##### ***Section 38 Registration offices: opening times***

74. Under section 8(3) of the 1965 Act, all the registration offices in an RD had to have the same hours of business. This made it more difficult for councils to run local offices, because they had to be open throughout normal working hours even if there was little demand. The problem was more acute when the entire council area was a single RD. Section 38 therefore amends the 1965 Act to allow the local registration authority to set different opening hours for different registration offices, subject to the approval of the Registrar General. Section 38 came into force on 1st January 2007.
