 - (c) vary a description of an exempt interest.

VALID FROM 01/04/2018

6 Acquisition and disposal of chargeable interest

- (1) For the purposes of this Act, each of the following is an acquisition and a disposal of a chargeable interest—
- (a) the creation of the interest;
 - (b) the surrender or release of the interest;
 - (c) the variation of the interest.

- (1) The buyer in a land transaction is the person acquiring the subject-matter of the transaction.

- (3) These expressions apply even if there is no consideration given for the transaction.

VALID FROM 01/04/2018

8 Linked transactions

- (1) For the purposes of this Act, a land transaction is a linked transaction if it is one of a number of land transactions forming part of a single scheme, arrangement or series of transactions between the same seller and buyer or, in either case, persons connected with them.
- (2) This section is subject to section 16 (exchanges; in particular see subsection (1) of that section which provides for transactions forming an exchange not to be treated as linked transactions).

9 Land partly in Wales and partly in England

- (1) This section sets out how this Act applies to a transaction which is the acquisition of—
 - (a) an estate, interest, right or power in or over land, or
 - (b) the benefit of an obligation, restriction or condition affecting the value of any such estate, interest, right or power,
 where the land is partly in Wales and partly in England.
- (2) The transaction is to be treated as if it were two transactions, one relating to the land in Wales (“the Welsh transaction”) and the other relating to the land in England (“the English transaction”).
- (3) The consideration for the transaction is to be apportioned between those two transactions on a just and reasonable basis.
- (4) Accordingly, the Welsh transaction is to be treated as a land transaction within the meaning of this Act (being the acquisition of a chargeable interest relating to the land in Wales).
- (5) But subsection (4) does not apply in the case of an exempt interest.
- (6) WRA must publish guidance about transactions to which subsection (1) applies, including guidance about identifying the location of the border between Wales and England.

- (9) In section 48A of the Finance Act 2003 (c. 14), after subsection (5) insert—

CHAPTER 3

PARTICULAR TRANSACTIONS

Contracts and transfers: general provision

10 Contract and transfer

- (1) This section applies where a contract for a land transaction is entered into under which the transaction is to be completed by a transfer.
- (2) A person is not regarded as entering into a land transaction by reason of entering into the contract (but see subsection (4)).
- (3) If the transaction is completed without previously having been substantially performed—
 - (a) the contract and the transaction effected on completion are treated as parts of a single land transaction, and
 - (b) the effective date of the transaction is the date of completion.
- (4) But if the contract is substantially performed without having been completed—
 - (a) the contract is treated as if it were itself the transaction provided for in the contract, and
 - (b) the effective date of that transaction is when the contract is substantially performed.
- (5) Where subsection (4) applies and the contract is subsequently completed by a transfer—
 - (a) both the contract and the transaction effected on completion are notifiable transactions for the purposes of this Act, and
 - (b) tax is chargeable on the latter transaction to the extent (if any) that the amount mentioned in subsection (6) is greater than the amount of tax chargeable on the contract.
- (6) The amount is the tax that would have been chargeable on the latter transaction if it had been completed without previously having been substantially performed.

Status: Point in time view as at 25/05/2017. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (7) Where subsection (4) applies and the contract is (to any extent) afterwards rescinded or annulled, or is for any other reason not carried into effect, the tax paid by virtue of that subsection must (to that extent) be repaid by WRA.
- (8) But repayment of tax is due only if a claim for it is made by amendment, in accordance with section 41 of TCMA, of the return made in respect of the contract.
- (9) Where paragraph 20 of Schedule 6 applies (agreement for lease), it applies in place of subsections (4) to (8).
- (10) In this section—
 - (a) references to completion are to completion of the land transaction proposed, between the same parties, in substantial conformity with the contract;
 - (b) “contract” includes any agreement and “transfer” includes any instrument.

Contracts and transfers: particular cases

11 Contract providing for transfer to third party

- (1) This section applies where a contract is entered into under which a chargeable interest is to be transferred by one party to the contract (“P1”) at the direction or request of the other (“P2”)—
 - (a) to a person (“P3”) who is not a party to the contract, or
 - (b) either to such a person or to P2.
- (2) P2 is not regarded as entering into a land transaction by reason of entering into the contract.
- (3) But if the contract is substantially performed without having been completed—
 - (a) P2 is treated for the purposes of this Act as acquiring a chargeable interest, and accordingly as entering into a land transaction, and
 - (b) the effective date of that transaction is when the contract is substantially performed.
- (4) Where subsection (3) applies and the contract is (to any extent) afterwards rescinded or annulled, or is for any other reason not carried into effect, the tax paid by virtue of that subsection must (to that extent) be repaid by WRA.
- (5) But repayment of tax is due only if a claim for it is made by amendment, in accordance with section 41 of TCMA, of the return made in respect of the contract.
- (6) Subject to subsection (7), section 10 (contract and transfer) does not apply in relation to the contract.
- (7) Where—
 - (a) this section applies by virtue of subsection (1)(b), and
 - (b) by reason of P2's direction or request, P1 becomes obliged to transfer a chargeable interest to P2,
 section 10 applies to that obligation as it applies to a contract for a land transaction that is to be completed by a transfer.

Status: Point in time view as at 25/05/2017. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (8) Section 10 applies in relation to any contract between P2 and P3, in respect of the chargeable interest referred to in subsection (1), that is to be completed by a transfer.
- (9) References to completion in that section, as it so applies, include references to transfer by P1 to P3 of the subject-matter of the contract between P2 and P3.
- (10) In this section, “contract” includes any agreement and “transfer” includes any instrument.

