any other person and facilities for access to such accommodation and may do so notwithstanding that such works and facilities may be for the exclusive use of that other person.

4 Permitted deviation within limits

In constructing or maintaining any of the authorised works the authorised undertaker may—

- (2) The continuing private crossings shall be provided for the use of the persons (if any) entitled under any existing enactment to use the existing private crossings at those points, and those persons shall be entitled to use the continuing private crossings on the same basis in all respects as they are entitled to use the existing private crossings.
- (3) The authorised undertaker shall provide and maintain at each of the continuing private crossings such equipment as may from time to time be required for compliance with any requirement made by the Secretary of State under any enactment and, subject to such compliance, as may be agreed in relation to any crossing between the authorised undertaker and the person entitled to use the crossing.
- (4) Nothing in section 60 of the 1845 Act, as incorporated with this Act, shall require the authorised undertaker to provide any other private crossing for the purpose of making good any interruption caused by the authorised works to the use of any lands to which there attaches an entitlement to use any of the continuing private crossings.
