F5 See note to s.22(2)

PRELIMINARY PROCEDURE

- 1 The local authority, where they propose to acquire land otherwise than by agreement, may submit to the Ministry of Home Affairs an application in the prescribed form for an order vesting in the local authority the land specified in the application.
- 2 Notice of the application shall be published by the local authority in the prescribed manner, and such notice shall be given both in the locality in which the land is proposed to be acquired and to the [^{F6} persons appearing to the local authority to have interests in] that land as may be prescribed.

Notice of the application shall also be given to such Government departments as may be prescribed.

F6 1946 c.4 (NI)

- 3 On the expiration of one month after the publication of the notice of the application, the Ministry of Home Affairs, after considering all objections to the application which may have been presented to the said Ministry by persons interested in the land specified in the application, and after causing a local inquiry to be held (if the said Ministry thinks it necessary to do so) as to the propriety of making the order applied for, may make an order vesting in the local authority the said land, or so much thereof, as the said Ministry thinks proper.

If a local inquiry is held as aforesaid, the local authority and all persons interested in the land, and such other persons as the person holding the inquiry in his discretion thinks fit to allow, shall be permitted to appear and to be heard at the inquiry, and before making the order, the Ministry of Home Affairs shall consider the report of the person who held the inquiry, and all objections made thereat.

- 4 The order shall contain such provisions as the Ministry of Home Affairs thinks necessary for the purpose of carrying the order into effect, and may provide for the suspension of the operation of the order, or any part thereof, until the local authority

have paid, or made provision to the satisfaction of the said Ministry for the payment of, compensation to persons interested in the land to which the order relates, or in land injuriously affected by the works proposed to be carried out by the local authority.

An order made by the Ministry of Home Affairs as aforesaid is in this Schedule referred to as a “vesting order.”

- 5 Notice of a vesting order which has become operative shall be given to such Government departments (including the Ministry of Finance) as may be prescribed.

OPERATION OF VESTING ORDER

- 6 A vesting order shall be effectual to pass and vest in the local authority, as from the date on which the vesting order becomes operative (in this Schedule referred to as “the date of vesting”), an estate in fee simple in the land to which it relates, discharged from all claims, estates, incumbrances or charges whatsoever, or (if the case so requires) such easement or right as the vesting order may specify; and the rights and claims of all persons in respect of such land or any interest therein shall, as from the date of vesting, be transferred and attached, to the extent to which compensation may be payable in accordance with the provisions of this Schedule, to the rate or fund out of which the expenses of the local authority in acquiring the land are to be defrayed (in this Schedule referred to as “the compensation fund”), and shall be discharged by payments out of the compensation fund.

In so far as a vesting order relates to land, the ownership of which is registered under the Local Registration of Title (Ireland) Act, 1891 ^{F7}, the date of vesting shall, notwithstanding anything in the foregoing provisions of this article, be either the date on which the vesting order becomes operative, or the date of the lodgment of the vesting order with the registering authority under the said Act, whichever is the later.

F7 1970 c.18 (NI)

- 7 A vesting order, or the title created by a vesting order (if it relates to land the ownership of which is registered as aforesaid), shall, forthwith upon production of such vesting order, be registered in the proper office for the registration of deeds or titles, as the case requires.
- 8 Where a vesting order relates to any land forming part of a holding which is subject to the future payment of an annuity under the Land Purchase Acts, it shall not be necessary for any consent or authority for the sub-division of the holding to be given under any enactment of those Acts.
- 9 On and after the date of vesting, the local authority may enter upon and use the land to which the vesting order relates.

[^{F8} REFERENCE OF DISPUTED CASES TO LANDS TRIBUNAL]

F8 1964 c.29 (NI)

- 10 (1) As soon as a vesting order has become operative, any question of disputed compensation arising between the local authority and any person interested in any land to which the vesting order relates, or land injuriously affected by the works proposed to be carried out by the local authority, shall be referred to and determined

(2) ^{F10} Where a vesting order relates to any land forming part of a holding which is subject to the future payment of an annuity under the Land Purchase Acts, an agreement for the payment of compensation by the local authority to any person interested in such land shall not have effect unless—

- (a) the prescribed notice of the proposed agreement has been given to the Ministry of Finance, and
- (b) the prescribed period has elapsed.

If within the prescribed period the said Ministry notifies the local authority of its intention to bring before [^{F9} the Lands Tribunal] any question with respect to the apportionment or redemption of the annuity, such agreement as aforesaid shall not have effect pending the decision of [^{F9} the Lands Tribunal], and a question of disputed compensation shall be deemed to have arisen for the purposes of this Schedule.
