 - (a) the Welsh Ministers have made an order which designates any area of land as the site of a new town, and
 - (b) the area of the new town so designated is not wholly comprised within a principal area.
- (2) The Welsh Ministers must, as soon as reasonably practicable after the date of operation of the order, give notice to the Commission specifying the principal areas affected by the order.
- (3) The Commission must, on receipt of a notice under subsection (2), conduct a review under section 23 of any principal areas specified in the notice.

Communities

25 Review of community boundaries by principal council

- (1) A principal council may conduct a review of one or more communities in its area—
 - (a) of its own initiative, or
 - (b) at the request of—
 - (i) a community council in its area, or
 - (ii) a community meeting in its area.

Status: This is the original version (as it was originally enacted).

- (3) The changes that a principal council may recommend in relation to a review under this section are—

- (1) The Commission may, in any of the circumstances described in subsection (2), conduct a review of one or more communities in a principal area.
- (2) The circumstances are—

Preserved counties

27 Review of preserved counties

- (1) The Commission may conduct a review of one or more preserved counties.
- (2) The Commission may recommend such changes to the area of a preserved county as it considers appropriate.
- (3) In considering whether changes to the area of the preserved county are appropriate (whether in relation to a review under this section or as part of any other review) the Commission must have regard, in particular, to the purposes for which the preserved counties are retained.
- (4) For the purposes of this Part, “preserved county” means any county created by the 1972 Act as a county in Wales as it stood immediately before the passing of the Local Government (Wales) Act 1994 but subject to any provision of that Act or any provision made under the 1972 Act or this Act redrawing its boundaries.

Seaward boundaries

28 Review of seaward boundaries

- (1) The Commission may conduct a review of so much of the boundary of a local government area (which includes, for the purposes of this section, a preserved county) as —

- (2) The changes that the Commission may recommend in relation to a review under this section are—
 - (a) the inclusion within the local government area of any area of the sea which, at the time of the review, does not form part of another local government area, and

Status: This is the original version (as it was originally enacted).

CHAPTER 3

ELECTORAL ARRANGEMENTS REVIEWS

Principal areas

29 Review of electoral arrangements for principal area

- (1) The Commission must conduct a review of the electoral arrangements for each principal area at least once in every review period.
- (2) The Commission must, in respect of each review period—
 - (a) prepare and publish a programme which sets out its proposed timetable for conducting all the reviews required under subsection (1) during the period, and
 - (b) send a copy of the programme to the Welsh Ministers.
- (3) For the purposes of subsections (1) and (2) “review period” means—
 - (a) the period of 10 years beginning with the day on which this section comes into force, and
 - (b) each subsequent period of 10 years.
- (4) The Commission must comply with its duties in subsection (2)—
 - (a) in respect of the the first review period, as soon as possible after it begins, and
 - (b) in respect of each subsequent review period, before the period begins.
- (5) The Commission may also, of its own initiative or at the request of a principal council, conduct a review of the electoral arrangements for a principal area.
- (6) But the Commission must not conduct a review under subsection (5) at the request of a principal council if it considers that doing so would impede the proper exercise of its functions.
- (7) The changes that the Commission may recommend in relation to a review under this section are—
 - (a) such changes to the electoral arrangements for the principal area under review as appears to it appropriate, and
 - (b) in consequence of such change—
 - (i) such community boundary changes as it considers appropriate in relation to any community in the principal area,
 - (ii) such community council changes and changes to the electoral arrangements for such a community as it considers appropriate,
 - (iii) such preserved county changes as it considers appropriate.
- (8) The Commission must not, in any period of 9 months preceding the day of an ordinary council election under section 26 of the 1972 Act (elections of councillors), make or publish any recommendations relating to the electoral arrangements of a principal area.
- (9) In this Part, a reference to the electoral arrangements of a principal area is a reference to —
 - (a) the number of members of the council for the principal area,

Status: This is the original version (as it was originally enacted).