12 Contract providing for transfer to third party: effect of transfer of rights

- (1) This section applies where—
 - (a) a contract (“the original contract”) is entered into under which a chargeable interest is to be transferred by one party to the contract (“P1”) at the direction or request of the other (“P2”)—
 - (i) to a person (“P3”) who is not a party to the contract, or
 - (ii) either to such a person or to P2, and
 - (b) there is an assignment or other transaction (relating to the whole or part of the subject-matter of the original contract) as a result of which a person (“P4”) becomes entitled to exercise any of P2's rights under the original contract in place of P2.
- (2) References in the following provisions of this section to a transfer of rights are to any such assignment or other transaction.
- (3) P4 is not regarded as entering into a land transaction by reason of the transfer of rights, but section 11 (contract providing for transfer to third party) has effect in accordance with the following provisions.
- (4) That section applies as if—
 - (a) P4 had entered into a contract (a “secondary contract”) in the same terms as the original contract except with P4 as a party instead of P2, and
 - (b) the consideration due from P4 under the secondary contract were—
 - (i) so much of the consideration under the original contract as is referable to the subject-matter of the transfer of rights and is to be given (directly or indirectly) by P4 or a person connected with P4, and
 - (ii) the consideration given for the transfer of rights.
- (5) The substantial performance of the original contract is to be disregarded if it occurs—
 - (a) at the same time as, and in connection with, the substantial performance of the secondary contract, or
 - (b) after the transfer of rights.
- (6) Where there are successive transfers of rights, subsection (4) has effect in relation to each of them.
- (7) The substantial performance of the secondary contract arising from an earlier transfer of rights is to be disregarded if it occurs—
 - (a) at the same time as, and in connection with, the substantial performance of the secondary contract arising from a subsequent transfer of rights, or
 - (b) after that subsequent transfer.

Status: Point in time view as at 25/05/2017. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

(8) Where a transfer of rights relates to only part of the subject-matter of the original contract, or to only some of the rights under that contract—

- (a) a reference in subsection (4)(a) or (5) to the original contract, or a reference in subsection (7) to the secondary contract arising from an earlier transfer, is to that contract so far as relating to that part or those rights, and
- (b) that contract so far as not relating to that part or those rights is to be treated as a separate contract.

(9) The effective date of a land transaction treated as entered into by virtue of subsection (4) is not earlier than the date of the transfer of rights.

(10) In relation to a such a transaction—

- (a) references in Schedule 16 (group relief) to the seller are to be read as references to P1;
- (b) other references in this Act to the seller are to be read, where the context permits, as referring to either P1 or P2.

(11) In this section, “contract” includes any agreement.

13 Pre-completion transactions

Schedule 2 makes—

- (a) provision about the application of section 10 (contract and transfer) in certain cases where an assignment of rights, subsale or other transaction is entered into without the contract having been completed, and
- (b) other provision about such cases.

Substantial performance

14 Meaning of substantial performance

- (a) the buyer, or a person connected with the buyer, takes possession of the whole, or substantially the whole, of the subject-matter of the contract, or
- (b) a substantial amount of the consideration is paid or provided.

(2) For the purposes of subsection (1)(a)—

- (a) possession includes receipt of rents and profits or the right to receive them, and
- (b) it is immaterial whether possession is taken under the contract or under a licence or lease of a temporary character or a tenancy at will.

(3) For the purposes of subsection (1)(b), a substantial amount of the consideration is paid or provided—

- (a) if none of the consideration is rent, when the whole or substantially the whole of the consideration is paid or provided;
- (b) if the only consideration is rent, when the first payment of rent is made;
- (c) if the consideration includes both rent and other consideration, when the first of the following events occurs—
 - (i) the whole or substantially the whole of the consideration other than rent is paid or provided, or

- (1) The acquisition of—
 - (a) an option binding the grantor to enter into a land transaction, or
 - (b) a right of pre-emption preventing the grantor from entering into, or restricting the right of the grantor to enter into, a land transaction,
 is a land transaction distinct from any land transaction resulting from the exercise of the option or right.
- (2) They may be ““linked transactions”” (see section 8).
- (3) The reference in subsection (1)(a) to an option binding the grantor to enter into a land transaction includes an option requiring the grantor either to enter into a land transaction or to discharge the grantor's obligations under the option in some other way.
- (4) The effective date of the transaction in the case of the acquisition of an option or right such as is mentioned in subsection (1) is when the option or right is acquired (as opposed to when it becomes exercisable).
- (5) Nothing in this section applies to so much of an option or right of pre-emption as constitutes or forms part of a land transaction apart from this section.

Exchanges

16 Exchanges

- (1) This Act applies in a case within subsection (2) in relation to each transaction described in that subsection as if each were distinct and separate from the other (and they are not linked transactions within the meaning of section 8).
- (2) A case is within this subsection where a land transaction is entered into by a person (alone or jointly) as buyer wholly or partly in consideration of another land transaction being entered into by that person (alone or jointly) as seller.
- (3) A transaction is treated for the purposes of this Act as entered into by a person as buyer wholly or partly in consideration of another land transaction being entered into by that person as seller in a case within subsection (4).
- (4) A case is within this subsection where an obligation to give consideration for a land transaction that a person enters into as buyer is met wholly or partly by way of that person entering into another transaction as seller.

19 Contingent consideration

- (1) Where the whole or part of the chargeable consideration for a transaction is contingent, the amount or value of the consideration is to be determined for the purposes of this Act on the assumption that the outcome of the contingency will be such that the consideration is payable or, as the case may be, does not cease to be payable.
- (2) In this Act, “contingent”, in relation to consideration, means—
 - (a) that it is to be paid or provided only if some uncertain future event occurs, or
 - (b) that it is to cease to be paid or provided if some uncertain future event occurs.

20 Uncertain or unascertained consideration

- (2) The consideration to be taken into account is limited to 12 years' annual payments.
- (3) Where the amount payable varies, or may vary, from year to year, the 12 highest annual payments are to be taken into account.
- (4) No account is to be taken of any provision for adjustment of the amount payable in line with the retail prices index, the consumer prices index or any other similar index used to express a rate of inflation.
- (5) References in this section to annual payments are to payments in respect of each successive period of 12 months beginning with the effective date of the transaction.
- (6) For the purposes of this section, the amount or value of any payment is to be determined (if necessary) in accordance with section 19 (contingent consideration) or 20 (uncertain or unascertained consideration).
- (7) References in this section to an annuity include any consideration (other than rent) that falls to be paid or provided periodically; and references to payment are to be read accordingly.

