CHAPTER 2

REVIEW OF COMPULSION ORDERS

Extension of order following first review

146 First review: responsible medical officer's duty where extension proposed

- (1) This section applies where a patient's responsible medical officer is carrying out the first review of the relevant compulsion order to which the patient is subject.
- (2) If, having regard to any views expressed by persons consulted under section 139(3)(c) of this Act, it appears to the responsible medical officer—
 - (a) that it will continue to be necessary for the patient to be subject to a compulsion order after the day on which the order will cease (unless extended) to authorise the measures specified in it; and
 - (b) that the compulsion order should not be varied by modifying the measures specified in it,

the responsible medical officer shall give notice to the mental health officer that the responsible medical officer is proposing to make an application under section 149 of this Act for an order under section 167 extending the compulsion order for the period of 6 months beginning with the day on which the compulsion order will cease (unless extended) to authorise the measures specified in it.
