- (4) The third condition is that the 21-day period has ended without the National Assembly having during that period resolved not to approve the document.
- (5) The fourth condition is that the Welsh Ministers have published the document (whether before, during or after the 21-day period) in whatever way they think fit.
- (6) In this section, “the 21-day period” means the period of 21 days beginning with the day on which the document is laid before the National Assembly for Wales under subsection (3), disregarding any time when the National Assembly is dissolved or is in recess for more than four days.
- (7) The power to designate a local planning authority for the purposes of section 62M, or to revoke a designation, is exercisable by notice in writing to the authority.
- (8) The Welsh Ministers must publish (in whatever way they think fit) a copy of any notice given to an authority under subsection (7).
- (9) An urban development corporation may not be designated for the purposes of section 62M.

62O Option to make application to Welsh Ministers: connected applications

- (1) This section applies where an application (the “principal application”) is made to the Welsh Ministers under section 62M.
- (2) A connected application that would otherwise have to be made to the local planning authority or hazardous substances authority may (if the applicant so chooses) instead be made to the Welsh Ministers, provided that it is made on the same day as the principal application.
- (3) A connected application, for this purpose, is an application under the planning Acts that—
 - (a) relates to land in Wales,
 - (b) is an application of a description prescribed by regulations made by the Welsh Ministers, and
 - (c) is considered by the person making it to be connected to the principal application.
- (4) Subsection (5) applies if an application is made to the Welsh Ministers under this section, on the basis that it is a connected application, instead of to a local planning authority or hazardous substances authority, but the Welsh Ministers consider—
 - (a) that the application is not connected to the principal application, or

Statws This is the original version (as it was originally enacted).

- (b) that, although the application is connected to the principal application, the decision on the application should not be made by the Welsh Ministers.
- (5) The Welsh Ministers must refer the application to the local planning authority or hazardous substances authority.
- (6) An application referred to an authority under subsection (5)—
 - (a) is to be treated as from the date of its referral as being an application made to the authority concerned (instead of an application made to the Welsh Ministers), and
 - (b) is to be determined by the authority accordingly.
- (7) A development order may make provision about the referral of applications under subsection (5) (including provision about what constitutes the referral of an application for the purposes of subsection (6)).”

- (a) for planning permission, or
 - (b) for any consent, agreement or approval required by any condition or limitation subject to which planning permission has been granted.
- (2) In the case of an application for planning permission, if the authority think the application (or anything accompanying it) does not comply with a validation requirement imposed under section 62, they must give the applicant notice to that effect.
- (3) The notice must—
- (a) identify the requirement in question, and
 - (b) set out the authority's reasons for thinking the application does not comply with it.

- (4) In the case of an application for a consent, agreement or approval mentioned in subsection (1)(b), the authority must give notice to the applicant if they think that—
- (a) the application does not comply with the terms of the planning permission in question, or
 - (b) a period prescribed under section 74(1)(e) or 78(2) does not begin to run in relation to the application,
- by virtue of a failure to include information in the application or to provide documents or other materials with it (whether at all or in a particular manner).
- (5) The notice must identify—
- (a) the information, documents or materials in question, and
 - (b) the paragraph of subsection (4) which the authority think applies.
- (6) A development order may make provision about the giving of notice under this section (including provision about information to be included in the notice and how and when the notice is to be given).
- (7) A requirement imposed under section 62 is a validation requirement in relation to an application for planning permission if the effect of the application failing to comply with the requirement is that—
- (a) the local planning authority must not entertain the application (see section 327A), or
 - (b) the period prescribed under section 78(2) does not begin to run in relation to the application.

62ZB Right to appeal to Welsh Ministers against notice

- (3) In a case relating to an application for a consent, agreement or approval mentioned in section 62ZA(1)(b), the appeal may be brought on any one or more of the following grounds—
- (a) that the application included the information, or was accompanied by the documents or other materials, identified in the notice given under section 62ZA(4);
 - (b) in a case where notice is given under section 62ZA(4)(a), that the provision of the information, documents or materials is not required in order to comply with the terms of the planning permission;

- (c) in a case where notice is given under section 62ZA(4)(b), that the period prescribed under section 74(1)(e) or 78(2) (as the case may be) begins to run in relation to the application irrespective of whether the information, documents or materials are provided.
- (4) The appeal must be made by giving notice that complies with any requirements prescribed by a development order.
- (5) The requirements may relate to how and when the notice is to be given and the information that is to accompany it.

- (4) An appointed person has the same powers and duties in relation to an appeal as the Welsh Ministers have under sections 62ZB(7) and 322C and under any regulations made under section 323A.
- (5) An appointed person's decision on an appeal is to be treated as the decision of the Welsh Ministers.
- (6) The validity of an appointed person's decision on an appeal may not be questioned by the appellant or the local planning authority in legal proceedings on the ground that the appeal ought to have been determined by the Welsh Ministers and not by an appointed person, unless the appellant or the authority challenge the appointed person's power to determine the appeal before the person's decision is given.

62ZD Appeals under section 62ZB: determination by Welsh Ministers in place of appointed person

 - (4) The Welsh Ministers may by a further direction revoke a direction under subsection (1) at any time before the appeal is determined.
 - (5) The Welsh Ministers must serve a copy of a direction under subsection (4) on—
 - (a) the person (if any) previously appointed to determine the appeal,
 - (b) the appellant, and
