VALID FROM 01/04/2018

SCHEDULE 2

(as introduced by section 13)

PRE-COMPLETION TRANSACTIONS

PART 1

INTRODUCTION AND KEY CONCEPTS

Overview

- 1 (1) This Schedule makes provision about the application of this Act (in particular section 10 (contract and transfer)) to pre-completion transactions (the meaning of which is set out in paragraph 3).
- (2) The Schedule is arranged as follows—

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (a) this Part makes introductory provisions setting out the circumstances where this Schedule applies (paragraph 2) and explaining the meaning of ““pre-completion transaction”” and other key terms referred to in the Schedule;
- (b) Part 2 sets out how this Act applies in cases where the pre-completion transaction is an assignment of rights (the meaning of which is set out in paragraph 6);
- (c) Part 3 sets out how this Act applies in cases involving free-standing transfers (the meaning of which is set out in paragraph 12);
- (d) Part 4 provides for a special rule (““the minimum consideration rule””) which applies to determine the consideration given in cases where the parties in relation to a pre-completion transaction are connected or are otherwise not acting at arm's length;
- (e) Part 5 provides for relief to be available to certain buyers in cases where certain pre-completion transactions are entered into;
- (f) Part 6 makes some general interpretative provisions.

Application of this Schedule

- 2
- (1) This Schedule applies where—
 - (a) a person (““the original buyer””) enters into a contract (““the original contract””) for the acquisition by the original buyer of a chargeable interest under which the acquisition is to be completed by a transfer, and
 - (b) there is a pre-completion transaction.
 - (2) The reference in sub-paragraph (1)(a) to a contract does not include a contract that is an assignment of rights in relation to another contract.
 - (3) For any one contract for the acquisition of a chargeable interest there is only one original buyer (and for the purposes of this Schedule joint original buyers are to be treated as one original buyer).
 - (4) This Schedule does not apply where paragraph 21 of Schedule 6 (assignment of agreement for lease) applies (and accordingly, despite paragraph 3, the assignment of an agreement for lease is not a pre-completion transaction).

Meaning of ““pre-completion transaction””

- 3
- (1) A transaction is a pre-completion transaction if—
 - (a) as a result of the transaction a person other than the original buyer (““the transferee””) becomes entitled to call for a transfer to the transferee of the whole or part of the subject-matter of the original contract, and
 - (b) immediately before the transaction took place a person (other than the transferee but not necessarily the original buyer) was entitled under the original contract to call for a transfer of the whole or that part of that subject-matter.
 - (2) A transaction that gives effect to a person's acquisition of the whole or part of the subject-matter of the original contract is not a pre-completion transaction.
 - (3) The grant or assignment of an option is not a pre-completion transaction.
 - (4) The fact that a transaction has the effect of discharging the original contract does not prevent that transaction from being a pre-completion transaction.

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

Other key terms

- 4 (1) In this Schedule, references to part of the subject-matter of the original contract—
- (a) are to a chargeable interest that is the same as the chargeable interest referred to in paragraph 2(1)(a) except that it relates to part only of the land concerned, and
 - (b) also include, so far as is appropriate, interests or rights appurtenant or pertaining to the chargeable interest.
- (2) In this Schedule, “the transferor”, in relation to a pre-completion transaction, means a party to the pre-completion transaction who immediately before the pre-completion transaction took place was entitled to call for a transfer of (what became) the subject-matter of the pre-completion transaction.
- (3) References in this Schedule to the “subject-matter” of a pre-completion transaction—
- (a) are to the chargeable interest the transfer of which the transferee is entitled to call for as a result of the pre-completion transaction, and
 - (b) also include, so far as is appropriate, interests or rights appurtenant or pertaining to the chargeable interest.

Tax not charged on transferee by reason of the pre-completion transaction

- 5 The transferee is not regarded as entering into a land transaction only by reason of the pre-completion transaction.

PART 2

PRE-COMPLETION TRANSACTIONS WHICH ARE ASSIGNMENTS OF RIGHTS

Pre-completion transactions which are assignments of rights

- 6 A pre-completion transaction is an “assignment of rights” if the entitlement of the transferee referred to in paragraph 3(1)(a) is an entitlement to exercise rights under the original contract.

Assignments of rights: application of rules about completion and consideration

- 7 (1) This paragraph applies if the pre-completion transaction is an assignment of rights.
- (2) If the subject-matter of the original contract is transferred to the transferee, the transfer is taken to be the completion of the original contract (despite section 10 and in particular subsection (10)(a) of that section).
- (3) Sub-paragraphs (4) to (8) apply if—
- (a) the subject-matter of the original contract is transferred to the transferee, or
 - (b) the original contract is substantially performed by the transferee.
- (4) The transferee is taken to be the buyer in the land transaction effected as mentioned in section 10(3), or treated as effected under section 10(4).
- (5) For the purpose of determining the chargeable consideration for that land transaction, the land transaction is taken to give effect to a contract the consideration

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

under which is the consideration paid or provided by the transferee or a person connected with the transferee—

- (a) for the subject-matter of the original contract, and
 - (b) for the assignment of rights.
- (6) Paragraph 1 of Schedule 4 (chargeable consideration: money or money's worth) has effect accordingly but subject to sub-paragraphs (7) and (8) of this paragraph.
- (7) This paragraph does not allow any amount of consideration given by a person to be counted twice in determining the chargeable consideration.
- (8) In any case where there is a relevant connection between the parties as mentioned in paragraph 15(2) (minimum consideration rule), the chargeable consideration for the land transaction mentioned in sub-paragraph (4) of this paragraph is calculated (regardless of whether the consideration is taken to be the amount in paragraph (a), (b) or (c) of paragraph 15(2)) as if in paragraph 1 of Schedule 4 the words ““or a person connected with the buyer”” were omitted.
- (9) The original contract is to be taken to be ““substantially performed by the transferee”” where a land transaction is treated as effected under section 10(4) by reason of—
- (a) the transferee under the assignment of rights, or a person connected with the transferee, taking possession of the whole, or substantially the whole, of the subject-matter of the original contract,
 - (b) a substantial amount of the consideration being paid or provided by the transferee or a person connected with the transferee, or
 - (c) consideration paid or provided by the transferee, or a person connected with the transferee, amounting, when taken together with consideration paid or provided by another person, to a substantial amount of the consideration.
- (10) References in sub-paragraph (9) to possession and to the payment or provision of a substantial amount of the consideration are to be read in accordance with subsections (2) and (3) of section 14 (meaning of substantial performance).
- (11) In sub-paragraph (9), ““the consideration””—
- (a) in relation to the land transaction, means (what is taken to be) the consideration for the acquisition of the subject-matter of the land transaction;
 - (b) in relation to the original contract, means the consideration for the transferee's acquisition of the subject-matter of that contract;
 - (c) in relation to the assignment of rights, means the consideration for the transferee's acquisition of the rights to which that contract relates.

Assignment of rights: transferor treated as making separate acquisition

- 8 (1) Where paragraph 7(4) to (8) applies (assignment of rights: original contract completed or substantially performed) this Act has effect as if—
- (a) the effective date of the land transaction mentioned in paragraph 7(4) (““the transferee's land transaction””) were also the effective date of another land transaction (a ““notional land transaction””), and
 - (b) the original buyer were the buyer in that notional land transaction.

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (2) The notional land transaction is referred to in this paragraph as being “associated with” the assignment of rights under which the original buyer is the transferor.
- (3) Where sub-paragraph (1) applies and the assignment of rights mentioned in paragraph 7(1) (“the implemented assignment of rights”) was preceded by one or more related assignments of rights, then for the purposes of this Act there is taken to be, for each assignment of rights (other than the first) in the chain formed by the implemented assignment of rights and those preceding assignments of rights, an additional notional land transaction—
 - (a) the effective date of which is the effective date of the transferee's land transaction, and
 - (b) where the buyer is the transferor under that assignment of rights.
- (4) In sub-paragraph (3), “related assignment of rights” means a transaction that is an assignment of rights in relation to the original contract and has some subject-matter in common with the implemented assignment of rights.
- (5) The additional notional land transaction is referred to in this paragraph as being “associated with” the assignment of rights.
- (6) For the purpose of determining the chargeable consideration—
 - (a) for the notional land transaction, Schedule 4 has effect as if paragraph 1 of that Schedule provided that the chargeable consideration is (except as otherwise provided) the sum of A and B;
 - (b) for any additional notional land transaction, that Schedule has effect as if paragraph 1 of it provided that the chargeable consideration is (except as otherwise provided) the sum of A, B and C.
- (7) A is the total amount of any consideration in money or money's worth given (whether directly or indirectly) by any of the following as consideration under the original contract—
 - (a) the transferee under the assignment of rights with which the notional land transaction or the additional notional land transaction is associated;
 - (b) where the assignment of rights is one in a chain of successive transactions that are pre-completion transactions in relation to the original contract (all having at least part of their subject-matter in common), the transferee under any subsequent pre-completion transaction in that chain;
 - (c) a person connected with a person falling within paragraph (a) or (b).
- (8) B is the total amount of any other consideration in money or money's worth given as consideration under the original contract (directly or indirectly) by—
 - (a) the buyer (under the notional land transaction or the additional notional land transaction), or
 - (b) a person connected with the buyer.
- (9) C is the amount of any consideration in money or money's worth given for the preceding assignment of rights by—
 - (a) the buyer (under the additional notional land transaction), or
 - (b) a person connected with the buyer.
- (10) In sub-paragraph (9), “the preceding assignment of rights” means the assignment of rights as a result of which the buyer became entitled to call for a transfer of

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

(what became) the subject-matter of the assignment of rights associated with the additional notional land transaction.

Notional land transactions: effect of rescission etc. following substantial performance

- 9 (1) This paragraph applies where paragraph 8(1) (transferor treated as making separate acquisition) applies by virtue of the substantial performance by the transferee of the original contract.
- (2) If the original contract is (to any extent) subsequently rescinded or annulled, or is for any other reason not carried into effect, the tax paid by virtue of paragraph 8(1), and any tax paid by virtue of paragraph 8(3), must (to that extent) be repaid by WRA.
- (3) But repayment of tax is due only if a claim for it is made by amendment, in accordance with section 41 of TCMA, of the return in respect of the notional or additional notional land transaction.

Assignment of rights relating to part only of original contract

- 10 Where the transferee under the assignment of rights referred to in paragraph 7(1) is entitled to call for the transfer of part, but not the whole, of the subject-matter of the original contract—
- (a) paragraph 7 applies as if the original contract, so far as relating to that part of its subject-matter, were a separate contract, and
- (b) the references in paragraph 8 to the original contract are to be read accordingly.

Assignment of rights: references to “the seller”

- 11 (1) This paragraph applies where—
- (a) the pre-completion transaction is an assignment of rights, and
- (b) either the subject-matter of the original contract is transferred to the transferee or the original contract is substantially performed by the transferee.
- (2) This paragraph does not apply if the original contract is itself a free-standing transfer (see Part 3 of this Schedule for the treatment of such cases).
- (3) The general rule is that in relation to a relevant land transaction, references in this Act to the seller are to be read as references to the seller under the original contract (but see sub-paragraphs (4) and (5)).
- (4) In cases where the original contract was substantially performed before the transferee became entitled to call for a transfer of the whole or part of the subject-matter of the original contract, references in this Act to the seller are to be read as references to the person who was the buyer under the original contract when it was substantially performed.
- (5) In relation to a relevant land transaction, references to the seller in any of the following provisions are to be read as including the seller under the original contract and the transferor under any relevant assignment of rights—
- (a) paragraph 8(1)(a) of Schedule 4 (debt as consideration);
- (b) paragraph 11(2)(c) of that Schedule (carrying out of works);
- (c) paragraph 14 of that Schedule (indemnity given by buyer);

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (d) paragraph 1(1) and (2) of Schedule 20 (transfers involving public bodies);
 - (e) paragraph 2(1)(a) of Schedule 21 (compliance with planning obligations: conditions for relief).
- (6) The following are ““relevant land transactions”” —
- (a) the land transaction given effect by the transfer mentioned in sub-paragraph (1)(b) or treated as having been given effect by the substantial performance mentioned in that sub-paragraph;
 - (b) the notional land transaction mentioned in paragraph 8(1) and any additional notional land transaction under paragraph 8(3).
- (7) In determining under section 8(1) whether or not a relevant land transaction such as is mentioned in sub-paragraph (6)(a) is linked to another transaction, it may be assumed that any of the following is the seller in the relevant land transaction—
- (a) the seller (determined in accordance with sub-paragraph (3)), or
 - (b) the transferor under any relevant assignment of rights.
- (8) The following are ““relevant assignments of rights”” in relation to a relevant land transaction—
- (a) the assignment of rights mentioned in sub-paragraph (1)(a);
 - (b) any other transaction that is an assignment of rights in relation to the original contract and has some subject-matter in common with the assignment of rights mentioned in paragraph (a).

PART 3

PRE-COMPLETION TRANSACTIONS WHICH ARE FREE-STANDING TRANSFERS

Pre-completion transactions which are free-standing transfers

- 12 A pre-completion transaction which is not an assignment of rights is referred to in this Schedule as a ““free-standing transfer””.

Free-standing transfers: consideration and substantial performance

- 13 (1) This paragraph applies where the pre-completion transaction is a free-standing transfer.
- (2) If the transferee acquires the subject-matter of the free-standing transfer, the consideration for the transaction giving effect to that acquisition is taken to include the consideration given for the free-standing transfer (if that would not otherwise be the case).
- (3) References in sub-paragraph (2) to an acquisition include an acquisition treated as having taken place by virtue of section 10(4) (and the reference to the transaction giving effect to that acquisition is to be read accordingly).
- (4) An action taken by the transferee (or an assignee of the transferee) that would, if taken by the original buyer, constitute (for the purposes of section 14(1)) the taking of possession of the whole or substantially the whole of the subject-matter of the original contract is treated as being the substantial performance of the original contract.

