

Transport (Scotland) Act 2019

2019 asp 17

PART 2

LOW EMISSION ZONES

CHAPTER 1

EFFECT OF A LOW EMISSION ZONE SCHEME

8 Enforcement

- (1) The Scottish Ministers may, following consultation with such persons as they consider appropriate, by regulations make provision for or in connection with the enforcement of low emission zone schemes.
- (2) Regulations under subsection (1) may, in particular, make provision for or about—
 - (a) penalty charge notices (including the form, content and method of issue),
 - (b) the timing and manner of payment of a penalty charge,
 - (c) reviews and appeals (including grounds of review or appeal) in connection with the issuing of penalty charge notices,
 - (d) the manner in which a penalty charge notice may be enforced,
 - (e) steps that may be taken following the cancellation of a penalty charge notice (including the issuing of another penalty charge notice in respect of the same contravention),
 - (f) enabling local authorities to enter into arrangements with any person in connection with the exercise of a function conferred on a local authority by the regulations or under section 7.
- (3) Regulations under subsection (1) may include provision—
 - (a) creating offences,
 - (b) about the records to be produced by or in connection with approved devices (including what constitutes sufficient evidence of a fact).

Status: This is the original version (as it was originally enacted).

- (4) The maximum penalty that may be provided for in regulations under subsection (1) creating offences is, on summary conviction, a fine not exceeding level 5 on the standard scale.
