### **COMMENTARY ON SECTIONS**

#### **Part 3 - Criminal Procedure**

##### ***Section 71 - Convictions by courts in other EU member States***

326. **Section 71** introduces schedule 4, which details a range of amendments to the 1995 Act and to other enactments to implement the Council of the European Union Framework Decision 2008/675/JHA of 24 July 2008 on taking account of convictions in the Member States of the European Union in the course of new criminal proceedings. The effect will be that previous convictions issued by other Member States of the European Union will be treated in the same way as previous convictions handed down by a court in Scotland throughout the criminal proceedings: at the pre-trial stage, at the trial, and at the time of sentencing. Section 71(2) includes an Order-making power to enable the Scottish Ministers to make any further amendments to legislation which are required to fully implement the Framework Decision. Provision in section 201(4) means that any order will be subject to the affirmative resolution procedure in the Scottish Parliament.