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (5) If a transaction that is a free-standing transfer in relation to a contract is also a free-standing transfer in relation to another contract (in particular, where there have been successive free-standing transfers), each of those contracts is to be regarded as “the original contract” for the purposes of separate applications of sub-paragraph (4).
- (6) In sub-paragraph (4)—
- (a) the reference to the transferee includes a person connected with the transferee, and
 - (b) the reference to an assignee of the transferee—
 - (i) is to a person who, as a result of a transaction that is an assignment of rights in relation to the free-standing transfer, is entitled to call for a transfer of the whole or part of the subject-matter of the free-standing transfer, and
 - (ii) includes a person connected with such a person.
- References to “the seller” in cases involving free-standing transfers*
- 14 (1) This paragraph applies where—
- (a) the pre-completion transaction is a free-standing transfer and the transferee acquires the subject-matter of the free-standing transfer as mentioned in paragraph 13(2) (read with paragraph 13(3)), or
 - (b) the pre-completion transaction is an assignment of rights and either—
 - (i) the subject-matter of the original contract is transferred to the transferee, or
 - (ii) the original contract is substantially performed by the transferee, but paragraph 11(1) (references to the seller where transferee is assignee under an assignment of rights) does not apply because the original contract is a free-standing transfer (see paragraph 11(2)).
- (2) The general rule is that in relation to the relevant land transaction, references in this Act to the seller are to be read as references to the seller under the first appropriate transaction (but see sub-paragraph (3)).
- (3) In relation to the relevant land transaction, references to the seller in the specified provisions (see sub-paragraph (4)) are to be read as including—
- (a) the seller in the first appropriate transaction,
 - (b) the transferor under the final transaction, and
 - (c) the transferor under any other pre-completion transaction relating to, and which has some subject-matter in common with, the transactions mentioned in paragraphs (a) and (b).
- (4) The specified provisions are—
- (a) paragraph 8(1)(a) of Schedule 4 (debt as consideration);
 - (b) paragraph 11(2)(c) of that Schedule (carrying out of works);
 - (c) paragraph 14 of that Schedule (indemnity given by buyer);
 - (d) paragraph 1(1) and (2) of Schedule 20 (transfers involving public bodies);
 - (e) paragraph 2(1)(a) of Schedule 21 (compliance with planning obligations: conditions for relief).

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (5) In determining under section 8(1) whether or not the relevant land transaction is linked to another transaction, it may be assumed that any of the following is the seller in the relevant land transaction—
- (a) the seller in the first appropriate transaction,
 - (b) the transferor under the final transaction, and
 - (c) the transferor under any other pre-completion transaction relating to, and which has some subject-matter in common with, the transactions mentioned in paragraphs (a) and (b).
- (6) In this paragraph—
- (a) “the relevant land transaction” means—
 - (i) the land transaction mentioned in sub-paragraph (1)(a), or
 - (ii) in a case falling within sub-paragraph (1)(b), the land transaction given effect by the transfer to the transferee of the subject-matter of the original contract or the substantial performance by the transferee of the original contract;
 - (b) “the final transaction” means—
 - (i) in a case falling within sub-paragraph (1)(a), the transaction giving effect to the acquisition by the transferee of the subject-matter of the free standing transfer;
 - (ii) in a case falling within sub-paragraph (1)(b), the transaction giving effect to the acquisition by the transferee of the subject-matter of the assignment of rights (whether by the transfer of the subject-matter of the original contract to the transferee, the substantial performance of the original contract by the transferee or otherwise);
 - (c) “the first appropriate transaction” means the original contract, unless sub-paragraph (7) applies.
- (7) In applying this paragraph to a case where the original contract is not performed at the same time as, and in connection with the performance of the final transaction, “the first appropriate transaction” means a transaction that is a pre-completion transaction in relation to the original contract and meets the following conditions.
- (8) The conditions are that the pre-completion transaction—
- (a) is performed at the time when the final transaction is performed and (if it is not itself that final transaction) is performed in connection with the performance of the final transaction,
 - (b) is a transaction on which the entitlement of the transferee to call for the transfer of the subject-matter of the final transaction depends, and
 - (c) is not preceded by another pre-completion transaction meeting the conditions in paragraphs (a) and (b).
- (9) For the purposes of sub-paragraphs (7) and (8)—
- (a) a contract for a land transaction is taken to be “performed” when it is substantially performed or completed (whichever is earlier);
 - (b) a free-standing transfer other than a contract is taken to be “performed” when the transferee under that free-standing transfer (or an assignee of that transferee, as defined in paragraph 13(6)(b)) acquires the subject-matter of that free-standing transfer.

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (10) Where the final transaction is a pre-completion transaction in relation to each of two or more contracts such as are mentioned in paragraph 2(1)(a) that together form a series of such contracts (each having some subject-matter in common with all the others), references in this paragraph to the ““original contract”” are to be read as references to the first contract in that series.

PART 4

THE MINIMUM CONSIDERATION RULE

The minimum consideration rule

- 15 (1) This paragraph applies where paragraph 7(3) or 13(2) (pre-completion transactions: chargeable interest acquired, or treated as acquired, by transferee) applies.
- (2) If there is a relevant connection between parties, then for the purposes of paragraph 1 of Schedule 4 the consideration given by the buyer for the subject-matter of the land transaction referred to in paragraph 7(4) or 13(2) is taken to be the highest of—
- (a) the amount it would be apart from this sub-paragraph,
 - (b) the first minimum amount (see paragraph 16), or
 - (c) the second minimum amount (see paragraph 17).
- (3) There is a ““relevant connection between parties”” if the transferee in relation to the pre-completion transaction mentioned in paragraph 7(1) or 13(1) (““the implemented transaction””) is connected with, or is not acting at arm's length in relation to—
- (a) the transferor in relation to the implemented transaction, or
 - (b) a transferor in relation to a pre-completion transaction—
 - (i) which is one in a chain of successive pre-completion transactions (all having at least part of their subject-matter in common and including the implemented transaction) in relation to the original contract, and
 - (ii) which precedes the implemented transaction in the chain.
- (4) Where the implemented transaction is a pre-completion transaction in relation to—
- (a) a contract for a land transaction that is not itself a free-standing transfer in relation to any other contract, and
 - (b) a contract, or two or more successive contracts, that are themselves free-standing transfers in relation to the contract mentioned in paragraph (a),
- references in this Part of this Schedule to the ““original contract”” are to the contract mentioned in paragraph (a) only (and references to the ““original buyer”” are to be read accordingly).

The first minimum amount

- 16 (1) The ““first minimum amount”” is to be determined in accordance with sub-paragraph (2) unless conditions A to C in sub-paragraph (3) are met, in which case it is to be determined in accordance with that sub-paragraph.
- (2) The ““first minimum amount”” is—

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (a) if the chargeable interest acquired (or treated as acquired) under the land transaction referred to in paragraph 7(4) or 13(2) is the whole subject-matter of the original contract, the amount of any consideration (in money or money's worth) agreed to be given, under the terms of the original contract, for the acquisition of that subject-matter, or
 - (b) if paragraph (a) does not apply, so much of the amount mentioned in that paragraph as is referable, on a just and reasonable apportionment, to the chargeable interest acquired (or treated as acquired) under the land transaction referred to in paragraph 7(4) or 13(2).
- (3) If conditions A to C are met, the ““first minimum amount”” is the amount of any consideration (in money or money's worth) agreed, under the terms of the transfer to the first T, to be given in respect of the subject-matter of that transaction (including any consideration relating to an obligation of the transferor under the transfer to the first T).
- Condition A* That the pre-completion transaction referred to in paragraph 7(4) or 13(2) is one of a chain of successive transactions (all having at least part of their subject-matter in common) that are pre-completion transactions in relation to the original contract.
- Condition B* That a person (““T””) is the transferor under a pre-completion transaction that forms part of the chain and T is connected with, or not acting at arm's length in relation to—
- (a) the transferee under that transaction, or
 - (b) the transferee under a subsequent transaction in the chain (including the pre-completion transaction referred to in paragraph 7(4) or 13(2)).
- Condition C* That, having regard to all the circumstances, the obtaining of a tax advantage (for any person) was not the main purpose, or one of the main purposes, of T entering into any pre-completion transaction in the chain or any arrangement of which such a transaction was part.
- (4) In this paragraph—
- (a) ““the first T”” means—
 - (i) if condition B is met in relation to only one pre-completion transaction, T, or
 - (ii) if condition B is met in relation to more than one pre-completion transaction in the chain, the transferor in relation to the first of the pre-completion transactions in relation to which condition B is met;
 - (b) ““the transfer to the first T”” means—
 - (i) the pre-completion transaction under which the first T is the transferee, or
 - (ii) the original contract (if T is the original buyer);
 - (c) ““tax advantage”” has the same meaning as in section 31(3).

The second minimum amount

- 17 (1) The ““second minimum amount”” is the total of the net amounts of consideration given by the relevant parties.
- (2) The net amount of consideration given by any relevant party is—

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

CP – CR

Figure 1 where—

CP is the total amount of consideration given by the party for the acquisition of the chargeable interest or as consideration for a pre-completion transaction;

CR is the total of any amounts of consideration given to the party by another relevant party (or other relevant parties) as consideration for the acquisition of the chargeable interest or as consideration for the pre-completion transaction, and if CR is greater than CP then the net amount of consideration given by the relevant party is taken to be zero.

- (3) The relevant parties are—
- (a) the original buyer, and
 - (b) the transferee,
- unless sub-paragraph (4) applies.
- (4) If the pre-completion transaction mentioned in paragraph 7(1) or 13(1) (“the implemented transaction”) is one in a chain of successive transactions (all having at least part of their subject-matter in common) that are pre-completion transactions in relation to the original contract, only the following are relevant parties—
- (a) the transferor and the transferee in relation to the implemented transaction;
 - (b) a transferor in relation to a preceding transaction, if that transferor is connected with, or is not acting at arm's length in relation to, the transferee under the implemented transaction;
 - (c) the transferee under a pre-completion transaction where the transferor is a relevant party (whether by virtue of this paragraph (c) or otherwise),
- and in this sub-paragraph and sub-paragraph (6) “preceding transaction” means a pre-completion transaction that precedes the implemented transaction in the chain.
- (5) For the purposes of sub-paragraph (2)—
- (a) amounts given by a person connected with a relevant party are treated as given by the relevant party;
 - (b) amounts given to a person connected with a relevant party are treated as given to the relevant party,
- but a person who is a relevant party is not to be treated, for the purposes of this paragraph, as connected with another relevant party (even if, apart from this sub-paragraph, that would be the case).
- (6) If the subject-matter of the implemented transaction is not the whole subject-matter of the original contract—
- (a) the amounts that are taken for the purposes of sub-paragraph (2) to be given “for the acquisition of the chargeable interest” are to be determined on a just and reasonable basis, and
 - (b) only so much of the consideration for a preceding transaction as is referable, on a just and reasonable basis, to the subject-matter of the implemented transaction is to be taken into account under sub-paragraph (2).

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

PART 5

RELIEFS

Relief for transferor: assignment of rights

- 18 (1) This paragraph applies where—
- (a) a person would, in the absence of this paragraph, be liable to pay tax in respect of a notional land transaction deemed to take place under paragraph 8(1) or an additional notional land transaction deemed to take place under paragraph 8(3), and
 - (b) the original contract had not been substantially performed when the assignment of rights mentioned in paragraph 7(1) was entered into.
- (2) If the buyer in respect of the notional land transaction, or additional notional land transaction, claims relief under this paragraph, the buyer is relieved from tax in respect of that transaction.
- (3) But no relief is available under this paragraph if the land transaction mentioned in paragraph 7(4) is relieved from tax by virtue of Schedule 10 (alternative property finance reliefs).

Relief for original buyer: qualifying subsales

- 19 (1) This paragraph applies if—
- (a) the pre-completion transaction is a qualifying subsale (see sub-paragraph (6)),
 - (b) the original buyer would, in the absence of this paragraph, be liable to pay tax in respect of the land transaction given effect by the completion of the original contract or treated as having been given effect by the substantial performance of the original contract,
 - (c) the performance of the qualifying subsale takes place at the same time as, and in connection with, the performance of the original contract, and
 - (d) relief is claimed in respect of the land transaction mentioned in paragraph (b).
- (2) If the subject-matter of the qualifying subsale is the whole of the subject-matter of the original contract, the original buyer is relieved from tax in respect of the land transaction mentioned in sub-paragraph (1)(b).
- (3) If the subject-matter of the qualifying subsale is part of the subject-matter of the original contract, the amount of consideration for the land transaction mentioned in sub-paragraph (1)(b) is taken to be—

OC – QS

Figure 2 where—

OC is the amount that the consideration would be apart from this sub-paragraph, and

QS is so much of OC as is referable to the subject-matter of the qualifying subsale, and OC may be reduced more than once if there is more than one qualifying subsale.

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (4) But no relief is available under this paragraph if—
- (a) the original contract had been substantially performed when the qualifying subsale was entered into, or
 - (b) the transaction effected, or treated as effected, by the performance of the qualifying subsale is relieved from tax by virtue of Schedule 10 (alternative property finance reliefs).
- (5) For the purposes of this paragraph, a contract for a land transaction is taken to be “performed” when it is substantially performed or completed (whichever is earlier).
- (6) A pre-completion transaction is a “qualifying subsale” if it is a contract under which the original buyer contracts to sell the whole or part of the subject-matter of the original contract to the transferee.
- (7) If a transaction is a qualifying subsale in relation to more than one contract such as is mentioned in paragraph 2(1)(a), this paragraph applies separately in relation to each such original contract for the purpose of determining what relief, if any, may be available with respect to the land transaction in question.

(as introduced by section 17)

TRANSACTIONS EXEMPT FROM CHARGE

.....

VALID FROM 01/04/2018

SCHEDULE 4

(as introduced by section 18(1))

CHARGEABLE CONSIDERATION

Money or money's worth

- 1 The chargeable consideration for a transaction is, except as otherwise provided, any consideration in money or money's worth given for the subject-matter of

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

the transaction, directly or indirectly, by the buyer or a person connected with the buyer.

Value added tax

- 2 The chargeable consideration for a transaction includes any value added tax chargeable in respect of the transaction, other than value added tax chargeable by virtue of an option to tax any land under Part 1 of Schedule 10 to the Value Added Tax Act 1994 (c. 23) made after the effective date of the transaction.

Postponed consideration

- 3 The amount or value of the chargeable consideration for a transaction is to be determined without any discount for postponement of the right to receive it or any part of it.

Just and reasonable apportionment

- 4 (1) For the purposes of this Act, consideration attributable—
- (a) to two or more land transactions,
 - (b) in part to a land transaction and in part to another matter, or
 - (c) in part to matters making it chargeable consideration and in part to other matters,
- is to be apportioned on a just and reasonable basis.
- (2) If the consideration is not so apportioned, this Act has effect as if it had been so apportioned.
- (3) For the purposes of this paragraph, any consideration given for what is in substance one bargain is to be treated as attributable to all the elements of the bargain, even though—
- (a) separate consideration is, or purports to be, given for different elements of the bargain, or
 - (b) there are, or purport to be, separate transactions in respect of different elements of the bargain.

