PART 7

WORKPLACE PARKING

Workplace parking licences

77 **Content of licences**

- (1) A workplace parking licence must—
 - (a) state the name of the person to whom it is granted,
 - (b) specify the duration of the licence,
 - (c) identify the premises to which it relates,
 - (d) specify the maximum number of motor vehicles which may be parked at those premises at any one time, and
 - (e) state the amount of the charge paid on the licence and set out the calculation of that amount.
- (2) A workplace parking licence may include such other information in relation to the workplace parking licensing scheme or licensing processes as the local authority considers appropriate.
