

Plant Health Act (Northern Ireland) 1967

1967 CHAPTER 28

An Act to consolidate the Destructive Insects and Pests Acts (Northern Ireland) 1877 to 1934. [14th December 1967]

1 Objects of Act.

This Act shall have effect for the control ...^{F1} of pests and diseases injurious to agricultural or horticultural crops, or to trees or bushes, and in the following provisions of this Act—

- (a) references to pests are to be taken as references to insects, bacteria, fungi and other vegetable or animal organisms, viruses and all other agents causative of any transmissible disease of agricultural or horticultural crops or of trees or bushes, and also as including references to pests in any stage of existence;
- (b) references to a crop are to be taken as including references to trees and bushes.

F1 SRO (NI) 1972/351

2 Control of introduction of pests into Northern Ireland.

- (1) The Ministry of Agriculture (in this Act referred to as “the Ministry”) may from time to time make such orders as it thinks expedient [^{F2} or called for by any [^{F3}retained EU law or relevant Protocol] obligation] for preventing the introduction of pests into Northern Ireland.
- (2) Where it appears to the Ministry that the landing in Northern Ireland of articles of any description (and in particular plants, trees or bushes or any part or produce thereof) is likely to introduce a pest into Northern Ireland, the orders may prohibit or regulate the landing of those articles, and may direct or authorise their destruction if landed (without prejudice to provisions of [^{F4}the Customs and Excise Management Act 1979] imposing penalties or liability to forfeiture).

[^{F5}(2A) In this section—

“relevant Protocol obligation” means any obligation created or arising by or under the relevant part of the Northern Ireland Protocol, whether or not an

or any substance which has on it, or is infected with, a pest or to or by means of which a pest is in the opinion of the Department likely to spread;

- (b) direct or authorise the entry on any land or elsewhere for the purpose of any removal, treatment or destruction authorised by the order, or any examination or inquiry so authorised, or for any other purpose of the order;
- (c) create offences and in particular may—
 - (i) prohibit the selling or exposing or offering for sale or the keeping of living specimens of a pest or the distribution in any manner of such specimens;
 - (ii) make it an offence to contravene a condition specified in a licence granted by the Department for the purpose of exempting a person from any prohibition or restriction imposed by the order;
- (d) provide for offences against the order to be punishable on summary conviction by a fine not exceeding^{F12} level 5 on the standard scale].

[An order under this Act which contains a statement that it is made for the purpose^{F13}(1A) of protecting forest trees, timber and other forest products from attack by pests, may impose such reasonable fees or other charges as the Department may, with the consent of the Department of Finance and Personnel, prescribe—

- (a) in connection with applications for and the issue of any licence or certificate which may be issued in pursuance of such an order in connection with the import or export of any article;
- (b) in respect of the performance by the Department of any service without the performance of which any requirement for the issue of such a licence or certificate would not be met.]

(2) Proceedings for an offence against an order under this Act may be instituted at any time within twelve months from the day on which the alleged offence was committed.]
