

Destructive Imported Animals Act (Northern Ireland) 1933

1933 CHAPTER 5

3 Grant and revocation of licences.

The Ministry of Agriculture may at its discretion—

- (a) upon payment by an applicant of the prescribed fee, grant to him a licence in the prescribed form authorising him to import and keep, or to keep, musk rats in accordance with the conditions of the licence and with the regulations, and from time to time renew any licence so granted; and
- (b) revoke any such licence, if it is shown to the satisfaction of the said Ministry that the holder thereof has failed to comply with any condition of the licence or with any of the regulations, or has been convicted of an offence under this Act.

Changes to legislation:

There are currently no known outstanding effects for the Destructive Imported Animals Act (Northern Ireland) 1933, Section 3.