Exchanges

- 5 (1) This paragraph applies to determine the chargeable consideration where one or more land transactions are entered into by a person (alone or jointly) as buyer wholly or partly in consideration of one or more other land transactions being entered into by that person (alone or jointly) as seller.
- (2) In this paragraph—
- (a) ““relevant transaction”” means any of those transactions, and
 - (b) ““relevant acquisition”” means a relevant transaction entered into as buyer and ““relevant disposal”” means a relevant transaction entered into as seller.
- (3) The following rules apply if the subject-matter of any of the relevant transactions is a major interest in land—
- (a) where a single relevant acquisition is made, the chargeable consideration for the acquisition is—

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (i) the market value of the subject-matter of the acquisition as at the effective date of the transaction,
 - (ii) if the acquisition is the grant of a lease at a rent, that rent, and
 - (iii) any value added tax chargeable in respect of that acquisition as at the effective date of the transaction;
 - (b) where two or more relevant acquisitions are made, the chargeable consideration for each relevant acquisition is—
 - (i) the market value of the subject-matter of the acquisition as at the effective date of the transaction,
 - (ii) if the acquisition is the grant of a lease at a rent, that rent, and
 - (iii) any value added tax chargeable in respect of that acquisition as at the effective date of the transaction.
- (4) In determining market value for the purpose of sub-paragraph (3)(a)(i) and (b)(i), no account is to be taken of a reduction in what would otherwise be the market value of the subject-matter where the reduction is the result of anything done, the main purpose or one of the main purposes of which, is to avoid tax (whether by the buyer or any other person).
- (5) The following rules apply if the subject-matter of none of the relevant transactions is a major interest in land—
- (a) where a single relevant acquisition is made in consideration of one or more relevant disposals, the chargeable consideration for the acquisition is the amount or value of any chargeable consideration other than the disposal or disposals that is given for the acquisition;
 - (b) where two or more relevant acquisitions are made in consideration of one or more relevant disposals, the chargeable consideration for each relevant acquisition is the appropriate proportion of the amount or value of any chargeable consideration other than the disposal or disposals that is given for the acquisitions.
- (6) For the purposes of sub-paragraph (5)(b) the appropriate proportion is—

$$\frac{MV}{TMV}$$

Figure 3 where—

MV is the market value of the subject-matter of the acquisition for which the chargeable consideration is being determined, and

TMV is the total market value of the subject-matter of all the relevant acquisitions.

- (7) This paragraph has effect subject to paragraph 6 (partition etc.: disregard of existing interest).
- (8) This paragraph does not apply in a case to which paragraph 18 (arrangements involving public or educational bodies) applies.

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

Partition etc.: disregard of existing interest

- 6 In the case of a land transaction giving effect to a partition or division of a chargeable interest to which persons are jointly entitled, the share of the interest held by the buyer immediately before the partition or division does not count as chargeable consideration.

Valuation of non-monetary consideration

- 7 Except as otherwise provided, the value of any chargeable consideration for a land transaction, other than—
- (a) money (whether in sterling or another currency), or
 - (b) debt as defined for the purposes of paragraph 8 (debt as consideration),
- is to be taken to be its market value at the effective date of the transaction.

Debt as consideration

- 8 (1) Where the chargeable consideration for a land transaction consists in whole or in part of—
- (a) the satisfaction or release of debt due to the buyer or owed by the seller, or
 - (b) the assumption of existing debt by the buyer,
- the amount of debt satisfied, released or assumed is to be taken to be the whole or, as the case may be, part of the chargeable consideration for the transaction.
- (2) But where the chargeable consideration for a land transaction consists in whole or in part of both—
- (a) the satisfaction or release of debt owed by the seller, and
 - (b) the assumption of that debt by the buyer,
- the amount of debt assumed is to be taken to be the whole or, as the case may be, part of the chargeable consideration for the transaction.
- (3) Where—
- (a) debt is secured on the subject-matter of a land transaction immediately before and immediately after the transaction, and
 - (b) the rights or liabilities in relation to that debt of any party to the transaction are changed as a result of or in connection with the transaction,
- then for the purposes of this paragraph there is an assumption of that debt by the buyer, and that assumption of debt constitutes chargeable consideration for the transaction.
- (4) Where in a case in which sub-paragraph (1)(b) or (2) applies—
- (a) the debt assumed is or includes debt secured on the property forming the subject-matter of the transaction, and
 - (b) immediately before the transaction there were two or more persons each holding an undivided share of that property, or there are two or more such persons immediately afterwards,
- the amount of secured debt assumed is to be determined as if the amount of that debt owed by each of those persons at a given time were the proportion of it corresponding to the person's undivided share of the property at that time.
- (5) For the purposes of sub-paragraph (4), each joint tenant of property is treated as holding an equal undivided share of it.

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (6) If the effect of this paragraph would be that the amount of the chargeable consideration for the transaction exceeded the market value of the subject-matter of the transaction, the amount of the chargeable consideration is treated as limited to that value.
- (7) In this paragraph—
- (a) “debt” means an obligation, whether certain or contingent, to pay a sum of money either immediately or at a future date,
 - (b) “existing debt”, in relation to a transaction, means debt created or arising before the effective date of, and otherwise than in connection with, the transaction, and
 - (c) references to the amount of a debt are to the principal amount payable or, as the case may be, the total of the principal amounts payable, together with the amount of any interest that has accrued due on or before the effective date of the transaction.

Cases where conditions for exemption not fully met

- 9 (1) Where a land transaction would be exempt from charge under paragraph 5 of Schedule 3 (assents and appropriations by personal representatives) but for sub-paragraph (2) of that paragraph (cases where person acquiring property gives consideration for it), the chargeable consideration for the transaction does not include the amount of any secured debt assumed.
- (2) In sub-paragraph (1) “secured debt” has the same meaning as in paragraph 5 of Schedule 3.
- (3) Where a land transaction would be exempt from charge under paragraph 6 of Schedule 3 (variation of testamentary dispositions etc.) but for a failure to meet the condition in sub-paragraph (2)(b) of that paragraph (no consideration other than variation of another disposition), the chargeable consideration for the transaction does not include the making of any variation as is mentioned in that sub-paragraph.

Conversion of amounts in foreign currency

- 10 (1) References in this Act to the amount or value of the consideration for a transaction are to its amount or value in sterling.
- (2) For the purposes of this Act, the sterling equivalent of an amount expressed in another currency is to be ascertained by reference to the London closing exchange rate on the effective date of the transaction (unless the parties have used a different rate for the purposes of the transaction).

Carrying out of works

- 11 (1) Where the whole or part of the consideration for a land transaction consists of the carrying out of works of construction, improvement or repair of a building or other works to enhance the value of land, then—
- (a) to the extent that the conditions specified in sub-paragraph (2) are met, the value of the works does not count as chargeable consideration, and
 - (b) to the extent that those conditions are not met, the value of the works is to be taken into account as chargeable consideration.

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (2) The conditions referred to in sub-paragraph (1) are—
- (a) that the works are carried out after the effective date of the transaction,
 - (b) that the works are carried out on land acquired or to be acquired under the transaction or on other land held by the buyer or a person connected with the buyer, and
 - (c) that it is not a condition of the transaction that the works are carried out by the seller or a person connected with the seller.
- (3) Where by virtue of—
- (a) section 10(5) (contract and transfer), or
 - (b) paragraph 20 of Schedule 6 (agreement for lease),
- there are two notifiable transactions (the first being the contract or agreement and the second being the transaction effected on completion or, as the case may be, the grant of the lease), the condition in sub-paragraph (2)(a) is treated as met in relation to the second transaction if it is met in relation to the first.
- (4) In this paragraph—
- (a) references to the acquisition of land are to the acquisition of a major interest in it;
 - (b) the value of the works is to be taken to be the amount that would have to be paid in the open market as at the effective date of the transaction for the carrying out of the works in question (including any value added tax that would be chargeable in respect of the carrying out of the works).
- (5) This paragraph is subject to paragraph 18 (arrangements involving public or educational bodies).

Provision of services

- 12 (1) Where the whole or part of the consideration for a land transaction consists of the provision of services (other than the carrying out of works to which paragraph 11 applies), the value of that consideration is to be taken to be the amount that would have to be paid in the open market as at the effective date of the transaction to obtain those services.
- (2) That amount includes any value added tax that would be chargeable in respect of the provision of the services.
- (3) This paragraph is subject to paragraph 18 (arrangements involving public or educational bodies).

Land transaction entered into by reason of employment

- 13 Where a land transaction is entered into by reason of the buyer's employment, or that of a person connected with the buyer, then—
- (a) if the transaction gives rise to a charge to tax under Chapter 5 of Part 3 of the Income Tax (Earnings and Pensions) Act 2003 (c. 1) (taxable benefits: living accommodation) and—
 - (i) no rent is payable by the buyer, or
 - (ii) the rent payable by the buyer is less than the cash equivalent of the benefit calculated under section 105 or 106 of that Act,

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

there is to be taken to be payable by the buyer as rent an amount equal to the cash equivalent chargeable under those sections;

- (b) if the transaction would give rise to a charge under that Chapter but for section 99 of that Act (accommodation provided for performance of duties), the consideration for the transaction is the actual consideration (if any);
- (c) if neither paragraph (a) nor paragraph (b) applies, the consideration for the transaction is to be taken to be not less than the market value of the subject-matter of the transaction as at the effective date of the transaction.

Indemnity given by buyer

- 14 Where the buyer agrees to indemnify the seller in respect of liability to a third party arising from breach of an obligation owed by the seller in relation to the land that is the subject of the transaction, neither the agreement nor any payment made in pursuance of it counts as chargeable consideration.

Buyer bearing inheritance tax liability

- 15 Where—
- (a) there is a land transaction that is—
 - (i) a transfer of value within section 3 of the Inheritance Tax Act 1984 (c. 51) (transfers of value), or
 - (ii) a disposition, effected by will or under the law of intestacy, of a chargeable interest comprised in the estate of a person immediately before the person's death,
- and
- (b) the buyer is or becomes liable to pay, agrees to pay or does in fact pay any inheritance tax due in respect of the transfer or disposition,
- the buyer's liability, agreement or payment does not count as chargeable consideration for the transaction.

Buyer bearing capital gains tax liability

- 16 (1) Where—
- (a) there is a land transaction under which the chargeable interest in question—
 - (i) is acquired otherwise than by a bargain made at arm's length, or
 - (ii) is treated by section 18 of the Taxation of Chargeable Gains Act 1992 (c. 12) (transactions between connected persons) as so acquired,
- and
- (b) the buyer is or becomes liable to pay, or does in fact pay, any capital gains tax due in respect of the corresponding disposal of the chargeable interest,
- the buyer's liability or payment does not count as chargeable consideration for the transaction.
- (2) Sub-paragraph (1) does not apply if there is chargeable consideration for the transaction (disregarding the liability or payment referred to in sub-paragraph (1) (b)).

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

Costs of enfranchisement

- 17 Costs borne by the buyer under section 9(4) of the Leasehold Reform Act 1967 (c. 88) or section 33 of the Leasehold Reform, Housing and Urban Development Act 1993 (c. 28) (costs of enfranchisement) do not count as chargeable consideration.

Arrangements involving public or educational bodies

- 18 (1) This paragraph applies in any case where arrangements are entered into under which—
- (a) there is a transfer, or the grant or assignment of a lease, of land by a qualifying body (“A”) to a person who is not a qualifying body (“B”) (“the main transfer”),
 - (b) in consideration (whether in whole or in part) of the main transfer there is a grant by B to A of a lease or sub-lease of the whole, or substantially the whole, of that land (“the leaseback”),
 - (c) B undertakes to carry out works or provide services to A, and
 - (d) some or all of the consideration given by A to B for the carrying out of those works or the provision of those services is consideration in money,
- whether or not there is also a transfer, or the grant or assignment of a lease, of any other land by A to B (a “transfer of surplus land”).
- (2) The following are qualifying bodies—
- (a) public bodies within paragraph 1 of Schedule 20 or specified in regulations under that paragraph (relief for certain transactions involving public bodies);
 - (b) institutions within the further education sector or the higher education sector within the meaning of section 91 of the Further and Higher Education Act 1992 (c. 13);
 - (c) further education corporations within the meaning of section 17 of that Act;
 - (d) higher education corporations within the meaning section 90 of that Act.
- (3) The following do not count as chargeable consideration for the main transfer or any transfer of surplus land—
- (a) the leaseback,
 - (b) the carrying out of building works by B for A, or
 - (c) the provision of services by B to A.
- (4) The chargeable consideration for the leaseback does not include—
- (a) the main transfer,
 - (b) any transfer of surplus land, or
 - (c) the consideration in money paid by A to B for the building works or other services referred to in sub-paragraph (3).
- (5) Sub-paragraphs (3) and (4) are to be disregarded for the purposes of determining whether the land transaction in question is notifiable.

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

SCHEDULE 5

(as introduced by section 24(10))

HIGHER RATES RESIDENTIAL PROPERTY TRANSACTIONS

PART 1

INTRODUCTORY

Overview

- 1 (1) This Schedule makes provision about higher rates residential property transactions.
- (2) This Schedule is arranged as follows—
- (a) Part 2 describes the chargeable transactions that are higher rates residential property transactions where the buyer is an individual and the transaction involves a dwelling;
 - (b) Part 3 describes the chargeable transactions that are higher rates residential property transactions where the buyer is an individual and the transaction involves multiple dwellings;
 - (c) Part 4 describes the chargeable transactions that are higher rates residential property transactions where the buyer is not an individual;
 - (d) Part 5 contains supplementary provision, including about returns and about the application of the provisions in Parts 2, 3 and 4 in specified circumstances;
 - (e) Part 6 contains interpretative provision.

PART 2

BUYER IS AN INDIVIDUAL: SINGLE DWELLING TRANSACTIONS

Introductory

- 2 This Part sets out when a chargeable transaction is a “higher rates residential property transaction” for the purpose of regulations under section 24(1)(b) in the case of a transaction involving a dwelling where the buyer is an individual.

Higher rates residential property transactions

- 3 (1) A chargeable transaction is a higher rates residential property transaction if—
- (a) it falls within sub-paragraph (2), and
 - (b) paragraph 5 applies.
- (2) A transaction falls within this sub-paragraph if—
- (a) the buyer is an individual,

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (b) the main subject-matter of the transaction consists of a major interest in a dwelling (“the purchased dwelling”), and
- (c) the chargeable consideration for the transaction is £40,000 or more.
- (3) But a transaction does not fall within sub-paragraph (2) if at the end of the day that is the effective date of the transaction—
- (a) the purchased dwelling is subject to a lease,
- (b) the main subject-matter of the transaction is reversionary on that lease, and
- (c) the lease meets the conditions set out in sub-paragraph (4).
- (4) The conditions are that—
- (a) the lease is not held by a person connected with the buyer, and
- (b) the lease has an unexpired term of more than 21 years.
- (5) This paragraph applies subject to the exceptions provided for in—
- (a) paragraph 7 (interest in same main residence exception), and
- (b) paragraph 8 (replacement of main residence exception).
- (6) In this Part of this Schedule, “purchased dwelling” has the meaning given by sub-paragraph (2)(b).
- 4 Where paragraph 9 applies, an intermediate transaction (within the meaning given by that paragraph) is to be treated as a higher rates residential property transaction.