22 Deemed market value

- (1) This section applies where the buyer is a company and—
 - (a) the seller is connected with the buyer, or
 - (b) some or all of the consideration for the transaction consists of the issue or transfer of shares in a company with which the seller is connected.
- (2) The chargeable consideration for the transaction is to be taken to be—
 - (a) the amount determined under subsection (3) in respect of the transaction, or
 - (b) if greater, the amount which would be the chargeable consideration for the transaction ignoring this section.
- (3) The amount mentioned in subsection (2)(a) is—

- (3) If—
 - (a) the effective date of a chargeable transaction falls within the interim period, and
 - (b) subsection (4), (5) or (6) applies,
 the tax bands and tax rates applicable to the transaction are the bands and rates which would have been applicable had the rejected regulations not been made.
- (4) This subsection applies where the buyer—
 - (a) is required by virtue of section 44 to make a return relating to the transaction on or before the filing date and fails to do so, and
 - (b) also fails to make the return on or before the date on which the interim period ends.
- (5) This subsection applies where the first return required in relation to the chargeable transaction is required under one of the following provisions—

27 Amount of tax chargeable: transactions which are not linked

- (1) The amount of tax chargeable in respect of a chargeable transaction which is not one of a number of linked transactions (for which see section 28) is to be calculated as follows.

Step 1 For each tax band applicable to the transaction, multiply so much of the chargeable consideration for the transaction as falls within the band by the percentage tax rate for that band.

Step 2 Calculate the sum of the amounts reached under Step 1. The result is the amount of tax chargeable.

- (2) But this section does not apply for the purposes of calculating the amount of any tax chargeable in respect of rent where the whole or part of the chargeable consideration for a chargeable transaction is rent; instead see—
- (a) in the case of a residential property transaction, paragraph 27 of Schedule 6 and any regulations made under that paragraph which make provision about the tax chargeable in respect of rent in the case of residential leases;
 - (b) in the case of a non-residential property transaction, paragraph 29 of that Schedule which provides for the calculation of tax chargeable in respect of rent in the case of non-residential and mixed leases.

VALID FROM 01/04/2018

28 Amount of tax chargeable: linked transactions

- (1) Where a chargeable transaction is one of a number of linked transactions, the amount of tax chargeable in respect of the transaction is to be determined as follows.

Step 1 Calculate the tax which would be chargeable in accordance with section 27(1), if the chargeable consideration for the transaction were the total consideration.

Step 2 Divide the chargeable consideration for the transaction by the total consideration.

Step 3 Multiply the amount arrived at under Step 1 by the fraction arrived at under Step 2. The result is the amount of tax chargeable.

- (2) In subsection (1), the “total consideration” is the total of the chargeable consideration for all the linked transactions (not including any chargeable consideration which is rent).
- (3) Where the whole or part of the chargeable consideration for a linked transaction is rent this section does not apply for the purposes of calculating the amount of any tax chargeable in respect of the rent; instead see—
- (a) in the case of a residential property transaction, paragraph 27 of Schedule 6 and any regulations made under that paragraph, and
 - (b) in the case of a non-residential property transaction, paragraph 30 of that Schedule (calculation of tax chargeable in respect of rent: linked transactions).

VALID FROM 01/04/2018

CHAPTER 3

DEFERRAL OF TAX

58 Deferral requests in cases of contingent or uncertain consideration

- (1) A buyer in a land transaction where the whole or part of the chargeable consideration is contingent or uncertain (see sections 19 and 20) may give notice to WRA (“a deferral request”) requesting that payment of an amount of tax payable stated in the first return relating to the transaction (“the requested amount”) be deferred.
- (2) But the requested amount may not exceed the deferrable amount (see section 59).
- (3) WRA must agree to a deferral request if—
 - (a) the return and the deferral request are made on or before the filing date for that return,
 - (b) the request—
 - (i) specifies the requested amount to be deferred,
 - (ii) sets out the calculation of the requested amount carried out in accordance with section 59 (including the amount of consideration falling within step 2 of that calculation (“the deferred consideration”)),
 - (iii) sets out the reasons why the deferred consideration is contingent or uncertain and the reasons why it falls to be paid or provided on one or more future dates of which at least one will or may fall more than 6 months after the effective date of the transaction,
 - (iv) proposes an expected end date of the deferral period (see subsection (8)), and
 - (v) contains any other information as may be required by virtue of section 191 of TCMA (giving notices to WRA),
 - (c) WRA is satisfied that the requested amount does not exceed the deferrable amount calculated in accordance with section 59, and
 - (d) the land transaction is not a tax avoidance arrangement nor forms part of arrangements which are tax avoidance arrangements.
- (4) Otherwise WRA must refuse a deferral request (but see subsections (5) and (6)).
- (5) But if WRA thinks that the requested amount exceeds the deferrable amount it may nevertheless grant the deferral request in relation to so much of the requested amount as does not exceed the deferrable amount.
- (6) When agreeing to a deferral request WRA—
 - (a) must determine the amount of tax it agrees to defer (the “deferred amount”);
 - (b) must determine the expected end date of the deferral period (that may be different to the expected end date proposed by the buyer) (see subsection (8));

Status: Point in time view as at 25/05/2017. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (c) may impose such conditions (including conditions requiring the buyer to make payments of part of the deferred amount at specified times during the deferral period) as WRA thinks appropriate.
- (7) In this section, “tax avoidance arrangement” has the same meaning as in section 31.
- (8) In this Chapter—
 - (a) “deferral period” means the period beginning with the filing date for the return referred to in subsection (1) and ending on the earlier of—
 - (i) the expected end date, or
 - (ii) the date on which an event mentioned in subsection (9) occurs in relation to the deferred consideration;
 - (b) “expected end date” means—
 - (i) the date on which an event mentioned in subsection (9) is expected to occur in relation to the deferred consideration, or
 - (ii) if that date cannot be predicted, the fifth anniversary of the effective date of the transaction (or, where the expected end date is changed under section 62, the fifth anniversary of the previous expected end date).
- (9) The events are—
 - (a) where the deferred consideration is contingent, the date on which contingency occurs or it becomes clear that it will not occur;
 - (b) where the deferred consideration is uncertain, the date on which the consideration becomes ascertained.

59 Calculation of deferrable amount

The deferrable amount in respect of a land transaction to which section 58(1) applies is to be calculated as follows.

Step 1 Calculate the amount of tax chargeable in respect of the land transaction in accordance with section 27 or 28.

Step 2 Determine the amount or value of chargeable consideration for the land transaction that—

- (a) has not already been paid or provided,
- (b) is contingent or uncertain (see sections 19 and 20),
- (c) does not consist of—
 - (i) rent (within the meaning given in Schedule 6), or
 - (ii) an annuity to which section 21 applies, and
- (d) falls to be paid or provided on one or more future dates of which at least one will or may fall more than 6 months after the effective date of the transaction.

That amount or value of consideration is the deferred consideration.

