## **EXPLANATORY NOTES**

### **THE ACT**

#### **Part 2 – the Crofting Register**

#### **Registration of common grazings**

##### ***Section 27: Registration of new common grazings***

58. **Section 27** amends section 51A of the 1993 Act, so a new common grazing is no longer constituted by being entered in the Register of Crofts. A new section 51B is inserted into the 1993 Act to provide that a new common grazing must be registered in the Crofting Register. Subsection (2) provides that an application for registration must not be forwarded to the Keeper until the appeal period set out in 52A(2)(b) has expired, or any appeal has been abandoned or determined by the Land Court.