Buyer has a major interest in other dwelling

- 5 (1) This paragraph applies in relation to a transaction if, at the end of the day that is the effective date of the transaction—
- (a) the buyer has a major interest in a dwelling other than the purchased dwelling, and
- (b) that interest has a market value of £40,000 or more.
- (2) But this paragraph does not apply if the interest described in sub-paragraph (1) is reversionary on a lease which—
- (a) is not held by a person connected with the buyer, and
- (b) has an unexpired term of more than 21 years.
- (3) Where the buyer is jointly entitled with one or more persons to the major interest referred to in sub-paragraph (1)(a), the reference in sub-paragraph (1)(b) to the market value of the interest is to the market value of the buyer's beneficial share in the interest as determined in accordance with sub-paragraph (4) or (5).
- (4) Where the buyer is beneficially entitled as a tenant in common, the market value of the buyer's beneficial share is equal to—

$$MV \times PI$$

Figure 4 where—

MV is the market value of the major interest, and

PI is—

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (a) the percentage of the interest to which the buyer is entitled, or
(b) where—
(i) the buyer and the buyer's spouse or civil partner are living together on the effective date of the transaction (for the meaning of “living together”, see paragraph 25(3)), and
(ii) taken together the buyer and the buyer's spouse or civil partner are entitled as tenants in common,

the percentage of the interest to which the buyer and the buyer's spouse or civil partner are so entitled.

- (5) Where the buyer is beneficially entitled as a joint tenant, the market value of the buyer's beneficial share is equal to—

$$\frac{MV}{JT}$$

Figure 5 where—

MV is the market value of the major interest, and

JT is the number of joint tenants entitled to the interest.

- (6) For the purpose of sub-paragraph (5), the buyer and the buyer's spouse or civil partner are to be treated as one joint tenant if—
(a) they are living together on the effective date of the transaction (for the meaning of “living together”, see paragraph 25(3)), and
(b) they are beneficially entitled as joint tenants to the interest.

Two or more buyers

- 6 Where there are two or more buyers who are individuals in a transaction—
(a) the transaction is a higher rates residential property transaction if paragraph 3 applies in relation to any one of the buyers;
(b) an intermediate transaction (within the meaning of paragraph 9(2)) is to be treated as a higher rates residential property transaction if paragraph 9 applies in relation to any one of the buyers.

Interest in same main residence exception

- 7 A transaction is not a higher rates residential property transaction under paragraph 3 if the main subject-matter of the transaction is a major interest in a dwelling—
(a) in which, immediately before the effective date of the transaction, the buyer had another major interest, and
(b) which, immediately before and after the effective date of the transaction, is the buyer's only or main residence.

Status: Point in time view as at 18/10/2017.

PART 3

BUYER IS AN INDIVIDUAL: MULTIPLE DWELLING TRANSACTIONS

Introductory

- 10 This Part sets out when a chargeable transaction is a “higher rates residential property transaction” for the purpose of regulations under section 24(1)(b) in the case of a transaction involving multiple dwellings where the buyer is an individual.

Higher rates residential property transaction

- 11 (1) A chargeable transaction is a higher rates residential property transaction if—
- (a) it falls within sub-paragraph (2), and
 - (b) paragraph 13 or 15 applies.
- (2) A transaction falls within this sub-paragraph if—
- (a) the buyer is an individual, and
 - (b) the main subject-matter of the transaction consists of a major interest in two or more dwellings (“the purchased dwellings”).
- (3) In this Part of this Schedule, “purchased dwellings” has the meaning given by sub-paragraph (2)(b).
- (4) Where paragraph 18 applies, an intermediate transaction (within the meaning given by that paragraph) is to be treated as a higher rates residential property transaction.
- (5) A transaction within section 72(9) is not a higher rates residential property transaction save where Schedule 13 applies (see in particular paragraph 6(6) of that Schedule).

Two or more buyers

- 12 Where there are two or more buyers who are individuals in a transaction—
- (a) the transaction is a higher rates residential property transaction if paragraph 11 applies in relation to any one of the buyers;
 - (b) an intermediate transaction (within the meaning given by paragraph 18(2)) is to be treated as a higher rates residential property transaction if paragraph 18 applies in relation to any one of the buyers.

Two or more qualifying dwellings

- 13 (1) This paragraph applies if at least two of the purchased dwellings are qualifying dwellings.
- (2) A purchased dwelling is a qualifying dwelling for the purposes of this Part of this Schedule if the amount of the chargeable consideration for the transaction which is attributable on a just and reasonable basis to the purchased dwelling is £40,000 or more.
- (3) But a purchased dwelling is not a qualifying dwelling if at the end of the day that is the effective date of the transaction—
- (a) the purchased dwelling is subject to a lease,

Status: Point in time view as at 18/10/2017.

(4) The conditions are that—

- (a) the lease is not held by a person connected with the buyer, and
- (b) the lease has an unexpired term of more than 21 years.

(5) A purchased dwelling is not a qualifying dwelling if the exception provided for in paragraph 14 applies (subsidiary dwelling exception).

Subsidiary dwelling exception

14 (1) A purchased dwelling is not a qualifying dwelling if it is subsidiary to any of the other purchased dwellings.

(2) For the purposes of this paragraph, one of the purchased dwellings (“dwelling A”) is subsidiary to another of the purchased dwellings (“dwelling B”) if—

- (a) dwelling A is situated within the grounds of, or within the same building as, dwelling B, and
- (b) the amount of the chargeable consideration for the transaction which is attributable on a just and reasonable basis to dwelling B is equal to, or greater than, two thirds of the amount of the chargeable consideration for the transaction which is attributable on a just and reasonable basis to the following combined—

- (a) is not held by a person connected with the buyer, and
- (b) has an unexpired term of more than 21 years.

(3) Where the buyer is jointly entitled with one or more persons to the major interest referred to in sub-paragraph (1)(b)(i), the reference in sub-paragraph (1)(b)(ii) to the market value of the interest is to the market value of the buyer's beneficial share in the interest as determined in accordance with sub-paragraph (4) or (5).

- (2) This sub-paragraph applies in relation to a transaction where—

 - (i) the major interest is, by virtue of paragraph 3(1) of Schedule 8, treated as if it were vested in the buyer, or
 - (ii) the buyer is, by virtue of paragraph 28, treated as holding the major interest.
- (3) This sub-paragraph applies in relation to a transaction where—
- (a) a person (“B”) is a beneficiary under a settlement where a major interest in the dwelling forms part of the trust property,
 - (b) under the terms of the settlement B is entitled to—
 - (i) occupy the dwelling for life, or
 - (ii) income earned in respect of the dwelling,
 - (c) there is a disposal of the whole or part of B's interest in the dwelling,
 - (d) immediately before the effective date of the transaction B is, by virtue of paragraph 28, treated as holding the major interest in the dwelling, and
 - (e) immediately after the effective date of the transaction the buyer is, by virtue of that paragraph, treated as holding the major interest.
- (4) In determining whether sub-paragraph (2) or (3) applies to a transaction, ignore paragraphs 30 and 35(5).
- 30 (1) This paragraph applies where, by reason of paragraph 27 or 28 or paragraph 3(1) of Schedule 8 (bare trusts), the child of a person (“P”) would (but for this paragraph) be treated for the purposes of this Schedule as—
- (a) being the buyer in relation to a land transaction,
 - (b) holding an interest in a dwelling, or
 - (c) having disposed of an interest in a dwelling.
- (2) Where this paragraph applies—
- (a) P and any spouse or civil partner of P are to be treated for the purposes of this Schedule as being the buyer, holding the interest or (as the case may be) having disposed of the interest, and
 - (b) the child is not to be so treated.

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (3) Sub-paragraph (2)(a) does not apply in relation to a spouse or civil partner of P if the two of them are not living together (for the meaning of which, see paragraph 25(3)).
- (4) This paragraph does not apply where—
- (a) a person (“D”) acquires, holds or disposes of, a major interest in a dwelling in a child's name or on the child's behalf,
 - (b) D does so in the exercise of powers conferred on D as the deputy of the child, and
 - (c) D holds or, in the case of a disposal, held, that interest on trust for the child.
- (5) In sub-paragraph (4), “deputy” means—
- (a) a person appointed under section 16 of the Mental Capacity Act 2005 (c. 9), or
 - (b) a person appointed to an equivalent position under the law of a country or territory outside England and Wales (and accordingly the reference to an interest being held on trust by such a person is to its being held on an equivalent basis under that law).
- 31 (1) This paragraph applies in relation to a land transaction if—
- (a) the main subject-matter of the transaction consists of a major interest in one or more dwellings,
 - (b) the buyer (or one of them) is acting as trustee of a settlement,
 - (c) that buyer is an individual, and
 - (d) under the terms of the settlement a beneficiary is not entitled to—
 - (i) occupy the dwelling or dwellings for life, or
 - (ii) income earned in respect of the dwelling or dwellings.
- (2) In determining whether paragraph 20 or 21 applies to the transaction—
- (a) if the buyer mentioned in sub-paragraph (1) is the only buyer, ignore sub-paragraph (1)(a) of those paragraphs, and
 - (b) if that buyer is not the only buyer, ignore sub-paragraph (1)(a) of those paragraphs when having regard to that buyer.

Partnerships

- 32 (1) Sub-paragraph (2) applies in relation to a chargeable transaction, the subject-matter of which consists of a major interest in one or more dwellings if—
- (a) the buyer (or one of them) is a partner in a partnership, but
 - (b) the buyer does not enter into the transaction for the purposes of the partnership.
- (2) For the purposes of determining whether paragraph 5 or 15 applies to the transaction, any major interest in any other dwelling that is held by or on behalf of the partnership for the purposes of a trade carried on by the partnership is not to be treated as held by or on behalf of the buyer.
- (3) Paragraph 4(1)(a) of Schedule 7 (chargeable interests held by partnerships treated as held by the partners) has effect subject to sub-paragraph (2).

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

Alternative finance arrangements

- 33 (1) This paragraph applies in relation to a chargeable transaction which is the first transaction under an alternative finance arrangement entered into between a person and a financial institution.
- (2) The person (rather than the institution) is to be treated for the purposes of this Schedule as the buyer in relation to the transaction.
- (3) In this paragraph—
- “alternative finance arrangement” (“*trefniant cyllid arall*”) means an arrangement of a kind mentioned in paragraph 2(1) or 3(1) of Schedule 10 (alternative property finance reliefs);
 - “financial institution” (“*sefydliad ariannol*”) has the meaning given by paragraph 8 of that Schedule;

Major interests in dwellings inherited jointly

- 34 (1) This paragraph applies where by virtue of an inheritance—
- (a) a person (“P”) becomes jointly entitled with one or more other persons to a major interest in a dwelling, and
 - (b) P's beneficial share in the interest does not exceed 50% (see sub-paragraph (4)).
- (2) P is not to be treated for the purposes of paragraph 5(1)(a) or 15(1)(b) as having the major interest at any time during the period of 3 years beginning with the date of the inheritance.
- (3) But if at any time during that period of 3 years P becomes the only person beneficially entitled to the whole of the interest or P's beneficial share in the interest exceeds 50% P is, from that time, to be treated as having the major interest for the purposes of the application of paragraphs 5(1)(a) and 15(1)(b) (subject to any disposal by P).
- (4) P's share in the interest exceeds 50% if—
- (a) P is beneficially entitled as a tenant in common or coparcener to more than half the interest,
 - (b) P and P's spouse or civil partner taken together are beneficially entitled as tenants in common or coparceners to more than half the interest, or
 - (c) P and P's spouse or civil partner are beneficially entitled as joint tenants to the interest and there is no more than one other joint tenant who is so entitled.
- (5) Sub-paragraph (4)(b) and (c) do not apply if, on the effective date of the transaction referred to in paragraph 5 or 15, P and P's spouse or civil partner are not living together (for the meaning of “living together”, see paragraph 25(3)).
- (6) In this paragraph “inheritance” means the acquisition of an interest in or towards satisfaction of an entitlement under or in relation to the will of a deceased person, or on the intestacy of a deceased person.

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (7) This paragraph applies in relation to an interest acquired following a person's death as a result of a variation of a disposition (whether effected by will, under the law relating to intestacy or otherwise) of property comprised in that person's estate made within the period of 2 years after the person's death, as it applies in relation to an inheritance; and in such a case the reference in sub-paragraph (2) to the date of the inheritance means the date of the acquisition of the interest in accordance with the variation.

What counts as a dwelling

- 36 (1) This paragraph sets out rules for determining what counts as a dwelling for the purposes of this Schedule.
- (2) A building or part of a building counts as a dwelling if—

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

Major interest not to include certain leases

VALID FROM 01/04/2018

PART 2

DURATION OF LEASE AND TREATMENT OF OVERLAPPING LEASES

Lease for a fixed term

- 2 In applying any provision of this Act to a lease for a fixed term no account is to be taken of—
- (a) any contingency as a result of which the lease may be terminated before the end of the fixed term, or
 - (b) any right of either party to terminate the lease or renew it.

Leases that continue after a fixed term

- 3 (1) This paragraph applies to—
- (a) a lease granted for a fixed term and thereafter until terminated, or
 - (b) a lease granted for a fixed term that may continue beyond the fixed term by operation of law.
- (2) For the purposes of this Act (except section 46 (notifiable transactions: exceptions)) a lease to which this paragraph applies is treated—
- (a) in the first instance as if it were a lease for the original fixed term and no longer;
 - (b) if the lease continues after the end of that term, as if it were a lease for a fixed term one year longer than the original fixed term;
 - (c) if the lease continues after the end of the term resulting from the application of paragraph (b), as if it were a lease for a fixed term two years longer than the original fixed term,
- and so on (but see sub-paragraph (5)).
- (3) For the purposes of section 46 (notifiable transactions: exceptions) a lease to which this paragraph applies is treated as granted for a period equal to the original fixed term.
- (4) Where—
- (a) a lease is treated, by virtue of sub-paragraph (2), as continuing for a period longer than the original fixed term, and
 - (b) as a result additional tax is payable in respect of a land transaction or tax is payable in respect of a land transaction where none was payable,
- the buyer must make a return or further return (including a self-assessment) in respect of the land transaction before the end of the period of 30 days beginning with the day after the end of the period for which the lease is treated as continuing.
- (5) Where—
- (a) a lease would, by virtue of sub-paragraph (2), be treated as continuing for a period (or further period) of one year, but
 - (b) it actually terminates at a time during that one year period,

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

the lease is to be treated as continuing under sub-paragraph (2) only until it terminates; and sub-paragraph (4) applies accordingly.

