PART 4

SPECIAL PROCEDURES

Licensing criteria and mandatory licensing conditions

62 Licensing criteria

- (1) Regulations must set out criteria that must be met on an application by an individual (an “applicant”) for a special procedure licence in order for the application to be granted (“licensing criteria”).
- (2) The licensing criteria specified in the regulations must be such as to require the applicant to demonstrate knowledge of—
 - (a) infection control and first aid, in the context of the special procedure to which the application relates;
 - (b) duties imposed, under or by virtue of this Part, on a person authorised by a special procedure licence to perform the special procedure to which the application relates.
- (3) The licensing criteria may also (among other things) relate to—
 - (a) an individual’s eligibility for a licence (including by reference to, among other things, standards of competence);
 - (b) the premises or vehicle at or in which the performance of a special procedure is to be authorised, or at or in which equipment or material used in a special procedure is to be stored or prepared (including, among other things, facilities available there and standards of hygiene);
 - (c) equipment to be used in, or in connection with, the performance of a special procedure.
- (4) Regulations may require a local authority not to issue or renew a licence unless premises or a vehicle identified in the application have been inspected in accordance with the regulations for the purpose of determining compliance with licensing criteria.

Status: This is the original version (as it was originally enacted).

- (5) Regulations under this section may make different provision for different purposes, including (among other things) in respect of—
- (a) different descriptions of premises and vehicles;
 - (b) different descriptions of special procedure;
 - (c) different circumstances in which a special procedure is performed (including by reference to, among other things, the frequency or regularity with which a special procedure is performed, the duration of any period during which a special procedure is performed, and whether a special procedure is performed on a peripatetic basis, on a fixed site basis, on a mobile basis, on a temporary basis, or otherwise).
