THE LISTS

Consideration whether to list

13 Consideration whether to list: inquiries

- (1) This section applies where—
 - (a) a relevant inquiry report names an individual who is or has been doing regulated work, and
 - (b) it appears to Ministers from the report that the person who held the inquiry found that the referral ground was met at a time when the individual was doing regulated work (whether that time was before or after this section comes into force).
- (2) Where it appears to Ministers from the report that it may be appropriate for the individual to be included in the children's list, they may consider listing the individual in the children's list.
- (3) Where it appears to Ministers from the report that it may be appropriate for the individual to be included in the adults' list, they may consider listing the individual in the adults' list.
- (4) For the avoidance of doubt, subsections (2) and (3) apply in relation to an individual regardless of the type of regulated work which the individual was doing.
