

SCHEDULE 1 INFRASTRUCTURE-LEVY REGULATIONS

Stopping development

- 10 (1) Infrastructure-levy regulations may—
- (a) empower a local authority to direct that the carrying out of development stop until there has been payment in full of—
 - (i) the payable amount, and
 - (ii) any financial penalty imposed in connection with the development by virtue of paragraph 9, and
 - (b) prescribe the consequences of not stopping development when directed to do so.
- (2) The regulations may, in particular, make it an offence not to stop development when directed to do so.
