislation is to be made by statutory instrument. Subsections (2) and (3) establish the Assembly procedure for making those orders. Subsection (4) is a technical provision which ensures the powers in the Act to make such subordinate legislation are wide enough to make certain types of provision such as supplemental provisions.
