PART 4

FLOOD RISK MANAGEMENT: LOCAL AUTHORITY FUNCTIONS

General power

56 General power to manage flood risk

- (1) A local authority may do anything which it considers—
- (a) will contribute to the implementation of current measures described in any relevant local flood risk management plan,
 - (b) is necessary to reduce the risk of a flood in its area which is likely to—
 - (i) occur imminently, and
 - (ii) have serious adverse consequences for human health, the environment, cultural heritage or economic activity, or
 - (c) will otherwise manage flood risk in its area without affecting the implementation of the measures mentioned in paragraph (a).
- (2) Without prejudice to the generality of subsection (1), a local authority may in particular—
- (a) carry out any operations to which a flood protection scheme relates (see section 60),
 - (b) carry out any other flood protection work,
 - (c) carry out any temporary works required for the purposes of a flood protection scheme or any other flood protection work,
 - (d) enter into agreements or arrangements with any other person—
 - (i) for the carrying out by that person or by the authority of any work which could be done by the authority under this Part, or
 - (ii) relating to the management by that person of land in a way which can assist in the retention of flood water or slowing the flow of such water,