- (b) the number, type and boundaries of the electoral wards into which the principal area is for the time being divided for the purpose of the election of members,
 - (c) the number of members to be elected for any electoral ward in the principal area, and
 - (d) the name of any electoral ward.
- (10) For the purposes of subsection (9)(b), a reference to the type of an electoral ward is a reference to whether the ward is a single or multiple member ward.
- (11) In this Part—
- “electoral ward” means any area for which members are elected to a local authority,
 - “multiple member ward” means an electoral ward in respect of which a specified number (greater than one) of members are to be elected for that ward, and
 - “single member ward” means an electoral ward in respect of which only one member is to be elected.

30 Considerations for a review of principal area electoral arrangements

- (1) The Commission, in considering whether to make recommendations for changes to the electoral arrangements for a principal area, must—
- (a) seek to ensure that the ratio of local government electors to the number of members of the council to be elected is, as nearly as may be, the same in every electoral ward of the principal area,
 - (b) have regard to—
 - (i) the desirability of fixing boundaries for electoral wards which are and will remain easily identifiable,
 - (ii) the desirability of not breaking local ties when fixing boundaries for electoral wards.
- (2) For the purposes of subsection (1)(a), account is to be taken of—
- (a) any discrepancy between the number of local government electors and the number of persons that are eligible to be local government electors (as indicated by relevant official statistics), and
 - (b) any change to the number or distribution of local government electors in the principal area which is likely to take place in the period of five years immediately following the making of any recommendation.
- (3) In this section, “relevant official statistics” means such official statistics within the meaning of section 6 of the [Statistics and Registration Service Act 2007 \(c. 18\)](#) as the Commission considers appropriate.
- (4) In this Part, “local government elector” means a person registered as a local government elector in the register of electors in accordance with the provisions of the Representation of the People Acts.

Communities

31 Review of electoral arrangements for community by principal council

- (1) A principal council may conduct a review of the electoral arrangements for a community in its area—
 - (a) of its own initiative, or
 - (b) at the request of—
 - (i) the community council for the community, or
 - (ii) not less than 30 local government electors registered in the community.
- (2) But a principal council must not conduct a review under subsection (1) at the request of the community council or local government electors if it considers that doing so would impede the proper exercise of its functions.
- (3) The changes that a principal council may propose and make in relation to a review under this section are—
 - (a) such changes to the electoral arrangements for the community as the principal council considers appropriate, and
 - (b) in consequence of any change to the electoral arrangements for the community, such changes to the electoral arrangements of the principal area as it considers appropriate.
- (4) For the purposes of subsection (3)(b), section 30 applies to a principal council as it applies to the Commission.
- (5) A principal council may enter into an agreement with the Commission for the Commission (under section 32) to exercise the council's function of conducting reviews under this section.
- (6) The agreement may be on such terms and conditions as the principal council and the Commission consider appropriate.
- (7) In this Part, a reference to the electoral arrangements of a community is a reference to—
 - (a) the number of members of the council for the community;
 - (b) its division into wards (if appropriate) for the purposes of the election of councillors;
 - (c) the number and boundaries of any wards;
 - (d) the number of members to be elected for any ward;
 - (e) the name of any ward.

32 Review of electoral arrangements for community by the Commission

- (1) The Commission may, in any of the circumstances described in subsection (2), conduct a review of the electoral arrangements for a community.
- (2) The circumstances are—
 - (a) where the Commission has agreed to exercise a principal council's function of conducting reviews under section 31(5);
 - (b) where the Commission has been requested to conduct a review of a community by —

Status: This is the original version (as it was originally enacted).