- (6) This paragraph is subject to paragraphs 4 and 8 (rent under a continuing lease to be treated as rent under a new lease).

Leases that continue after a fixed term: grant of a new lease

- 4 (1) This paragraph applies where—
- (a) (ignoring this paragraph) paragraph 3 would apply to treat a lease (“the original lease”) as if it were a lease for a fixed term one year longer than the original fixed term,
 - (b) during that one year period the tenant under that lease is granted a new lease of the same or substantially the same premises,
 - (c) the term of the new lease begins during that one year period, and
 - (d) paragraph 8 (tenant holding over: new lease backdated to previous year) does not apply.
- (2) Paragraph 3 does not apply to treat the lease as continuing after the original fixed term.
- (3) The term of the new lease is treated for the purposes of this Act as beginning with the day after the end of the original fixed term.
- (4) Any rent which, in the absence of this paragraph, would be payable under the original lease in respect of that one year period is to be treated as payable under the new lease (and paragraph 9(3) does not apply to that rent).
- (5) Where the fixed term of a lease has previously been treated as extended (on one or more occasions) under paragraph 3, this paragraph applies as if references to the original fixed term were references to the previously extended fixed term.

Leases for an indefinite term

- 5 (1) For the purposes of this Act (except section 46 (notifiable transactions: exceptions)) —
- (a) a lease for an indefinite term is treated in the first instance as if it were a lease for a fixed term of a year;
 - (b) if the lease continues after the end of the term resulting from the application of paragraph (a), it is treated as if it were a lease for a fixed term of 2 years;
 - (c) if the lease continues after the end of the term resulting from the application of paragraph (b), it is treated as if it were a lease for a fixed term of 3 years, and so on.
- (2) But where—
- (a) a lease is treated, by virtue of sub-paragraph (1) as if it were a lease for a fixed term of 2 or more years, and
 - (b) it actually terminates before the end of that fixed term,
- the lease is to be treated as continuing under sub-paragraph (1) only until it terminates; and sub-paragraph (5) applies accordingly.
- (3) For the purposes of section 46 (notifiable transactions: exceptions) a lease for an indefinite term is treated as granted for a period of less than 7 years.

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

(4) For the purposes of this Act, no account is to be taken of any other enactment deeming a lease for an indefinite term to be a lease for a different term.

(5) Where—

- (a) a lease is treated, by virtue of sub-paragraph (1), as being for a fixed term,
- (b) the lease continues after the end of that term and accordingly is treated as being for a longer fixed term, and
- (c) as a result of the lease continuing, additional tax is payable in respect of a land transaction or tax is payable in respect of a land transaction where none was payable,

the buyer must make a return or further return (including a self-assessment) in respect of the land transaction before the end of the period of 30 days beginning with the day after the end of the longer fixed term for which the lease is treated as continuing.

(6) Where—

- (a) a lease is treated, by virtue of sub-paragraph (1), as being for a fixed term of one year,
- (b) the lease actually terminates before the end of that fixed term, and
- (c) had the lease been granted for a fixed term ending on the date on which it actually terminates, less tax would have been chargeable than the amount assessed as such in the return made in respect of the grant of the lease,

the buyer may, within the period allowed for amendment of the return, amend it accordingly (for provision as to amendment of returns, see section 41 of TCMA).

Successive linked leases

6 (1) For the purposes of this Act a series of linked leases are treated as a single lease—

- (a) granted at the time of the grant of the first lease in the series,
- (b) for a term equal to the aggregate of the terms of all the leases, and
- (c) in consideration of the rent payable under all of the leases.

(2) Two or more leases constitute ““a series of linked leases”” if they—

- (a) are successive leases granted or treated as granted (whether at the same time or at different times) of the same or substantially the same premises, and
- (b) are linked transactions.

(3) The grant of later leases in the series is accordingly disregarded for the purposes of this Act except section 51 (return or further return in consequence of later linked transaction).

Rent for overlap period in case of grant of further lease

7 (1) This paragraph applies where—

- (a) the tenant under a lease (““the old lease””) surrenders it to the landlord and in consideration of that surrender the landlord grants a lease to the tenant of the same or substantially the same premises (““the new lease””),
- (b) the tenant under a lease (““the old lease””) of premises to which Part 2 of the Landlord and Tenant Act 1954 (c. 56) (security of tenure for business, professional and other tenants) applies, makes a request for a new tenancy (““the new lease””) which is then executed,

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (c) on termination of a lease (“the head lease”) a sub-tenant is granted a lease (“the new lease”) of the same or substantially the same premises as those comprised in the sub-tenant's original lease (“the old lease”) in pursuance of—
- (i) an order of a court on a claim for relief against re-entry or forfeiture, or
 - (ii) a contractual entitlement arising in the event of the head lease being terminated, or
- (d) a person who has guaranteed the obligations of a tenant under a lease that has been terminated (“the old lease”) is granted a lease of the same or substantially the same premises (“the new lease”) in pursuance of the guarantee.

(2) For the purposes of this Act, the rent payable under the new lease in respect of any period falling within the overlap period is treated as reduced by the amount of the taxable rent that would have been payable in respect of that period under the old lease (but it cannot be treated as being reduced to a negative amount).

(3) For the purposes of sub-paragraph (2)—

- (a) the “overlap period” is the period between the date of the grant of the new lease and what would have been the end of the term of the old lease had it not been terminated;
- (b) rent is “taxable” if or to the extent that it is taken into account in determining the tax chargeable in respect of the acquisition of the old lease.

Tenant holding over: new lease backdated to previous year

8 (1) This paragraph applies where—

- (a) the tenant under a lease (“the old lease”) continues in occupation after the date on which, under its terms, the lease terminates (“the contractual termination date”),
- (b) the tenant is granted a lease of the same or substantially the same premises (“the new lease”),
- (c) the new lease is granted on a date falling more than one year after the contractual termination date, and
- (d) the term of the new lease is expressed to begin on a date falling within the period —
 - (i) beginning with the contractual termination date, and
 - (ii) ending with the latest anniversary of that date falling before the date on which the new lease is granted,
 (“the whole years of holdover”).

(2) The term of the new lease is treated for the purposes of this Act as beginning with the date on which it is expressed to begin.

(3) The rent payable under the new lease in respect of the period—

- (a) beginning with the date on which the new lease is expressed to begin, and
- (b) ending at the end of the whole years of holdover,

is treated for the purposes of this Act as reduced by the amount of taxable rent payable in respect of the holdover tenancy for that period (but it cannot be treated as being reduced to a negative amount).

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (4) The holdover tenancy is treated for the purposes of this Act as a lease for a fixed term ending at the end of the whole years of holdover.
- (5) For the purposes of this paragraph—
- (a) ““holdover tenancy”” means—
- (i) the old lease if it continues beyond the contractual termination date (whether by virtue of the lease being granted for a fixed term and thereafter until terminated or by operation of law), or
- (ii) any other tenancy of the same or substantially the same premises by virtue of which the tenant under the old lease continues in occupation after the contractual termination date;
- (b) rent is ““taxable”” if or to the extent that it is taken into account in determining the tax chargeable in respect of the acquisition of the holdover tenancy.

VALID FROM 01/04/2018

PART 3

RENT AND OTHER CONSIDERATION

Rent

- 9 (1) For the purposes of this Act, a single sum expressed to be payable in respect of rent and other matters but not apportioned is to be treated as entirely rent.
- (2) Sub-paragraph (1) is without prejudice to the application of paragraph 4 of Schedule 4 (chargeable consideration: just and reasonable apportionment) where separate sums are expressed to be payable in respect of rent and other matters.
- (3) For the purposes of this Act, ““rent”” does not include any chargeable consideration for the grant of a lease that is payable in respect of a period before the grant of the lease.

Variable or uncertain rent

- 10 (1) This paragraph applies where the amount of rent payable under a lease—
- (a) varies in accordance with provision in the lease, or
- (b) is contingent, uncertain or unascertained.
- (2) As regards rent payable in respect of any period before the end of the fifth year of the term of the lease—
- (a) this Act applies as in relation to other chargeable consideration, and
- (b) accordingly sections 19 and 20 apply if the amount is contingent, uncertain or unascertained.
- (3) As regards rent payable in respect of any period after the end of the fifth year of the term of the lease, the annual amount of rent is assumed, in every case, to be the equal to the highest amount of rent payable in respect of any period of 12 consecutive months in the first 5 years of the term.

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (4) In determining that amount—
- (a) disregard paragraphs 7(2) and 8(3) (where further lease granted, deemed reduction of rent for overlap period), and
 - (b) if necessary, take into account any amounts determined in accordance with sub-paragraph (2)(b).
- (5) This paragraph is subject to paragraph 12 (adjustment where rent ceases to be uncertain).
- (6) For the purposes of this paragraph and paragraph 12, the cases where the amount of rent payable under a lease is uncertain or unascertained include cases where there is a possibility of that amount being varied under—
- (a) section 12, 13 or 33 of the Agricultural Holdings Act 1986 (c. 5) (provisions relating to increases, reductions and other variations of rent), or
 - (b) Part 2 of the Agricultural Tenancies Act 1995 (c. 8) (rent review under farm business tenancy).
- (7) For the purposes of this Act, no account is to be taken of any provision for rent to be adjusted in line with the retail prices index, consumer prices index or any other similar index used to express a rate of inflation.

First rent review in final quarter of fifth year

- 11 Where—
- (a) a lease contains provision under which the rent may be adjusted,
 - (b) under that provision the first (or only) such adjustment—
 - (i) is to an amount that (before that adjustment) is uncertain, and
 - (ii) has effect from a date (the “review date”) that is expressed as falling 5 years after a specified date, and
 - (c) the specified date falls within the period of 3 months before the beginning of the term of the lease,
- this Act applies as if references to the first 5 years of the term of the lease were to the period beginning with the start of the term and ending with the review date and references to the fifth year of the term of the lease are to be read accordingly.

Adjustment of tax where rent determined on reconsideration date

- 12 (1) Where, in the case of a land transaction relating to a lease—
- (a) section 19 or 20 (contingent, uncertain or unascertained consideration) applies to the land transaction by virtue of paragraph 10, and
 - (b) the reconsideration date is reached,
- the buyer in the transaction must, on the reconsideration date, determine the rent paid or payable in respect of the first 5 years of the term of the lease.
- (2) Paragraphs 13 and 14 make provision for the adjustment of tax payable in respect of a land transaction (and of any transaction linked to such a transaction) as a result of such a determination.

(c) no later than the end of the period of 12 months beginning with the filing date for the return, that rent ceases to be uncertain,

the buyer must amend the return in accordance with section 41 of TCMA.

Overpayment of tax where rent determined on reconsideration date

PART 4

AGREEMENTS FOR LEASE, ASSIGNMENTS AND VARIATIONS

Agreement for lease

- 20 (1) Where—
- (a) an agreement for a lease is entered into, and
 - (b) the agreement is substantially performed without having been completed, the agreement is treated for the purposes of this Act as if it were the grant of a lease in accordance with the agreement (“the notional lease”), beginning with the date of substantial performance.
- (2) The effective date of the transaction is the date of substantial performance of the agreement.
- (3) For the purposes of this paragraph the agreement is completed by the grant of a lease (“the actual lease”) in substantial conformity with the agreement.
- (4) Where the actual lease is subsequently granted the notional lease is treated for the purposes of this Act as if it were a lease granted—
- (a) on the date of substantial performance of the agreement,
 - (b) for a term beginning with that date and ending at the end of the term of the actual lease, and
 - (c) in consideration of the total rent payable over that term and any other consideration given for the agreement or the actual lease.
- (5) Where sub-paragraph (4) applies the grant of the actual lease is disregarded for the purposes of this Act except section 51 (return or further return in consequence of later linked transaction).
- (6) For the purposes of section 51—
- (a) the grant of the notional lease and the grant of the actual lease are linked (whether or not they would be linked by virtue of section 8),
 - (b) the tenant under the actual lease (rather than the tenant under the notional lease) is liable for any tax or additional tax chargeable in respect of the notional lease as a result of sub-paragraph (4), and

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

(c) the reference in section 51(2) to “the buyer in the earlier transaction” is to be read, in relation to the notional lease, as a reference to the tenant under the actual lease.

(7) Where—

(a) sub-paragraph (1) applies, and

(b) within the period of 12 months beginning with the date of substantial performance of the agreement, the agreement is (to any extent) rescinded or annulled, or is for any other reason not carried into effect, and

(c) in consequence, the return made in respect of the agreement is amended, the tax paid by virtue of that sub-paragraph must (to that extent) be repaid by WRA.

(8) For the purposes of the application of section 14(1) (substantial performance) to this paragraph and paragraph 21 any agreement for lease is to be treated as a contract.

Assignment of agreement for lease

21 (1) This paragraph applies where a person (“P”) assigns P's interest as tenant under an agreement for lease.

(2) Where this paragraph applies Schedule 2 (transactions entered into before completion of contract) does not apply.

(3) If the assignment occurs without the agreement having been substantially performed, section 10 (contract and transfer) has effect as if—

(a) the agreement were with the assignee (“A”) and not P, and

(b) the consideration given by A for entering into the agreement included any consideration given by A for the assignment.

(4) If the assignment occurs after the agreement has been substantially performed—

(a) the assignment is a separate land transaction, and

(b) the effective date of that transaction is the date of the assignment.

(5) Where there are successive assignments, this paragraph has effect in relation to each one of them.

Cases where assignment of lease treated as grant of lease

22 (1) This paragraph applies where the grant of a lease is relieved from tax by virtue of any of the provisions specified in sub-paragraph (4).

(2) The first assignment of the lease that is not relieved from tax by virtue of any of the provisions specified in sub-paragraph (4), and in relation to which the assignee does not acquire the lease as a bare trustee of the assignor, is treated for the purposes of this Act as if it were the grant of a lease by the assignor—

(a) for a term equal to the unexpired term of the lease referred to in sub-paragraph (1), and

(b) on the same terms as those on which the assignee holds the lease after the assignment.

(3) Sub-paragraph (2) does not apply where an assignment of a lease, but for the application of that sub-paragraph, would be relieved from tax by virtue of Schedule 11 (alternative finance investment bonds).

