

Forth Crossing Act 2011

2011 asp 2

PART 2

ROADS

19 Access to public roads

- (1) Roads authority consent is not required for Forth Crossing works consisting of works to provide new, or to improve an existing, means of access to or from a public road.
- (2) Ministers must, before beginning any such works—
 - (a) consult the local roads authority for the public road, and
 - (b) consider any representations by the authority on the carrying out of those works.