- (i) the community council, or
 - (ii) not less than 30 local government electors from the community;
 - (c) where a principal council has not complied with a direction by the Welsh Ministers to conduct a review of the electoral arrangements for one or more of its communities.
- (3) But the Commission must not conduct a review under subsection (1) following a request by a community council or local government electors if it considers that doing so would impede the proper exercise of its functions.
- (4) The changes that the Commission may recommend in relation to any review under this section are—
- (a) such changes to the electoral arrangements for the community that the Commission considers appropriate, and
 - (b) in consequence of any change to the electoral arrangements for the community, such changes to the electoral arrangements of the principal area, as it considers appropriate.
- (5) Where the Commission conducts a review in the circumstances described in subsection (2)(c), it may recover the cost of doing so from the principal council.
- (6) In the event of a disagreement between the Commission and the principal council as to the amount payable to the Commission under subsection (5), the Welsh Ministers may determine that amount.
- (7) Any sum payable to the Commission under this section is recoverable as a debt due to the Commission.

33 Considerations for a review of community electoral arrangements

- (1) This section applies where a principal council is considering making or, as the case may be, the Commission is considering recommending, changes to the electoral arrangements for a community.
- (2) In considering whether a community should be divided into community wards, regard is to be had to—
- (a) whether the number or distribution of the local government electors for the community is such as to make a single election of community councillors impractical or inconvenient, and
 - (b) whether it is desirable that any area of the community should be separately represented on the community council.
- (3) Where it is decided to divide a community into community wards, in considering the size and boundaries of the wards and in fixing the number of community councillors to be elected for each ward, regard is to be had to—
- (a) any change in the number or distribution of local government electors of the community which is likely to take place within the period of five years immediately following any recommendation,
 - (b) the desirability of fixing boundaries which are and will remain easily identifiable, and
 - (c) any local ties which will be broken by the fixing of any particular boundaries.
- (4) Where it is decided not to divide a community into community wards, in fixing the number of councillors to be elected for each community, regard is to be had to—

Status: This is the original version (as it was originally enacted).

- (a) the number and distribution of local government electors in the community, and
 - (b) any change in such number or distribution which is likely to take place within the period of five years immediately following the fixing of the number of community councillors.
- (5) For the purposes of this section, account is to be taken of any discrepancy between the number of local government electors and number of persons that are eligible to be local government electors (as indicated by relevant official statistics).
- (6) In this section, “relevant official statistics” means such official statistics (within the meaning of section 6 of the [Statistics and Registration Service Act 2007 \(c. 18\)](#)) as the Commission, or as the case may be, principal council considers appropriate.

CHAPTER 4

PROCEDURE FOR LOCAL GOVERNMENT REVIEWS

Procedure for reviews

34 Pre-review procedure

- (1) Before conducting a review under this Part, the Commission or, as the case may be, a principal council must take such steps as it considers appropriate to—
- (a) bring the review to the attention of the mandatory consultees and any other person it considers likely to be interested in the review, and
 - (b) make the mandatory consultees and such other interested person aware of any directions given by the Welsh Ministers which are relevant to the review.
- (2) In relation to a review to be conducted under section 29, before conducting the review, the Commission must also consult the mandatory consultees on its intended procedure and methodology for the review and, in particular, on how it proposes to determine the appropriate number of members for any principal council in the principal area or areas under review.

- (6) In this section and section 36 a reference to a proposal for change is a reference to any change that the reviewing body may recommend or make (including consequential change) in relation to the type of review being conducted.

36 Reporting on review

- (1) The Commission or, as the case may be, a principal council (“the reviewing body”) must, after the period for representations under section 35(3) has ended, consider its proposals for change having regard to any representations received by it during the period.
- (2) The reviewing body must then prepare a further report.
- (3) Except in relation to a review under section 31, the report must contain—
 - (a) any recommendation for change which the reviewing body considers appropriate or, if it does not consider any change appropriate, a recommendation to that effect,

Status: This is the original version (as it was originally enacted).

- (b) details of the review conducted and the consultation carried out in respect of the proposals, and
 - (c) details of any changes to the proposals made in light of the representations received and an explanation of why those changes have been made.
- (4) Where the review is under section 31, the report must contain—

 - (d) inform any other person who submitted evidence or made representations in relation to the report published under section 35 how to obtain a copy of the report.
- (6) For the purposes of subsection (5), the “appropriate implementing authority” is—