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (4) The provisions are—
- (a) Schedule 9 (sale and leaseback relief);
 - (b) paragraphs 13 and 15 of Schedule 11 (alternative finance investment bond relief);
 - (c) Schedule 16 (group relief);
 - (d) Schedule 17 (reconstruction and acquisition relief);
 - (e) Schedule 18 (charities relief);
 - (f) paragraph 1 of Schedule 20 (relief for certain acquisitions involving public bodies).
- (5) This paragraph does not apply where the relief in question is group relief, reconstruction or acquisition relief or charities relief and is withdrawn as a result of a disqualifying event occurring before the effective date of the assignment.
- (6) For the purposes of sub-paragraph (5), “disqualifying event” means—
- (a) in relation to the withdrawal of group relief, the event falling within paragraph 8(2)(a) of Schedule 16 (buyer ceasing to be a member of the same group as the seller) as read with paragraph 9 of that Schedule;
 - (b) in relation to the withdrawal of reconstruction or acquisition relief, the change of control of the acquiring company mentioned in paragraph 5(2) of Schedule 17 or, as the case may be, the event mentioned in paragraph 7(2) or (3) of that Schedule;
 - (c) in relation to the withdrawal of charities relief, a disqualifying event as defined in paragraph 2(4) or 5(2)(b) of Schedule 18.

Assignment of lease

- 23 (1) Where a lease is assigned, anything that but for the assignment would be required or authorised to be done by or in relation to the assignor under or by virtue of—
- (a) section 47 (contingency ceases and consideration is ascertained: duty to make return),
 - (b) section 51 (return or further return in consequence of later linked transaction),
 - (c) paragraph 3 or 5 of this Schedule (return or further return required where fixed term or indefinite term lease continues), or
 - (d) paragraphs 12, 13 and 14 of this Schedule (adjustment where rent ceases to be uncertain),
- must, if the event giving rise to the adjustment or return occurs after the effective date of the assignment, be done instead by or in relation to the assignee.
- (2) So far as necessary for giving effect to sub-paragraph (1) anything previously done by or in relation to the assignor is to be treated as if it had been done by or in relation to the assignee.
- (3) This paragraph does not apply if the assignment is treated as the grant of a lease by the assignor (see paragraph 22).

Reduction of rent or term or other variation of lease

- 24 (1) Where a lease is varied so as to reduce the amount of the rent, the variation is treated for the purposes of this Act as an acquisition of a chargeable interest by the tenant.

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (2) Where any consideration in money or money's worth (other than an increase in rent) is given by the tenant for any variation of a lease, other than a variation of the amount of the rent or of the term of the lease, the variation is treated for the purposes of this Act as an acquisition of a chargeable interest by the tenant.
- (3) Where a lease is varied so as to reduce the term, the variation is treated for the purposes of this Act as an acquisition of a chargeable interest by the landlord.

Increase of rent treated as grant of new lease: variation of lease in first 5 years

- 25
- (1) Where a lease is varied so as to increase the amount of rent as from a date before the end of the fifth year of the term of the lease, the variation is treated for the purposes of this Act as if it were the grant of a lease in consideration of the additional rent made payable by it.
 - (2) Sub-paragraph (1) does not apply to an increase of rent in pursuance of—
 - (a) a provision contained in the lease before it was varied, or
 - (b) a provision mentioned in paragraph 10(6)(a) or (b) (variations of certain agricultural leases).

II Sch. 6 para. 28 in force at 18.10.2017 by S.I. 2017/953, art. 2(g)(i)

VALID FROM 01/04/2018

Calculation of tax chargeable in respect of rent: non-residential and mixed leases

29

In the case of the acquisition of a non-residential lease or mixed lease, the amount of tax chargeable on so much of the chargeable consideration as consists of rent is to be calculated as follows (unless paragraph 30 (linked transactions) applies).

Step 1 Calculate the net present value (the “NPV”) of the rent payable over the term of the lease (see paragraph 31).

Step 2 For each tax band applicable to the acquisition, multiply so much of the NPV as falls within the band by the tax rate for that band.

Step 3 Calculate the sum of the amounts reached under Step 2. The result is the amount of tax chargeable in respect of rent.

VALID FROM 01/04/2018

Calculation of tax chargeable in respect of rent: linked transactions

30

Where the acquisition of a non-residential lease or mixed lease is one of a number of linked transactions for which the chargeable consideration consists of or includes rent, the amount of tax chargeable in respect of the rent is to be calculated as follows.

Step 1 Calculate the total of the net present values (the “TNPV”) of the rent payable over the terms of all the linked leases (see paragraph 31).

Step 2 For each tax band applicable to the acquisition, multiply so much of the TNPV as falls within the band by the tax rate for that band.

Step 3 Calculate the sum of the amounts reached under Step 2. The result is the total tax chargeable in respect of rent.

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

Step 4 Divide the NPV of the rent payable over the term of the lease in question by the TNPV.

Step 5 Multiply the total tax chargeable in respect of rent by the fraction reached under Step 4. The result is the amount of tax chargeable in respect of rent for the lease in question.

VALID FROM 01/04/2018

Net present value

31 The NPV of the rent payable over the term of a lease is calculated by applying the following formula—

VALID FROM 01/04/2018

Temporal discount rate

32 For the purposes of paragraph 31 the “temporal discount rate” is 3.5% or such other rate as the Welsh Ministers may by regulations specify.

VALID FROM 01/04/2018

Tax chargeable in respect of consideration other than rent: general

33 (1) Where in the case of an acquisition of a lease there is chargeable consideration other than rent, the provisions of this Act apply in relation to that consideration as in relation to other chargeable consideration (but see paragraphs 34 and 35).

(2) Tax chargeable under this Part of this Schedule in respect of rent is in addition to any tax chargeable under any provision of this Act in respect of consideration other than rent.

VALID FROM 01/04/2018

Tax chargeable in respect of consideration other than rent: no zero rate band for non-residential leases

34 (1) This paragraph applies in the case of an acquisition of a non-residential lease where—

(a) there is chargeable consideration other than rent, and

(b) section 27 (amount of tax chargeable: transactions which are not linked) or 28 (amount of tax chargeable: linked transactions) applies to the acquisition.

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (2) If the relevant rent is at least the specified amount, the zero rate band does not apply in relation to the consideration other than rent and, accordingly, any case which would have fallen within that band is treated as falling within the next tax band.

VALID FROM 01/04/2018

Tax chargeable in respect of consideration other than rent: mixed leases

- 35 (1) This paragraph applies in the case of an acquisition of a mixed lease where—
- (a) there is chargeable consideration other than rent, and
 - (b) the relevant rent attributable, on a just and reasonable apportionment, to the land which is not residential property is at least the specified amount.
- (2) For the purpose of determining the amount of tax chargeable in relation to the consideration other than rent, the transaction (or where it is one of a number of linked transactions, that set of transactions) is treated as if it were two separate but linked transactions (or two separate sets of linked transactions which are themselves linked) namely—
- (a) one whose subject-matter consists of all the land that is residential property (and section 28 (amount of tax chargeable: linked transactions) applies accordingly), and
 - (b) one whose subject-matter consists of all the land that is not residential property (and that section as modified by paragraph 34 applies accordingly).
- (3) For that purpose, the chargeable consideration attributable to each of those separate transactions (or sets of linked transactions) is the chargeable consideration so attributable on a just and reasonable basis.

Relevant rent

- 36 (1) In paragraphs 34 and 35—
- (a) “the relevant rent” means—
 - (i) the annual rent in relation to the transaction in question, or
 - (ii) if that transaction is one of a number of linked transactions for which the chargeable consideration consists of or includes rent, the total of the annual rents in relation to all of those transactions;
 - (b) “the specified amount” means an amount of relevant rent specified by the Welsh Ministers by regulations.
- (2) In sub-paragraph (1)(a) “the annual rent” means—
- (a) the average annual rent over the term of the lease, or
 - (b) if—
 - (i) different amounts of rent are payable for different parts of the term, and
 - (ii) those amounts (or any of them) are ascertainable at the effective date of the transaction,the average annual rent over the term for which the highest ascertainable rent is payable.

Step 1 Identify the relevant owner or owners (see paragraph 15).

Step 2 For each relevant owner, identify the corresponding partner or partners (see paragraph 16). If there is no relevant owner with a corresponding partner, the sum of the lower proportions is zero.

Step 3 For each relevant owner, find the proportion of the chargeable interest to which the owner was entitled immediately before the transaction. Apportion that proportion between any one or more of the relevant owner's corresponding partners.

Step 4 Find the lower of the following (“the lower proportion”) for each corresponding partner—

- (a) the proportion of the chargeable interest attributable to the partner (see paragraph 17);

Proportion of chargeable interest attributable to corresponding partner

- 17 For the purposes of paragraph 14 (Step 4), the proportion of the chargeable interest attributable to a corresponding partner is—
- (a) if the partner is a corresponding partner in relation to only one relevant owner, the proportion (if any) of the chargeable interest apportioned to that partner (at Step 3) in respect of that owner;
 - (b) if the partner is a corresponding partner in relation to more than one relevant owner, the sum of the proportions (if any) of the chargeable interest apportioned to that partner (at Step 3) in respect of each of those owners.

- (2) For the purposes of this Act, the partnership transfer—
- (a) is taken to be a land transaction, and
 - (b) is a chargeable transaction.

PART 5

TRANSACTIONS INVOLVING TRANSFERS FROM A PARTNERSHIP

Introduction

20 This Part of this Schedule makes provision about the treatment of certain land transactions involving the transfer of a chargeable interest from a partnership.

Transfer of chargeable interest from a partnership: general

- 21 (1) This paragraph applies where a chargeable interest is transferred—
- (a) from a partnership to a person who is or has been one of the partners, or
 - (b) from a partnership to a person connected with a person who is or has been one of the partners.
- (2) The chargeable consideration for the transaction is (subject to paragraph 30) taken to be equal to—

$$MV \times (100 - SLP)\%$$

Figure 10 where—

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

MV is the market value of the interest transferred, and

SLP is the sum of the lower proportions.

- (3) Paragraph 22 provides for determining the sum of the lower proportions.
- (4) Part 7 applies if the whole or part of the chargeable consideration for the transaction is rent.
- (5) For the purposes of this paragraph, property that was partnership property before the partnership was dissolved or otherwise ceased to exist is to be treated as remaining partnership property until it is distributed.
- (6) This paragraph has effect subject to any election under paragraph 36.

Transfer of chargeable interest from a partnership: sum of the lower proportions

22 The sum of the lower proportions in relation to a transaction to which paragraph 21 applies is determined as follows—

Step 1 Identify the relevant owner or owners (see paragraph 23).

Step 2 For each relevant owner, identify the corresponding partner or partners (see paragraph 24). If there is no relevant owner with a corresponding partner, the sum of the lower proportions is zero.

Step 3 For each relevant owner, find the proportion of the chargeable interest to which that owner is entitled immediately after the transaction. Apportion that proportion between any one or more of the relevant owner's corresponding partners.

Step 4 Find the lower of the following (“the lower proportion”) for each corresponding partner—

- (a) the proportion of the chargeable interest attributable to the partner (see paragraph 25);
- (b) the partnership share attributable to the partner (see paragraphs 26 and 27).

Step 5 Add together the lower proportions of each corresponding partner. The result is the sum of the lower proportions.

Relevant owner

- 23 (1) For the purposes of paragraph 22 (see Step 1), a person is a relevant owner if—
- (a) immediately after the transaction, that person is entitled to a proportion of the chargeable interest, and
 - (b) immediately before the transaction, that person was a partner or connected with a partner.
- (2) For the purposes of paragraph 22 and this paragraph, persons who are entitled to a chargeable interest as beneficial joint tenants are to be taken to be entitled to the chargeable interest as beneficial tenants in common in equal shares.

Corresponding partner

- 24 (1) For the purposes of paragraph 22 (see Step 2), a person is a corresponding partner in relation to a relevant owner if, immediately before the transaction—

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (a) the person was a partner, and
- (b) the person was the relevant owner or was an individual connected with the relevant owner.

(2) For the purpose of sub-paragraph (1)(b), a company is to be treated as an individual connected with the relevant owner if it—

- (a) holds property as trustee, and
- (b) is connected with the relevant owner only because of section 1122(6) of the Corporation Tax Act 2010 (c. 4) (as it has effect with the omission of subsection (6)(c) to (e)).

Proportion of chargeable interest attributable to corresponding partner

25 For the purposes of paragraph 22 (see Step 4), the proportion of the chargeable interest attributable to a corresponding partner is—

- (a) if the partner is a corresponding partner in relation to only one relevant owner, the proportion (if any) of the chargeable interest apportioned to that partner (at Step 3) in respect of that owner;
- (b) if the partner is a corresponding partner in relation to more than one relevant owner, the sum of the proportions (if any) of the chargeable interest apportioned to that partner (at Step 3) in respect of each of those owners.

*Partnership share attributable to corresponding partner:
effective date of transfer before 20 October 2003*

26 (1) This paragraph applies for the purposes of paragraph 22 (see Step 4) where the effective date of the transfer of the relevant chargeable interest to the partnership was before 20 October 2003.

(2) Where this paragraph applies, the partnership share attributable to a corresponding partner is to be determined, as follows—

Step 1 Find the partner's actual partnership share on the relevant date. The relevant date—

- (a) if the partner was a partner on 19 October 2003, is that date;
- (b) if the partner became a partner after that date, is the date on which the partner became a partner.

Step 2 Add to that partnership share any increases in the partner's partnership share which—

- (a) occur in the period beginning with the day after the relevant date and ending immediately before the transaction to which paragraph 22 applies, and
- (b) count for this purpose (see sub-paragraph (5)).

The result is the increased partnership share.

Step 3 Deduct from the increased partnership share any decreases in the partner's partnership share which occur in the period beginning with the day after the relevant date and ending immediately before the transaction to which paragraph 22 applies. The result is the partnership share attributable to the partner.

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (3) If the effect of applying Step 3 would be to reduce the partnership share attributable to the partner below zero, the partnership share attributable to the partner is zero.
- (4) If the partner ceased to be a partner before 19 October 2003, the partnership share attributable to the partner is zero.
- (5) An increase counts for the purpose of Step 2 only if the instrument by which the transfer was effected has been stamped with ad valorem stamp duty.
- (6) In this paragraph and paragraph 27, the relevant chargeable interest is—
 - (a) the chargeable interest which ceases to be partnership property as a result of the transaction to which paragraph 22 applies, or
 - (b) where the transaction to which paragraph 22 applies is the creation of a chargeable interest, the chargeable interest out of which that interest is created.

