(2) Subsection (1) above applies to corporal punishment given at any time and whether or not given at the place where education is provided.

(3) Subject to subsection (4) below, references in this section to giving corporal punishment are references to doing anything for the purposes of punishing the pupil concerned (whether or not there are other reasons for doing it) which, apart from any justification, would constitute physical assault upon that pupil.

(4) Corporal punishment shall not be taken to be given to a pupil by virtue of anything done for reasons which include averting—

(2) On and after that date, the education authority in whose area the school is situated shall manage the school.

   (b) subsequently is sold by that authority to a third party,
   the Scottish Ministers may, after consultation with the education authority, require that authority to pay them the amount of the funds so provided (or if the amount received by the authority in respect of the sale was less than the amount of those funds, to pay them the amount so received).

(5) Where a person—
   (a) has, prior to the date so specified, entered into a contract of employment with the board of management of the school and that contract is to come into effect on or after that date; and