Step 3 Calculate (in accordance with section 27 or 28) the amount of tax that would have been chargeable in respect of the land transaction had the chargeable consideration for the transaction been reduced by the amount or value of the deferred consideration.

Status: Point in time view as at 25/05/2017. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

Step 4 Deduct the amount of tax calculated under step 3 from the amount calculated under step 1. The remaining amount of tax is the deferrable amount.

60 Deferral requests: notices of WRA decisions

- (1) Where WRA agrees to a deferral request, it must issue a notice to the buyer specifying—
 - (a) the deferred amount and, if any, the refused amount,
 - (b) the expected end date of the deferral period,
 - (c) any condition WRA has imposed under section 58(6)(c), and
 - (d) if the deferred amount is lower than the proposed deferred amount, the reasons for that decision.
- (2) Where WRA refuses a deferral request, it must issue a notice to the buyer specifying the reasons for the refusal.

61 Deferral requests: effect of WRA's decision

- (1) Where WRA agrees to a deferral request—
 - (a) the buyer must pay the deferred amount before the end of the day following the date on which the deferral period ends (despite section 57), and
 - (b) despite section 157(3) of TCMA, the late payment interest start date in relation to the deferred amount is the date following the date on which the deferred amount is required to be paid (and Chapter 1 of Part 6 of TCMA is to be read accordingly).
- (2) Where WRA refuses a deferral request (or agrees to a request but agrees a deferred amount which is lower than the requested amount)—
 - (a) the amount of tax which WRA has refused to defer (“the refused amount”) is required to be paid by the end of the later of—
 - (i) the date on which the buyer receives notice of WRA's decision, or
 - (ii) the date on which the amount would otherwise be required to be paid in accordance with section 57, and
 - (b) the late payment interest start date for the refused amount is the later of—
 - (i) the day after the date on which the refused amount is required to be paid, or
 - (ii) the date which would otherwise be specified under section 157(3) of TCMA as the late payment interest start date in relation to that amount.
- (3) See sections 47 and 48 for provision about cases where the amount of tax payable changes as a result of—
 - (a) a contingency occurring or not occurring, or
 - (b) uncertain consideration becoming ascertained.

62 Variation of deferral requests

- (1) Where WRA has agreed to a deferral request, the buyer may give notice to WRA requesting—
 - (a) a change to the expected end date;

Status: Point in time view as at 25/05/2017. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

(b) variation or removal of a condition imposed under section 58(6)(c).

(2) A request under subsection (1) must specify the change in circumstances which the buyer thinks justifies the change, variation or removal.

(3) If WRA thinks it appropriate to do so, it may—

(a) agree to the request made under subsection (1), or

(b) agree to—

(i) a different expected end date than that requested under subsection (1)(a);

(ii) a different variation of a condition than that requested under subsection (1)(b).

(4) Where WRA makes a decision under this section it must issue a notice to the buyer setting out the decision and the reasons for it.

63 Failure to comply with WRA's agreement to defer

(1) If WRA thinks that the buyer—

(a) has failed to comply with a condition imposed under section 58(6)(c) or varied under section 62, or

(b) has, in relation to the deferral request or a request made under section 62(1) —

(i) provided false or misleading information, or

GENERAL ANTI-AVOIDANCE RULE

66 General anti-avoidance rule

After section 81 of TCMA (contract settlements), insert—

“PART 3A

GENERAL ANTI-AVOIDANCE RULE

Overview

81A Meaning of ““general anti-avoidance rule”” and overview

- (1) This Part makes provision for counteracting tax advantages arising from artificial tax avoidance arrangements, including provision—
 - (a) about the meaning of ““tax avoidance arrangement””, ““artificial”” and ““tax advantage”” (sections 81B to 81D);
 - (b) about WRA's power to make adjustments to counteract tax advantages and the steps to be taken by WRA in connection with such adjustments (sections 81E to 81G).
- (2) The rules in this Part are collectively to be known as ““the general anti-avoidance rule””.

Artificial tax avoidance arrangements

81B Tax avoidance arrangements

- (1) For the purposes of this Part, an arrangement is a ““tax avoidance arrangement”” if the obtaining of a tax advantage for any person is the main purpose, or one of the main purposes, of a taxpayer entering into the arrangement.
- (2) In determining whether the main purpose, or one of the main purposes, of an arrangement is the obtaining of a tax advantage regard may in particular be had to the amount of devolved tax that would have been chargeable in the absence of the arrangement.
- (3) In this Part—
 - (a) an ““arrangement”” includes any transaction, scheme, action, operation, agreement, grant, understanding, promise, undertaking, event or any series of any of those things (whether legally enforceable or not);
 - (b) references to an arrangement are to be read as including—

- (c) “taxpayer” means a person liable to devolved tax or who would be liable but for the tax avoidance arrangement in question.

81C Artificial tax avoidance arrangements

- (1) For the purposes of this Part, a tax avoidance arrangement is “artificial” if the entering into or carrying out of it is not a reasonable course of action in relation to the provisions of Welsh tax legislation applying to the arrangements.
- (2) In determining whether the tax avoidance arrangement is artificial, regard may in particular be had—
 - (a) to any genuine economic or commercial substance to the arrangement (other than the obtaining of a tax advantage);
 - (b) as to whether the arrangement results in an amount of tax chargeable that it is reasonable to assume was not the anticipated result when the relevant provision of Welsh tax legislation was enacted.
- (3) But an arrangement is not artificial if, at the time it was entered into or carried out—
 - (a) the arrangement was consistent with generally prevailing practice, and
 - (b) WRA had indicated its acceptance of that practice.
- (4) Where a tax avoidance arrangement forms part of any other arrangements, regard must also be had to those other arrangements in determining whether the tax avoidance arrangement is artificial.
- (5) In this section, “Welsh tax legislation” means—
 - (a) the Welsh Tax Acts, and
 - (b) any subordinate legislation (within the meaning of section 21 of the Interpretation Act 1978 (c. 30)) made under those Acts.

81D Meaning of “tax” and “tax advantage

For the purposes of this Part—

Counteracting tax advantages

81E Adjustments to counteract tax advantages

- (1) WRA may make such adjustments as it considers just and reasonable to counteract a tax advantage that would (ignoring this Part) arise from an artificial tax avoidance arrangement.
- (2) An adjustment may be made in respect of the devolved tax in question or any other devolved tax.
- (3) An adjustment must be made—
 - (a) where the adjustment relates to a tax return in respect of which an enquiry is in progress, by amending the return in a closure notice issued under section 50;
 - (b) otherwise by means of a WRA assessment.
- (4) WRA may not make an adjustment unless it has complied with the requirements of sections 81F and 81G.