*Partnership share attributable to corresponding partner:
 effective date of transfer on or after 20 October 2003*

- 27
- (1) This paragraph applies for the purposes of paragraph 22 (see Step 4) where the effective date of the transfer of the relevant chargeable interest to the partnership was on or after 20 October 2003.
 - (2) Where this paragraph applies and neither of the conditions in sub-paragraph (3) is met, the partnership share attributable to the partner is zero.
 - (3) The conditions are—
 - (a) the instrument by which the transfer was effected has been stamped with ad valorem stamp duty;
 - (b) any land transaction tax or, as the case may be, stamp duty land tax payable in respect of the transfer has been paid.
 - (4) Where this paragraph applies, and one of the conditions in sub-paragraph (3) is met, the partnership share attributable to the partner is determined as follows—
 - Step 1* Find the partner's actual partnership share on the relevant date. The relevant date—
 - (a) if the partner was a partner on the effective date of the transfer of the relevant chargeable interest to the partnership, is that date;
 - (b) if the partner became a partner after that date, is the date on which the partner became a partner.
 - Step 2* Add to that partnership share any increases in the partner's partnership share which—
 - (a) occur in the period beginning with the day after the relevant date and ending immediately before the transaction to which paragraph 22 applies, and
 - (b) count for this purpose (see sub-paragraph (7)).

The result is the increased partnership share.

Step 3 Deduct from the increased partnership share any decreases in the partner's partnership share which occur in the period starting on the day after the relevant date and ending immediately before the transaction to which paragraph 22 applies. The result is the partnership share attributable to the partner.

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (5) If the effect of applying Step 3 would be to reduce the partnership share attributable to the partner below zero, the partnership share attributable to the partner is zero.
- (6) If the partner ceased to be a partner before the effective date of the transfer of the relevant chargeable interest to the partnership, the partnership share attributable to the partner is zero.
- (7) An increase counts for the purpose of Step 2 only if—
 - (a) where the transfer which resulted in the increase took place on or before 22 July 2004, the instrument by which the transfer was effected has been stamped with ad valorem stamp duty;
 - (b) where the transfer which resulted in the increase took place after that date, any land transaction tax or, as the case may be, stamp duty land tax payable in respect of the transfer has been paid.

PART 2

THE RELIEFS

Land sold to financial institution and leased to a person

- 2 (1) This paragraph applies where arrangements are entered into between a person (“P”) and a financial institution under which—
- (a) the institution purchases a major interest in land or an undivided share of a major interest in land (“the first transaction”),
 - (b) where the interest purchased is an undivided share, the major interest is held on trust for the institution and P as beneficial tenants in common,
 - (c) the institution (or the person holding the land on trust as mentioned in paragraph (b)) grants to P out of the major interest a lease (if the major interest is freehold) or a sub-lease (if the major interest is leasehold) (“the second transaction”), and
 - (d) the institution and P enter into an agreement under which P has a right to require the institution or its successor in title to transfer to P (in one transaction or a series of transactions) the whole interest purchased by the institution under the first transaction.
- (2) The first transaction is relieved from tax if the seller is—
- (a) P, or
 - (b) another financial institution by whom the interest was acquired under arrangements of the kind mentioned in sub-paragraph (1) entered into between it and P.
- (3) The second transaction is relieved from tax if the provisions of this Act and TCMA relating to the first transaction are complied with (including any requirement to pay tax chargeable on the first transaction).
- (4) A transfer to P that results from the exercise of the right mentioned in sub-paragraph (1)(d) (“a further transaction”) is relieved from tax if—
- (a) the provisions of this Act and TCMA relating to the first and second transactions are complied with, and
 - (b) at all times between the second transaction and the further transaction—
 - (i) the interest purchased under the first transaction is held by a financial institution so far as not transferred by a previous further transaction, and
 - (ii) the lease or sub-lease granted under the second transaction is held by P.
- (5) The agreement mentioned in sub-paragraph (1)(d) is not to be treated—
- (a) as substantially performed unless and until the whole interest purchased by the institution under the first transaction has been transferred to P (and accordingly section 14(1) does not apply), nor
 - (b) as a distinct land transaction by virtue of section 15 (options and rights of pre-emption).
- (6) A further transaction that is relieved from tax by virtue of sub-paragraph (4) is not a notifiable transaction unless it involves the transfer to P of the whole interest

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (2) The first transaction is relieved from tax if the seller is—
- (a) P, or
 - (b) another financial institution by whom the interest was acquired under other arrangements of the kind mentioned in paragraph 2(1) entered into between it and P.
- (3) The second transaction is relieved from tax if the financial institution complies with the provisions of this Act and TCMA relating to the first transaction and, where that includes a requirement to pay tax chargeable on the first transaction, the tax so chargeable must be based on chargeable consideration that is not less than the market value of the interest and, in the case of the grant of a lease at a rent, the market rent.
- (4) For the purposes of sub-paragraph (3), the market rent of a lease at any time is the rent which the lease might reasonably be expected to fetch at that time in the open market.

References to P where P is an individual who has died

- 4 References in paragraphs 2 and 3 to P are to be read, in relation to times after P has died, as references to P's personal representatives.

PART 3

PART 2

ISSUE, TRANSFER AND REDEMPTION OF RIGHTS UNDER BOND NOT TO BE TREATED AS CHARGEABLE TRANSACTION

Bond-holder not to be treated as having an interest in the bond assets

3 For the purposes of this Act—

- (a) the bond-holder under an alternative finance investment bond is not treated as having an interest in the bond assets;
- (b) the bond-issuer under such a bond is not treated as a trustee of the bond assets.

Bond-holder treated as having an interest if control of underlying asset acquired

4 (1) Paragraph 3 does not apply if control of the underlying asset is acquired by—

- (a) a bond-holder, or
- (b) a group of connected bond-holders.

(2) A bond-holder (“BH”), or a group of connected bond-holders, acquires control of the underlying asset if—

 - (b) as soon as reasonably practicable after BH (or any of the bond-holders) becomes aware that the acquisition enables that exercise, BH transfers (or some or all of the bond-holders) transfer sufficient rights for that exercise no longer to be possible.
- (5) The second case is where BH—
- (a) underwrites a public offer of rights under the bond, and
 - (b) does not exercise the right of management and control of the bond assets.
- (6) In this paragraph, ““underwrite””, in relation to an offer of rights under a bond, means to agree to make payments of capital under the bond in the event that other persons do not make those payments.

- (a) the bond-holder, or
 - (b) a group of connected bond-holders.
- (2) A bond-holder (“BH”), or a group of connected bond-holders, acquires control of the underlying asset if—

 - (b) B ceases to hold the original land as a bond asset (and accordingly, transfers it to A) before the termination of the alternative finance investment bond,

 - (d) the value of the interest in the replacement land at the time it is transferred from A to B is greater than or equal to the market value of the interest in the original land on the effective date of the first transaction relating to the original land.
- (2) In relation to the original land, condition 6 does not need to be met if conditions 1, 2, 3, 6 and 7 (as modified by sub-paragraph (3)) are met in relation to the replacement land.
- (3) In relation to the replacement land—
- (a) condition 5 applies as if the reference to the interest in land were a reference to the interest in the original land, and
 - (b) condition 7 applies as if the reference in paragraph 12(b) to the first transaction were a reference to the first transaction relating to the original land.
- (4) If the replacement land is in Wales, the original land ceases to be subject to the charge registered in pursuance of condition 4 when—
- (a) B provides WRA with the prescribed evidence that condition 7 is met in relation to the original land, and
 - (b) condition 4 is met in relation to the replacement land.
- (5) If the replacement land is not in Wales, the original land ceases to be subject to the charge registered in pursuance of condition 4 when B provides WRA with the prescribed evidence that—
- (a) condition 7 is met in relation to the original land, and
 - (b) each of conditions 1 to 3 is met in relation to the replacement land.
- (6) This paragraph also applies where the replacement land is replaced by further replacement land; and in that event—
- (a) references to the original land (except those in sub-paragraph (3)) are to be read as references to the replacement land, and

- (2) ““The remaining consideration”” is the chargeable consideration for the transaction less the consideration attributable to dwellings.

- (4) A relevant transaction is a ““multiple dwelling transaction”” if its main subject-matter consists of—

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (a) an interest in at least two dwellings, or
- (b) an interest in at least two dwellings and other property.

(5) “Attributable” means attributable on a just and reasonable apportionment.

The amount of tax chargeable

- 5 (1) If relief under this Schedule is claimed for a relevant transaction, the amount of tax chargeable in respect of the transaction is the sum of—
- (a) the tax related to the consideration attributable to dwellings, and
 - (b) the tax related to the remaining consideration (if any).
- (2) If the whole or part of the chargeable consideration for a relevant transaction is rent, sub-paragraph (1) has effect subject to Part 5 of Schedule 6 (leases: calculation of tax chargeable).

Determining the tax related to the consideration attributable to dwellings

- 6 (1) For the purposes of paragraph 5(1)(a), “the tax related to the consideration attributable to dwellings” is determined as follows—

Step 1 Determine the amount of tax that would be chargeable under section 27 on the assumption that—

- (a) the chargeable transaction is a residential property transaction, and
- (b) the chargeable consideration were the fraction produced by dividing total dwellings consideration by total dwellings.

Step 2 Multiply the amount determined at Step 1 by total dwellings.

Step 3 If the relevant transaction is one of a number of linked transactions, go to Step 4. Otherwise, the amount found at Step 2 is the tax related to the consideration attributable to dwellings.

Step 4 Multiply the amount found at Step 2 by—

$$\frac{CD}{TDC}$$

Figure 12 where—

“CD” is the consideration attributable to dwellings for the relevant transaction, and

“TDC” is total dwellings consideration.

- (2) But if the amount found at Step 2 of sub-paragraph (1) is less than 1% of total dwellings consideration, for the purposes of paragraph 5(1)(a) “the tax related to the consideration attributable to dwellings” is an amount equal to 1% of the consideration attributable to dwellings.
- (3) “Total dwellings consideration” means—
- (a) for a transaction that is not one of a number of linked transactions, the consideration attributable to dwellings for that transaction;
 - (b) for one of a number of linked transactions—

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (i) the total of the consideration attributable to dwellings for that transaction and all the other linked transactions that are relevant transactions, plus
 - (ii) so much of the chargeable consideration for any of the linked transactions (whether or not relevant transactions) as is not included in the calculation under paragraph (i) but is attributable to the same dwellings by reference to which that calculation is made.
- (4) ““Total dwellings”” means the total number of dwellings by reference to which total dwellings consideration is calculated.
- (5) In the application of sub-paragraph (1), no account is to be taken of—
- (a) section 72(9) (transfer of 6 or more separate dwellings treated as non-residential property), or
 - (b) paragraph 34 (tax chargeable for consideration other than rent: mixed leases) of Schedule 6 (leases).
- (6) In the application of sub-paragraph (1), where a relevant transaction is a higher rates residential property transaction (as provided for in Schedule 5), the amount of tax that would be chargeable under section 27 is to be determined on that basis.
- (7) The Welsh Ministers may by regulations amend sub-paragraph (2) so as to substitute for the percentages for the time being specified there, different percentages.

Determining the tax related to the remaining consideration

- 7 (1) For the purposes of paragraph 5(1)(b), ““the tax related to the remaining consideration”” is the appropriate fraction of the amount of tax which (but for this Schedule) would be due in respect of the relevant transaction.
- (2) In sub-paragraph (1), ““the appropriate fraction”” means—

$$\frac{RC}{TDC + TRC}$$

Figure 13 where—

““RC”” is the remaining consideration for the relevant transaction,

““TDC”” is total dwellings consideration, and

““TRC”” is total remaining consideration.

- (3) The ““total remaining consideration”” is—
- (a) for a transaction that is not one of a number of linked transactions, the remaining consideration for that transaction;
 - (b) for one of a number of linked transactions—
 - (i) the total of the chargeable consideration for all those transactions, less
 - (ii) total dwellings consideration.

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

Certain buildings not yet constructed or adapted to count as a dwelling

- 8 (1) For the purposes of this Schedule, the main subject-matter of a transaction is to be taken to consist of or include an interest in a dwelling if—
- (a) substantial performance of a contract constitutes the effective date of that transaction by virtue of a relevant deeming provision,
 - (b) the main subject-matter of the transaction consists of or includes an interest in a building, or a part of a building, that is to be constructed or adapted under the contract for use as a dwelling, and
 - (c) construction or adaptation of the building, or the part of a building, has not begun by the time the contract is substantially performed.
- (2) In sub-paragraph (1)—
- “contract” (“*contract*”) includes any agreement;
- “relevant deeming provision” (“*darpariaeth dybio berthnasol*”) means any of—
- (a) section 10 (contract and transfer),
 - (b) section 11 (contract providing transfer to third party),
 - (c) paragraph 8(1) to (5) of Schedule 2 (assignment of rights: transferor treated as making a separate acquisition), or
 - (d) paragraph 20 of Schedule 6 (agreement for lease);
- “substantially performed” (“*cyflawni'n sylweddol*”) has the meaning given by section 14.
- (3) Subsections (4) to (7) of section 72 (meaning of residential property) apply for the purposes of this paragraph as they apply for the purposes of subsection (1)(a) of that section.

PART 4

WITHDRAWAL OF RELIEF

Interpretation: relieved transaction

7 In this Part of this Schedule, a transaction that is relieved from tax by virtue of paragraph 2 (group relief) is referred to as a “relieved transaction”.

Withdrawal of group relief

- 8 (1) Where sub-paragraph (2) applies, group relief in relation to a relieved transaction, or an appropriate proportion of it, is withdrawn and tax is chargeable in accordance with this paragraph.
- (2) This sub-paragraph applies where, in the case of a relieved transaction—
- (a) the buyer ceases to be a member of the same group as the seller—
 - (i) before the end of the period of 3 years beginning with the effective date of the transaction, or
 - (ii) in pursuance of, or in connection with, arrangements made before the end of that period, and
 - (b) at the time the buyer ceases to be a member of the same group as the seller (“the relevant time”), it or a relevant associated company holds a chargeable interest—
 - (i) that was acquired by the buyer in the relieved transaction, or
 - (ii) that is derived from an interest so acquired,
- and that has not subsequently been acquired at market value under a chargeable transaction for which group relief was available but was not claimed.

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (3) The amount chargeable is the tax that would have been chargeable in respect of the relieved transaction but for group relief if the chargeable consideration for that transaction had been an amount equal to—
- (a) the market value of the subject-matter of the transaction, and
 - (b) if the acquisition was the grant of a lease at a rent, that rent,
- or, as the case may be, an appropriate proportion of the tax that would have been so chargeable.
- (4) In sub-paragraphs (1) and (3), “an appropriate proportion” means an appropriate proportion having regard to the subject-matter of the relieved transaction and what is held at the relevant time by the transferee company or, as the case may be, by that company and its relevant associated companies.
- (5) In this paragraph—
- “arrangements” (“*trefniadau*”) includes any scheme, agreement or understanding, whether or not legally enforceable;
- “relevant associated company” (“*cwmni cyswllt perthnasol*”), in relation to the buyer, means a company that—
- (a) is a member of the same group as the buyer immediately before the buyer ceases to be a member of the same group as the seller, and
 - (b) ceases to be a member of the same group as the seller in consequence of the buyer so ceasing.
- (6) This paragraph has effect subject to paragraphs 9 and 10 (cases in which group relief not withdrawn) and paragraph 12 (withdrawal of group relief in certain cases involving successive transactions).

