 - (ii) the criteria to be met by applicants,
 - (iii) the determination of applications,
 - (iv) the issuing of licences,
 - (b) the terms of licences and attaching to licences of conditions or restrictions,
 - (c) the—
 - (i) renewal of licences,
 - (ii) circumstances in which licences may be revoked or suspended,
 - (d) licensing provision affecting non-solicitor investors in licensed providers,
 - (e) licensing fees that are chargeable by the approved regulator.
- (2) Rules made in pursuance of subsection (1)(a) to (c) must allow for review by the approved regulator of any decision made by it under the rules that materially affects an applicant for a licence or (as the case may be) a licensed provider.
- (3) Licensing rules may include such further licensing arrangements as to licensed providers for which provision is (in the approved regulator's opinion) necessary or expedient.

15 Initial considerations

- (1) Licensing rules must provide for—
- (a) consultation with the [F1CMA], where appropriate in accordance with subsection (2), in relation to a licence application,
 - (b) how the approved regulator is to deal with a licence application where it believes that granting it would cause (directly or indirectly) a material and adverse effect on the provision of legal services.
- (2) For the purpose of subsection (1)(a), it is appropriate to consult the [F1CMA] where the approved regulator believes that the granting of the licence application may have the effect of—
- (a) preventing competition within the legal services market, or
 - (b) significantly restricting or distorting such competition.
