PART 8

PROVISION OF TOILETS

Local toilets strategies

115 Local toilets strategies: consultation

- (1) A local authority must consult any person it considers is likely to be interested in the provision of toilets in its area that are available for use by the public before it publishes its local toilets strategy under—
 - (a) section 113(1), or
 - (b) section 113(6)(b).
- (2) As part of the consultation, the local authority must make available to each person consulted under subsection (1) a draft local toilets strategy.