81F Notice of proposed counteraction

- (1) WRA may issue a notice (a “proposed counteraction notice”) to a taxpayer if WRA considers—
 - (a) that a tax advantage has arisen to a person from an artificial tax avoidance arrangement, and
 - (b) that the tax advantage should be counteracted by means of an adjustment under section 81E.
- (2) A proposed counteraction notice must—
 - (a) specify the tax avoidance arrangement and the tax advantage,
 - (b) explain why WRA considers that a tax advantage has arisen from an artificial tax avoidance arrangement,
 - (c) set out the adjustment that WRA proposes to make in order to counteract the tax advantage,
 - (d) specify any amount that the taxpayer will be required to pay in accordance with the proposed WRA assessment, and
 - (e) inform the taxpayer—
 - (i) that a final counteraction notice is to be issued after the expiry of the period of 45 days beginning with the day on which the proposed counteraction notice is issued,
 - (ii) that the taxpayer may request that WRA extend that 45 day period, and
 - (iii) that the taxpayer may make written representations to WRA at any time before the final counteraction notice is issued.

81G Final counteraction notice

- (1) WRA must, after the expiry of the 45 day period mentioned in section 81F(2) (e)(i) or such longer period as WRA has agreed to, issue a notice (a “final counteraction notice”) to the taxpayer.
- (2) A final counteraction notice must state whether the tax advantage arising from the tax avoidance arrangement is to be counteracted by means of an adjustment under section 81E.
- (3) In determining whether the tax advantage is to be counteracted WRA must have regard to any written representations made by the taxpayer.
- (4) If a final counteraction notice states that a tax advantage is to be counteracted by means of an adjustment the notice must also—
 - (a) specify the adjustment required to give effect to the counteraction,
 - (b) where the adjustment relates to a tax return in respect of which an enquiry is in progress, specify the amendment of the return which is to be included in the closure notice issued under section 50 when WRA reaches its conclusions in the enquiry,
 - (c) where paragraph (b) does not apply—
 - (i) be accompanied by the WRA assessment which gives effect to the adjustment, or
 - (ii) where a WRA assessment giving effect to the adjustment has been made, specify that assessment, and
 - (d) specify any amount that the taxpayer—
 - (i) will be required to pay as a result of the amendment specified under paragraph (b), or
 - (ii) is required to pay in accordance with the WRA assessment mentioned in paragraph (c).
- (5) If a final counteraction notice states that a tax advantage is not to be counteracted it must state the reasons for WRA's decision.

Proceedings before a court or tribunal

81H Proceedings in connection with the general anti-avoidance rule

In proceedings before a court or the tribunal in connection with the general anti-avoidance rule, it is for WRA to show—

- (a) that there is an artificial tax avoidance arrangement, and
- (b) that the adjustments made (or to be made) to counteract the tax advantage arising from the arrangement are just and reasonable.

Status: Point in time view as at 25/05/2017. This version of this Act contains provisions that are not valid for this point in time.

- (1) The general anti-avoidance rule has effect in relation to any tax avoidance arrangement entered into on or after the date on which this Part comes into force.
- (2) Where a tax avoidance arrangement forms part of any other arrangements entered into before that day, those other arrangements are to be ignored for the purposes of section 81C(4) unless the result of having regard to those other arrangements would be to determine that the tax avoidance arrangement was not artificial.”

- (3) The following rules apply if the subject-matter of any of the relevant transactions is a major interest in land—

- (a) where a single relevant acquisition is made, the chargeable consideration for the acquisition is—
 - (i) the market value of the subject-matter of the acquisition as at the effective date of the transaction,
 - (ii) if the acquisition is the grant of a lease at a rent, that rent, and
 - (iii) any value added tax chargeable in respect of that acquisition as at the effective date of the transaction;
- (b) where two or more relevant acquisitions are made, the chargeable consideration for each relevant acquisition is—
 - (i) the market value of the subject-matter of the acquisition as at the effective date of the transaction,
 - (ii) if the acquisition is the grant of a lease at a rent, that rent, and
 - (iii) any value added tax chargeable in respect of that acquisition as at the effective date of the transaction.

- (4) In determining market value for the purpose of sub-paragraph (3)(a)(i) and (b)(i), no account is to be taken of a reduction in what would otherwise be the market value of the subject-matter where the reduction is the result of anything done, the main purpose or one of the main purposes of which, is to avoid tax (whether by the buyer or any other person).

- (5) The following rules apply if the subject-matter of none of the relevant transactions is a major interest in land—

- (a) where a single relevant acquisition is made in consideration of one or more relevant disposals, the chargeable consideration for the acquisition is the amount or value of any chargeable consideration other than the disposal or disposals that is given for the acquisition;

Status: Point in time view as at 25/05/2017. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (b) where two or more relevant acquisitions are made in consideration of one or more relevant disposals, the chargeable consideration for each relevant acquisition is the appropriate proportion of the amount or value of any chargeable consideration other than the disposal or disposals that is given for the acquisitions.

- (6) For the purposes of sub-paragraph (5)(b) the appropriate proportion is—

$$\frac{MV}{TMV}$$

Figure 3 where—

MV is the market value of the subject-matter of the acquisition for which the chargeable consideration is being determined, and

TMV is the total market value of the subject-matter of all the relevant acquisitions.

- (7) This paragraph has effect subject to paragraph 6 (partition etc.: disregard of existing interest).
- (8) This paragraph does not apply in a case to which paragraph 18 (arrangements involving public or educational bodies) applies.

Partition etc.: disregard of existing interest

- 6 In the case of a land transaction giving effect to a partition or division of a chargeable interest to which persons are jointly entitled, the share of the interest held by the buyer immediately before the partition or division does not count as chargeable consideration.

Valuation of non-monetary consideration

- 7 Except as otherwise provided, the value of any chargeable consideration for a land transaction, other than—

- (a) money (whether in sterling or another currency), or
- (b) debt as defined for the purposes of paragraph 8 (debt as consideration),

is to be taken to be its market value at the effective date of the transaction.

