

Historic Environment Scotland Act 2014

2014 asp 19

PART 1

HISTORIC ENVIRONMENT SCOTLAND

Interpretation

14 Interpretation of Part 1

In this Part—

“collection” means a collection of objects,

“object” means an object, document or other thing having historical, archaeological, architectural or cultural significance or interest relating to the historic environment generally or with particular reference to Scotland, and

“property in care” has the meaning given by section 4.
