- (3) The notice must specify—
  - (a) the bodies corporate that are members of the group;
  - (b) the member of the group that is the representative member;
  - (c) the date on which the designation takes effect.
- (4) The effects of designating a group are that—
  - (a) the representative member of the group is to be treated for the purposes of the tax as the operator of each authorised landfill site of which a member of the group is the operator;
  - (b) accordingly, a relevant amount that a body corporate would otherwise be required to pay as a result of anything done or omitted to be done while it is a member of the group must instead be paid by the representative member;
  - (c) all of the following are jointly and severally liable for any of the relevant amount that remains unpaid after the date by which the representative member was required to pay it—

*Status: Point in time view as at 25/01/2018. This version of this chapter contains provisions that are not valid for this point in time.*

  - (ii) any other body corporate that was a member of the group on the date by which the representative member was required to pay the amount.
- (5) WRA may designate a group of bodies corporate only on the application of one or more of those bodies.
- (6) An application to designate a group must be made in writing; and the body or bodies making the application must satisfy WRA that it is made with the agreement of every other proposed member of the group.
- (7) If WRA refuses an application to designate a group, it must issue a notice of its decision to the body or bodies that made the application.
- (8) In this section, “relevant amount” means—

  - (a) on an application made in writing under this section, or
  - (b) on its own initiative.
- (6) An application to vary or cancel the designation of a group may be made by the representative member of the group; but the representative member must satisfy WRA that the application is made with the agreement of every other member of the group (including, in the case of an application to vary the designation by adding a member, the member that would be added if the variation were made).
- (7) An application to vary the designation of a group by removing a member may also be made by the member that wishes to be removed; in which case that member must satisfy WRA that every other member of the group has been notified of the application.
- (8) If WRA refuses an application to vary or cancel a designation, it must issue a notice of its decision to the body corporate that made the application.
