SCHEDULE 3

FURTHER PROVISION IN CONNECTION WITH SPECIAL PROCEDURE LICENCES

Variation of licence

- 11 (1) A local authority may, on an application to this effect by a licence holder, vary a special procedure licence issued by it.
- (2) The effect of a variation may be such as to (among other things)—
- (a) add, amend or remove a description of special procedure the performance of which is authorised by the licence;
 - (b) subject to section 59(4) (requirement that premises or vehicle be identified in licence, and approved) authorise the performance of a special procedure at premises or in a vehicle not previously identified in the licence for this purpose;
 - (c) remove a reference to premises or a vehicle previously identified in the licence.
- (3) A licence must not be varied under this paragraph so as to—
- (a) transfer the licence from the licence holder to another individual;
 - (b) extend the licence period.
- 12 (1) An application to vary a special procedure licence—
- (a) is to be made in whatever way the authority concerned may require, and
 - (b) is to be accompanied by whatever fee is set by the authority.
- (2) An application must include—
- (a) particulars of the changes proposed to be made to the licence, and
 - (b) any other information that the authority concerned may require.
- 13 (1) An application to vary a special procedure licence by adding a description of special procedure the performance of which is to be authorised by the licence—
- (a) must specify the procedure concerned, and
 - (b) is to be treated for the purposes of this Part as being an application for the issue of a special procedure licence authorising the performance of that procedure (and the date of the variation is to be treated, for the application of this Part in respect of that procedure, as being the date of the issue of a licence authorising the performance of the procedure).
- (2) But sub-paragraph (1)(b) does not apply for the purposes of the determination of the licence period.
