

*These notes relate to the Fire (Scotland) Act 2005
(asp 5) which received Royal Assent on 1 April 2005*

FIRE (SCOTLAND) ACT 2005

EXPLANATORY NOTES

THE ACT – SECTION BY SECTION

Part 2 – Fire and Rescue Services

Chapter 8 – Central supervision and support

Section 40 – Framework document

62. This section requires the Scottish Ministers to prepare and consult on a Fire and Rescue Service National Framework (“the Framework”), keep the Framework under review and consult on any significant revisions made to it. The Framework (and any significant revision) will come into effect by order.