Debt as consideration

- 8 (1) Where the chargeable consideration for a land transaction consists in whole or in part of—
- (a) the satisfaction or release of debt due to the buyer or owed by the seller, or
- (b) the assumption of existing debt by the buyer,
- the amount of debt satisfied, released or assumed is to be taken to be the whole or, as the case may be, part of the chargeable consideration for the transaction.
- (2) But where the chargeable consideration for a land transaction consists in whole or in part of both—
- (a) the satisfaction or release of debt owed by the seller, and

Status: Point in time view as at 25/05/2017. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

(b) the assumption of that debt by the buyer,
the amount of debt assumed is to be taken to be the whole or, as the case may be,
part of the chargeable consideration for the transaction.

(3) Where—

- (a) debt is secured on the subject-matter of a land transaction immediately before and immediately after the transaction, and
- (b) the rights or liabilities in relation to that debt of any party to the transaction are changed as a result of or in connection with the transaction,

then for the purposes of this paragraph there is an assumption of that debt by the buyer, and that assumption of debt constitutes chargeable consideration for the transaction.

(4) Where in a case in which sub-paragraph (1)(b) or (2) applies—

- (a) the debt assumed is or includes debt secured on the property forming the subject-matter of the transaction, and
- (b) immediately before the transaction there were two or more persons each holding an undivided share of that property, or there are two or more such persons immediately afterwards,

the amount of secured debt assumed is to be determined as if the amount of that debt owed by each of those persons at a given time were the proportion of it corresponding to the person's undivided share of the property at that time.

(5) For the purposes of sub-paragraph (4), each joint tenant of property is treated as holding an equal undivided share of it.

(6) If the effect of this paragraph would be that the amount of the chargeable consideration for the transaction exceeded the market value of the subject-matter of the transaction, the amount of the chargeable consideration is treated as limited to that value.

(7) In this paragraph—

- (a) “‘debt’” means an obligation, whether certain or contingent, to pay a sum of money either immediately or at a future date,
- (b) “‘existing debt’”, in relation to a transaction, means debt created or arising before the effective date of, and otherwise than in connection with, the transaction, and
- (c) references to the amount of a debt are to the principal amount payable or, as the case may be, the total of the principal amounts payable, together with the amount of any interest that has accrued due on or before the effective date of the transaction.

Cases where conditions for exemption not fully met

9

(1) Where a land transaction would be exempt from charge under paragraph 5 of Schedule 3 (assents and appropriations by personal representatives) but for sub-paragraph (2) of that paragraph (cases where person acquiring property gives consideration for it), the chargeable consideration for the transaction does not include the amount of any secured debt assumed.

(2) In sub-paragraph (1) “‘secured debt’” has the same meaning as in paragraph 5 of Schedule 3.

Status: Point in time view as at 25/05/2017. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (3) Where a land transaction would be exempt from charge under paragraph 6 of Schedule 3 (variation of testamentary dispositions etc.) but for a failure to meet the condition in sub-paragraph (2)(b) of that paragraph (no consideration other than variation of another disposition), the chargeable consideration for the transaction does not include the making of any variation as is mentioned in that sub-paragraph.

Conversion of amounts in foreign currency

- 10 (1) References in this Act to the amount or value of the consideration for a transaction are to its amount or value in sterling.
- (2) For the purposes of this Act, the sterling equivalent of an amount expressed in another currency is to be ascertained by reference to the London closing exchange rate on the effective date of the transaction (unless the parties have used a different rate for the purposes of the transaction).

Carrying out of works

- 11 (1) Where the whole or part of the consideration for a land transaction consists of the carrying out of works of construction, improvement or repair of a building or other works to enhance the value of land, then—
- (a) to the extent that the conditions specified in sub-paragraph (2) are met, the value of the works does not count as chargeable consideration, and
 - (b) to the extent that those conditions are not met, the value of the works is to be taken into account as chargeable consideration.
- (2) The conditions referred to in sub-paragraph (1) are—
- (a) that the works are carried out after the effective date of the transaction,
 - (b) that the works are carried out on land acquired or to be acquired under the transaction or on other land held by the buyer or a person connected with the buyer, and
 - (c) that it is not a condition of the transaction that the works are carried out by the seller or a person connected with the seller.
- (3) Where by virtue of—
- (a) section 10(5) (contract and transfer), or
 - (b) paragraph 20 of Schedule 6 (agreement for lease),
- there are two notifiable transactions (the first being the contract or agreement and the second being the transaction effected on completion or, as the case may be, the grant of the lease), the condition in sub-paragraph (2)(a) is treated as met in relation to the second transaction if it is met in relation to the first.
- (4) In this paragraph—
- (a) references to the acquisition of land are to the acquisition of a major interest in it;
 - (b) the value of the works is to be taken to be the amount that would have to be paid in the open market as at the effective date of the transaction for the carrying out of the works in question (including any value added tax that would be chargeable in respect of the carrying out of the works).

Status: Point in time view as at 25/05/2017. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

	(5) This paragraph is subject to paragraph 18 (arrangements involving public or educational bodies).
	<i>Provision of services</i>
12	<p>(1) Where the whole or part of the consideration for a land transaction consists of the provision of services (other than the carrying out of works to which paragraph 11 applies), the value of that consideration is to be taken to be the amount that would have to be paid in the open market as at the effective date of the transaction to obtain those services.</p> <p>(2) That amount includes any value added tax that would be chargeable in respect of the provision of the services.</p> <p>(3) This paragraph is subject to paragraph 18 (arrangements involving public or educational bodies).</p>

13	<p>Where a land transaction is entered into by reason of the buyer's employment, or that of a person connected with the buyer, then—</p> <p>(a) if the transaction gives rise to a charge to tax under Chapter 5 of Part 3 of the Income Tax (Earnings and Pensions) Act 2003 (c. 1) (taxable benefits: living accommodation) and—</p> <p style="padding-left: 40px;">(i) no rent is payable by the buyer, or</p> <p style="padding-left: 40px;">(ii) the rent payable by the buyer is less than the cash equivalent of the benefit calculated under section 105 or 106 of that Act, there is to be taken to be payable by the buyer as rent an amount equal to the cash equivalent chargeable under those sections;</p> <p>(b) if the transaction would give rise to a charge under that Chapter but for section 99 of that Act (accommodation provided for performance of duties), the consideration for the transaction is the actual consideration (if any);</p> <p>(c) if neither paragraph (a) nor paragraph (b) applies, the consideration for the transaction is to be taken to be not less than the market value of the subject-matter of the transaction as at the effective date of the transaction.</p>

