

Stirling-Alloa-Kincardine Railway and Linked Improvements Act 2004

2004 asp 10

PART 2

LAND

Supplementary

21 Acquisition of part of certain properties

- (1) This section shall apply instead of section 90 of the 1845 Lands Act in any case where—
 - (a) a notice to treat is served on a person (“the owner”) under that Act (as so applied) in respect of land forming only part of a house, building or factory or of land consisting of a house with a park or garden (“the land subject to the notice to treat”); and
 - (b) a copy of this section is served on the owner with the notice to treat.
- (2) In such a case, the owner may, within the period of 21 days beginning with the day on which the notice was served, serve on the authorised undertaker a counter-notice objecting to the sale of the land subject to the notice to treat and stating that the owner is willing and able to sell the whole (“the land subject to the counter-notice”).
- (3) If no such counter-notice is served within that period, the owner shall be required to sell the land subject to the notice to treat.
- (4) If such a counter-notice is served within that period, the question whether the owner shall be required to sell only the land subject to the notice to treat shall, unless the authorised undertaker agrees to take the land subject to the counter-notice, be referred to the tribunal.
- (5) If on such a reference the tribunal determines that the land subject to the notice to treat can be taken—
 - (a) without material detriment to the remainder of the land subject to the counter-notice; or

- (b) in the case of part of land consisting of a house with a park or garden, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity or convenience of the house, the owner shall be required to sell the land subject to the notice to treat.
- (6) If on such a reference the tribunal determines that only part of the land subject to the notice to treat can be taken—
- (a) without material detriment to the remainder of the land subject to the counter-notice; or
- (b) in the case of part of land consisting of a house with a park or garden, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity or convenience of the house, the notice to treat shall be deemed to be a notice to treat for that part.
- (7) If on such a reference the tribunal determines that—
- (a) the land subject to the notice to treat cannot be taken without material detriment to the remainder of the land subject to the counter-notice; but
- (b) the material detriment is confined to a part of the land subject to the counter-notice,
- the notice to treat shall be deemed to be a notice to treat for the land to which the material detriment is confined in addition to the land already subject to the notice, whether or not the additional land is land which the authorised undertaker is authorised to acquire compulsorily under this Act.
- (8) If the authorised undertaker agrees to take the land subject to the counter-notice, or if the tribunal determines that—
- (a) none of the land subject to the notice to treat can be taken without material detriment to the remainder of the land subject to the counter-notice or, as the case may be, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity or convenience of the house; and
- (b) that the material detriment is not confined to a part of the land subject to the counter-notice,
- the notice to treat shall be deemed to be a notice to treat for the land subject to the counter-notice whether or not the whole of that land is land which the authorised undertaker is authorised to acquire compulsorily under this Act.
- (9) In any case where by virtue of a determination by the tribunal under this section a notice to treat is deemed to be a notice to treat for less land or more land than that specified in the notice, the authorised undertaker may, within the period of 6 weeks beginning with the day on which the determination is made, withdraw the notice to treat; and if it does so it shall pay the owner compensation for any loss or expense occasioned to the owner by the giving and withdrawal of the notice, the amount of such compensation to be determined in case of dispute by the tribunal.
- (10) Where the owner is required under this section to sell only part of a house, building or factory or of land consisting of a house with a park or garden, the authorised undertaker shall pay the owner compensation for any loss sustained by the owner due to the severance of that part in addition to the value of the interest acquired.

22 Extinguishment or suspension of rights of way

- (1) Subject to subsection (6) below, all private rights of way over land subject to compulsory acquisition under this Act shall be extinguished—
 - (a) as from the acquisition of the land by the authorised undertaker, whether compulsorily or by agreement; or
 - (b) on the entry on the land by the authorised undertaker under section 24 below, whichever is sooner.
- (2) Subject to subsection (7) below, all private rights of way over land of which the authorised undertaker takes temporary possession under this Act shall be suspended and unenforceable for as long as the authorised undertaker remains in lawful possession of the land.
- (3) Any person who suffers loss by the extinguishment or suspension of any private right of way under this section shall be entitled to compensation, the amount of such compensation to be determined, in case of dispute, under the 1963 Act.

- (5) Subsections (1) and (2) above shall have effect subject to any agreement made (whether before or after this Act comes into force) between the authorised undertaker and the person entitled to the private right of way.
- (6) The authorised undertaker may, before whichever is the sooner of the events specified in paragraphs (a) and (b) of subsection (1) above, determine that any right of way specified in the determination is capable of being exercised compatibly with the construction and maintenance of the relevant part of the authorised works, and that subsection (1) above shall not apply to that right.
- (7) The authorised undertaker may, at any time before or after temporary possession of any land is taken, determine that any right of way specified in the determination is capable of being exercised, in whole or to such extent as may be specified in the determination, compatibly with the temporary use of the land under this Act, and that subsection (2) above shall not apply to that right or shall only apply to the extent specified in the determination.
- (8) Notice of a determination under this section shall be posted on the relevant land—
 - (a) in the case of a determination under subsection (6) above, for the period of 28 days after the sooner of the events specified in paragraphs (a) and (b) of subsection (1) above; and
 - (b) in the case of a determination under subsection (7) above, throughout the period that the authorised undertaker remains in possession of the land.
- (9) This section does not apply to any of the land specified in columns (1), (2) and (3) of Part 2 of schedule 7 to this Act (land outside the limits of deviation in which rights are to be acquired).