Cases in which group relief not withdrawn

- 9 (1) Group relief is not withdrawn under paragraph 8 in the following cases.
- (2) The first case is where the buyer ceases to be a member of the same group as the seller by reason of—
- (a) anything done for the purposes of, or in the course of, winding up the seller or another company that is above the seller in the group structure, or
 - (b) the seller or another company that is above the seller in the group structure otherwise ceasing to exist.
- (3) For the purposes of sub-paragraph (2), a company is “above” the seller in the group structure if the seller, or another company that is above the seller in the group structure, is a 75% subsidiary of the company.
- (4) The second case is where—
- (a) the buyer ceases to be a member of the same group as the seller as a result of an acquisition of shares by another company (“the acquiring company”) in relation to which—
 - (i) section 75 of the Finance Act 1986 (c. 41) applies (stamp duty: acquisition relief), and
 - (ii) the conditions for relief under that section are met, and
 - (b) the buyer is immediately after that acquisition a member of the same group as the acquiring company.

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (5) But in a case within sub-paragraph (4), sub-paragraph (6) applies if—
- (a) the buyer ceases to be a member of the same group as the acquiring company—
 - (i) before the end of the period of 3 years beginning with the effective date of the relieved transaction, or
 - (ii) in pursuance of, or in connection with, arrangements made before the end of that period, and
 - (b) at the time the buyer ceases to be a member of the same group as the acquiring company, it or a relevant associated company holds a chargeable interest—
 - (i) that was acquired by the buyer in the relieved transaction, or
 - (ii) that is derived from an interest so acquired,and that has not subsequently been acquired at market value under a chargeable transaction for which group relief was available but was not claimed.
- (6) The provisions of this Schedule apply as if the buyer had then ceased to be a member of the same group as the seller.
- (7) In sub-paragraph (5)—
- “arrangements” (“*trefniadau*”) includes any scheme, agreement or understanding, whether or not legally enforceable;
 - “relevant associated company” (“*cwmni cyswllt perthnasol*”), in relation to the buyer, means a company that is a member of the same group as the buyer that ceases to be a member of the same group as the acquiring company in consequence of the buyer so ceasing.

Group relief not withdrawn where seller leaves group

- 10 (1) Group relief is not withdrawn under paragraph 8 where the buyer ceases to be a member of the same group as the seller because the seller leaves the group.
- (2) The seller is regarded as leaving the group if the companies cease to be members of the same group by reason of a transaction relating to shares in—
- (a) the seller, or
 - (b) another company that—
 - (i) is above the seller in the group structure, and
 - (ii) as a result of the transaction ceases to be a member of the same group as the buyer.
- (3) For the purpose of sub-paragraph (2), a company is “above” the seller in the group structure if the seller, or another company that is above the seller in the group structure, is a 75% subsidiary of the company.
- (4) But if there is a change in the control of the buyer after the seller leaves the group, paragraphs 8, 9(4) and (6), 13 and 14 have effect as if the buyer had then ceased to be a member of the same group as the seller (but see sub-paragraph (7)).
- (5) For the purposes of this paragraph, there is a change in the control of the buyer if—
- (a) a person who controls the buyer (alone or with others) ceases to do so,
 - (b) a person obtains control of the buyer (alone or with others), or

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

(c) the buyer is wound up.

(6) For the purposes of sub-paragraph (5), a person (““P””) does not control, or obtain control of, the buyer if P is under the control of another person or other persons.

(7) Sub-paragraph (4) does not apply where—

(a) there is a change in the control of the buyer because a loan creditor (within the meaning given by section 453 of the Corporation Tax Act 2010 (c. 4)) obtains control of, or ceases to control, the buyer, and

(b) the other persons who controlled the buyer before that change continue to do so.

(8) In this paragraph, references to ““control”” are to be interpreted in accordance with sections 450 and 451 of the Corporation Tax Act 2010 (c. 4) (subject to sub-paragraph (6)).

Group relief not withdrawn as a result of certain transfers of business etc. by mutual societies

11 (1) Group relief is not withdrawn under paragraph 8 where—

(a) there is a relevant transfer of business or engagement,

(b) before the date of the relevant transfer there had been a relieved transaction, and

(c) as a result of that transfer, the buyer in the relieved transaction ceases to be a member of the same group as the seller—

(i) before the end of the period of 3 years beginning with the effective date of the relieved transaction, or

(ii) in pursuance of, or in connection with, arrangements made before the end of that period.

(2) In this paragraph, a ““relevant transfer of business or engagement”” means—

(a) a transfer of business described in paragraph 10(1)(a) and (b) of Schedule 22 (transactions entered into by building societies);

(b) a transfer of business described in paragraph 11(1) of that Schedule (transactions entered into by friendly societies);

(c) a transfer of business described in paragraph 12(1) of that Schedule (transactions entered into by co-operative and community benefit societies or credit unions).

Withdrawal of group relief in certain cases involving successive transactions

12 (1) Where in the case of a relieved transaction—

(a) there is a change in the control of the buyer,

(b) that change occurs—

(i) before the end of the period of 3 years beginning with the effective date of the relieved transaction, or

(ii) in pursuance of, or in connection with, arrangements made before the end of that period,

(c) apart from this paragraph, group relief in relation to the relieved transaction would not be withdrawn under paragraph 8, and

(d) any previous transaction falls within sub-paragraph (3),

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

paragraphs 8, 9 and 10 have effect in relation to the relieved transaction as if the seller in the earliest previous transaction falling within sub-paragraph (3) were the seller in the relieved transaction.

- (2) Sub-paragraph (1) has effect subject to sub-paragraph (6).
- (3) A previous transaction falls within this sub-paragraph if—
 - (a) the previous transaction is a relieved transaction or is relieved from tax by virtue of Schedule 17 (reconstruction and acquisition reliefs),
 - (b) the effective date of the previous transaction is less than 3 years before the date of the event falling within sub-paragraph (1)(a),
 - (c) the chargeable interest acquired under the relieved transaction by the buyer in that transaction is the same as, comprises, forms part of, or is derived from, the chargeable interest acquired under the previous transaction by the buyer in the previous transaction, and
 - (d) since the previous transaction, the chargeable interest acquired under that transaction has not been acquired by any person in a transaction that is not a relieved transaction nor is relieved from tax by virtue of Schedule 17 (reconstruction and acquisition reliefs).
- (4) For the purposes of this paragraph, there is a change in the control of a company if—
 - (a) any person who controls the company (alone or with others) ceases to do so,
 - (b) a person obtains control of the company (alone or with others), or
 - (c) the company is wound up.
- (5) References to “control” in this paragraph are to be construed in accordance with sections 450 and 451 of the Corporation Tax Act 2010 (c. 4).
- (6) Sub-paragraph (1) does not apply where—
 - (a) there is a change in the control of the buyer because a loan creditor (within the meaning given by section 453 of the Corporation Tax Act 2010 (c. 4)) obtains control of, or ceases to control, the buyer, and
 - (b) the other persons who controlled the buyer before that change continue to do so.
- (7) If two or more transactions effected at the same time are the earliest previous transactions falling within sub-paragraph (3), the reference in sub-paragraph (1) to the seller in the earliest previous transaction is a reference to the persons who are the sellers in the earliest previous transactions.
- (8) In this paragraph, “arrangements” includes any scheme, agreement or understanding, whether or not legally enforceable.

PART 5

- and that has not subsequently been acquired at market value under a chargeable transaction in relation to which reconstruction or acquisition relief was available but was not claimed.

- (a) the market value of the subject-matter of the transaction, and
 - (b) if the acquisition was the grant of a lease at a rent, that rent,
- or, as the case may be, an appropriate proportion of the tax that would have been so chargeable.

- (a) requested a review of the decision, or
- (b) appealed against it,

does not affect any requirement on the person to pay an amount of devolved tax (and interest on that amount).

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

181B Postponement requests

- (1) This section applies where a person—
 - (a) gives a notice of request to review an appealable decision, or
 - (b) makes an appeal against such a decision.
- (2) If the person thinks that an excessive amount of devolved tax has been charged on the person in consequence of the decision, the person may make a request to WRA to postpone the recovery of the amount of devolved tax that the person thinks is excessive (and interest on that amount) (a “postponement request”).
- (3) A postponement request must specify—
 - (a) the amount of devolved tax in respect of which the request is made, and
 - (b) the reasons why the person making the request thinks the amount is excessive.
- (4) If WRA thinks that the person making the postponement request has reasonable grounds for thinking that the amount of devolved tax to which the request relates is excessive, WRA may grant the postponement request.
- (5) If WRA thinks that it is only in respect of part of the amount that the person has reasonable grounds for thinking the amount is excessive it may grant the request in respect of that part only.
- (6) WRA may make the grant of the postponement request (in whole or in part) conditional on the provision of adequate security.
- (7) WRA must issue a notice of its decision to the person who made the postponement request.

181C Time limit for making a postponement request

- (1) A postponement request connected to a review must be made by giving notice of the request to WRA before the end of the period specified in section 174 for requesting the review.
- (2) But if a late request for a review is made under section 175, the postponement request must be made at the same time as the late request.
- (3) A postponement request connected to an appeal must be made by giving notice to WRA before the end of the period specified in section 179 for making the appeal.
- (4) But if the tribunal gives permission under section 180 for a late appeal to be made, the postponement request must be made at the same time as permission is sought for the late appeal.
- (5) Subsections (1) and (3) are subject to section 181D.

181D Late postponement request

- (1) Where a person—
 - (a) requests a review before the end of the period specified in section 174, and
 - (b) makes a postponement request connected to the review after the end of that period,

WRA may consider the postponement request only if it is satisfied that the conditions in subsection (3) are met.

- (2) Where a person—
 - (a) makes an appeal before the end of the period specified in section 179, and
 - (b) makes a postponement request connected to the appeal after the end of that period,

WRA may consider the postponement request only if it is satisfied that the conditions in subsection (3) are met.

- (3) The conditions are that the person making the postponement request —
 - (a) had a reasonable excuse for not making the request during the period specified in section 174 or 179, as the case may be, and
 - (b) subsequently made the request without unreasonable delay.

181E Application for tribunal review of decision on a postponement request

- (1) A person who makes a postponement request may, within the period of 30 days beginning with the date WRA issues the notice of its decision on the request, apply to the tribunal for a review of WRA's decision.
- (2) The tribunal may determine that WRA's decision is to be—
 - (a) affirmed,
 - (b) cancelled, or
 - (c) replaced by another decision that WRA could have made.

181F Variation after postponement request granted

- (1) This section applies where—
 - (a) a postponement request has been granted by WRA or the tribunal,
 - (b) there is a subsequent change in circumstances, and
 - (c) in consequence of that change, either WRA or the person who made the request thinks—
 - (i) that the amount of devolved tax in respect of which the request was granted should be varied;
 - (ii) where the grant of the request is conditional on the provision of adequate security, that the condition should be varied.
- (2) Either party may seek the agreement of the other by issuing a notice to the other party specifying the proposed variation.

Status: Point in time view as at 18/10/2017.

Changes to legislation: There are currently no known outstanding effects for the Land Transaction Tax and Anti-avoidance of Devolved Taxes (Wales) Act 2017. (See end of Document for details)

- (3) If an agreement is reached, WRA must issue a notice to the person confirming the variation.
- (4) The variation has effect from the date WRA issues the notice under subsection (3).
- (5) If no agreement is reached within the period of 21 days beginning with the date the notice is issued under subsection (2), either party may apply to the tribunal for a determination.
- (6) The tribunal may determine such an application by—
 - (a) confirming the proposed variation,
 - (b) refusing the proposed variation, or
 - (c) making such other variation as the tribunal thinks appropriate.

181G Effect of postponement

- (1) WRA must not take any action to recover a postponed amount during the postponement period.
- (2) A postponed amount means—
 - (a) an amount of devolved tax specified in a postponement request (unless the request is a late request made in accordance with section 181C(2) or (4) or section 181D), or
 - (b) an amount of devolved tax in respect of which a postponement request is granted by WRA or the tribunal.
- (3) In the case of a postponed amount falling within subsection (2)(a), the postponement period for the amount—
 - (a) begins with the day on which the postponement request is made, and
 - (b) ends—
 - (i) if the request is granted, with the day on which it is granted,
 - (ii) if the request is not granted and no application is made to the tribunal for a review of that decision, with the first day after the end of the period for making such an application, or
 - (iii) if the request is not granted and an application is made to the tribunal for a review of that decision, with the day on which the tribunal makes its determination.
- (4) In the case of a postponed amount falling within subsection (2)(b) the postponement period for the amount—
 - (a) begins with the date on which the postponement request is granted by WRA or the tribunal, and
 - (b) ends—
 - (i) if the postponement request was made in connection with a review of an appealable decision, with the day on which WRA issues a notice of the conclusions of the review, or

(ii) if the postponement request was made in connection with an appeal against an appealable decision, with the day on which the tribunal determines the appeal.

(5) Where a postponed amount falling within subsection (2)(b) is varied under section 181F, the varied amount is to be treated as the postponed amount from the date of the variation.

(6) In this section, references to a postponement request being granted include cases where the request is granted in part.

181H Postponement requests relating to further appeals

(1) Where a person makes (in accordance with TCEA) a further appeal against the tribunal's determination of an appeal against an appealable decision, sections 181B, 181C, 181E, 181F and 181G apply to the further appeal as they apply to an appeal, but as if the following modifications were made.

- (a) the amount of devolved tax in respect of which the request is made,
- (b) the reasons why the person making the request thinks the amount is excessive, and
- (c) the reasons why the person thinks that recovery of the amount (and interest on the amount) would cause the person serious financial hardship.

(4) If WRA—

- (a) thinks that the person making the postponement request has reasonable grounds for thinking that the amount of devolved tax to which the request relates is excessive, and
- (b) has reason to believe that recovery of the amount (and interest on the amount) would cause the person serious financial hardship,

WRA may grant the request.

(5) But if WRA—

- (a) thinks that it is only in respect of part of the amount that the person has reasonable grounds for thinking that the amount is excessive, or
- (b) has reason to believe that it is only in respect of part of the amount (and interest on that part) that recovery would cause the person serious financial hardship,

WRA may grant the request in respect of such part of the amount as it thinks appropriate.”