14	<p>Where the buyer agrees to indemnify the seller in respect of liability to a third party arising from breach of an obligation owed by the seller in relation to the land that is the subject of the transaction, neither the agreement nor any payment made in pursuance of it counts as chargeable consideration.</p>

Buyer bearing capital gains tax liability

16 (1) Where—

(a) there is a land transaction under which the chargeable interest in question—

(i) is acquired otherwise than by a bargain made at arm's length, or

and

TRUSTS

Overview

- 1 (1) This Schedule makes provision about the application of this Act and TCMA in relation to trusts.
- (2) This Schedule is arranged as follows—
 - (a) paragraph 2 defines key terms;
 - (b) paragraph 3 makes provision about transactions involving bare trusts;
 - (c) paragraphs 4 to 10 make provision about transactions involving settlements and the responsibilities of trustees of a settlement;
 - (d) paragraph 11 makes provision about the treatment of the interests of beneficiaries under certain trusts.

Key terms

- 2 (1) In this Schedule, a “bare trust” means a trust under which property is held by a person as trustee—
 - (a) for a person who is absolutely entitled as against the trustee, or who would be so entitled but for being aged under 18 or lacking capacity (within the meaning of the Mental Capacity Act 2005 (c. 9)) to administer and manage the person's property and affairs, or
 - (b) for two or more persons who are or would be jointly so entitled, and includes a case in which a person holds property as nominee for another.

Status: Point in time view as at 25/05/2017. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (2) The reference in sub-paragraph (1) to a person being absolutely entitled as against the trustee is a reference to a case where the person has the exclusive right, subject only to satisfying any outstanding charge, lien or other right of the trustee—
- (a) to resort to the property for payment of duty, taxes, costs or other outgoings, or
 - (b) to direct how the property is to be dealt with.

- (3) In this Schedule, a “settlement” means a trust that is not a bare trust.

Bare trusts

- (1) Where a person (“T”) acquires a chargeable interest or an interest in a partnership as bare trustee, this Act applies as if the interest were vested in, and the acts of T in relation to it were the acts of, the person or persons for whom T is trustee.
- (2) But sub-paragraph (1) does not apply in relation to the grant of a lease.
- (3) Where a lease is granted to a person as bare trustee, that person is to be treated for the purposes of this Act, as it applies in relation to the grant of the lease, as buyer of the whole of the interest acquired.
- (4) Where a lease is granted by a person as bare trustee, that person is to be treated for the purposes of this Act, as it applies in relation to the grant of the lease, as seller of the whole of the interest disposed of.

Acquisition by trustees of settlement

Where persons acquire a chargeable interest or an interest in a partnership as trustees of a settlement, they are to be treated for the purposes of this Act, as it applies in relation to that acquisition, as buyers of the whole of the interest acquired (including the beneficial interest).

Consideration for exercise of power of appointment or discretion

- (1) Sub-paragraph (2) applies where a chargeable interest is acquired by virtue of—
- (a) the exercise of a power of appointment, or
 - (b) the exercise of a discretion vested in trustees of a settlement.
- (2) Any consideration given for the person in whose favour the appointment was made or the discretion was exercised becoming an object of the power or discretion is to be treated as consideration for the acquisition of the interest.

Reallocation of trust property as between beneficiaries

Where—

- (a) the trustees of a settlement reallocate trust property in such a way that a beneficiary acquires an interest in certain trust property and ceases to have an interest in other trust property, and
- (b) the beneficiary consents to ceasing to have an interest in that other property,

the fact that the beneficiary gives consent does not mean that there is chargeable consideration for the acquisition.

Status: Point in time view as at 25/05/2017. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

Responsibility of trustees of settlement

- 7 (1) Where the trustees of a settlement are liable to pay—
- (a) tax or late payment interest on that tax,
 - (b) an amount under section 55 of TCMA (recovery of excessive repayment) or late payment interest on that amount, or
 - (c) a penalty under Part 5 of TCMA or late payment interest on that penalty,
- the payment, penalty or interest may be recovered (but only once) from any one or more of the responsible trustees.
- (2) No amount may be recovered by virtue of sub-paragraph (1)(c) from a person who did not become a responsible trustee until after the relevant time.
- (3) The responsible trustees, in relation to a land transaction, are the persons who are trustees at the effective date of the transaction and any person who subsequently becomes a trustee.
- (4) The relevant time is—
- (a) in relation to so much of a penalty as is payable in respect of any day, or to late payment interest on so much of a penalty as is so payable, the beginning of that day;
 - (b) in relation to any other penalty, or to late payment interest on the penalty, the time when the act or omission occurred that caused the penalty to become payable.
- (5) In this paragraph, “late payment interest” means late payment interest under Part 6 of TCMA.

Relevant trustees for purposes of return etc.

- 8 (1) A return in relation to a land transaction may be made or given by any one or more of the trustees who are the responsible trustees in relation to the transaction.
- (2) The trustees by whom such a return is made are referred to in this Schedule as “the relevant trustees”.
- (3) The declaration required by section 53 (declaration that return is complete and correct) must be made by all the relevant trustees.

Relevant trustees: enquiries and assessments

- 9 (1) If WRA issues a notice of enquiry under section 43 of TCMA into the return—
- (a) the notice must be issued to each of the relevant trustees whose identity is known to WRA;
 - (b) the powers of WRA under Part 4 of TCMA to require information and documents for the purposes of the enquiry are exercisable separately (and differently) in relation to each of the relevant trustees;
 - (c) any of the relevant trustees may apply under section 51 of TCMA for a direction that a closure notice be issued (and all of them are entitled to be parties to the application);
 - (d) any closure notice under section 50 of TCMA must be issued to each of the relevant trustees whose identity is known to WRA.

Status: Point in time view as at 25/05/2017. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

(2) A WRA determination under section 52 of TCMA relating to the transaction must be made against all of the relevant trustees and is not effective against any of them unless notice of it is given to each of them whose identity is known to WRA.

(3) A WRA assessment under section 54 or 55 of TCMA relating to the transaction must be made in respect of all of the relevant trustees and is not effective in respect of any of them unless notice of it is issued under section 61 of TCMA to each of them whose identity is known to WRA.

Relevant trustees: appeals and reviews

10 (1) The agreement of all the relevant trustees is required if a settlement agreement relating to the transaction is to be entered into under section 184 of TCMA.

(2) A notice of request under section 173 of TCMA may be given by any of the relevant trustees.

(3) Where WRA undertakes a review of an appealable decision relating to the transaction following such a request made by some (but not all) of the relevant trustees—

(a) notice of the review must be issued by WRA to each of the other relevant trustees whose identity is known to WRA;

(b) any of the other relevant trustees may be a party to the review if they notify WRA in writing;

(c) notice of WRA's conclusions under section 176(5), (6) or (7) of TCMA must be issued to each of the relevant trustees whose identity is known to WRA;

(d) section 177 of TCMA (effect of conclusions of review) applies in relation to all of the relevant trustees.

(4) In the case of an appeal under Part 8 of TCMA relating to the transaction—

(a) the appeal may be brought by any of the relevant trustees;

(b) notice of the appeal must be issued by WRA to each of the relevant trustees who are not bringing the appeal and whose identity is known to WRA;

(c) any of the relevant trustees are entitled to be parties to the appeal;

(d) the tribunal's determination under section 181 of TCMA binds all the relevant trustees.

Interests of beneficiaries under certain trusts

11 (1) Sub-paragraphs (2) and (3) apply where property is held in trust under the law of Scotland, or of a country or territory outside the United Kingdom, on terms such that, if the trust had effect under the law of England and Wales, a beneficiary would be regarded as having an equitable interest in the trust property.

(2) The beneficiary is to be treated for the purpose of this Act as having an equitable interest in the trust property despite the fact that no such interest is recognised by the law of Scotland or, as the case may be, the country or territory outside the United Kingdom.

Status: Point in time view as at 25/05/2017. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (3) An acquisition of the interest of a beneficiary under the trust is to be treated as involving the acquisition of an interest in the trust property.

Key terms

- (a) for a single dwelling transaction, so much of the chargeable consideration for the transaction as is attributable to the dwelling;

Status: Point in time view as at 25/05/2017. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (b) for a multiple dwelling transaction, so much of the chargeable consideration for the transaction as is attributable to the dwellings in total.
- (2) ““The remaining consideration”” is the chargeable consideration for the transaction less the consideration attributable to dwellings.
- (3) A relevant transaction is a ““single dwelling transaction”” if its main subject-matter consists of—
- an interest in a dwelling, or
 - an interest in a dwelling and other property.
- (4) A relevant transaction is a ““multiple dwelling transaction”” if its main subject-matter consists of—
- an interest in at least two dwellings, or
 - an interest in at least two dwellings and other property.
- (5) ““Attributable”” means attributable on a just and reasonable apportionment.

The amount of tax chargeable

- (1) If relief under this Schedule is claimed for a relevant transaction, the amount of tax chargeable in respect of the transaction is the sum of—
- the tax related to the consideration attributable to dwellings, and
 - the tax related to the remaining consideration (if any).
- (2) If the whole or part of the chargeable consideration for a relevant transaction is rent, sub-paragraph (1) has effect subject to Part 5 of Schedule 6 (leases: calculation of tax chargeable).

Determining the tax related to the consideration attributable to dwellings

- (1) For the purposes of paragraph 5(1)(a), ““the tax related to the consideration attributable to dwellings”” is determined as follows—

Step 1 Determine the amount of tax that would be chargeable under section 27 on the assumption that—

- the chargeable transaction is a residential property transaction, and
- the chargeable consideration were the fraction produced by dividing total dwellings consideration by total dwellings.

Step 2 Multiply the amount determined at Step 1 by total dwellings.

Step 3 If the relevant transaction is one of a number of linked transactions, go to Step 4. Otherwise, the amount found at Step 2 is the tax related to the consideration attributable to dwellings.

Step 4 Multiply the amount found at Step 2 by—

$$\frac{CD}{TDC}$$

Figure 12 where—

““CD”” is the consideration attributable to dwellings for the relevant transaction, and

Status: Point in time view as at 25/05/2017. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

““TDC”” is total dwellings consideration.

- (2) But if the amount found at Step 2 of sub-paragraph (1) is less than 1% of total dwellings consideration, for the purposes of paragraph 5(1)(a) ““the tax related to the consideration attributable to dwellings”” is an amount equal to 1% of the consideration attributable to dwellings.
- (3) “Total dwellings consideration” means—
 - (a) for a transaction that is not one of a number of linked transactions, the consideration attributable to dwellings for that transaction;
 - (b) for one of a number of linked transactions—
 - (i) the total of the consideration attributable to dwellings for that transaction and all the other linked transactions that are relevant transactions, plus
 - (ii) so much of the chargeable consideration for any of the linked transactions (whether or not relevant transactions) as is not included in the calculation under paragraph (i) but is attributable to the same dwellings by reference to which that calculation is made.
- (4) ““Total dwellings”” means the total number of dwellings by reference to which total dwellings consideration is calculated.
- (5) In the application of sub-paragraph (1), no account is to be taken of—
 - (a) section 72(9) (transfer of 6 or more separate dwellings treated as non-residential property), or
 - (b) paragraph 34 (tax chargeable for consideration other than rent: mixed leases) of Schedule 6 (leases).
- (6) In the application of sub-paragraph (1), where a relevant transaction is a higher rates residential property transaction (as provided for in Schedule 5), the amount of tax that would be chargeable under section 27 is to be determined on that basis.
- (7) The Welsh Ministers may by regulations amend sub-paragraph (2) so as to substitute for the percentages for the time being specified there, different percentages.

Determining the tax related to the remaining consideration

- (1) For the purposes of paragraph 5(1)(b), ““the tax related to the remaining consideration”” is the appropriate fraction of the amount of tax which (but for this Schedule) would be due in respect of the relevant transaction.
- (2) In sub-paragraph (1), ““the appropriate fraction”” means—

$$\frac{RC}{TDC + TRC}$$

““TDC”” is total dwellings consideration, and

““TRC”” is total remaining consideration.

(3) The ““total remaining consideration”” is—

- (a) for a transaction that is not one of a number of linked transactions, the remaining consideration for that transaction;
- (b) for one of a number of linked transactions—
 - (i) the total of the chargeable consideration for all those transactions, less
 - (ii) total dwellings consideration.
