

Mental Health (Wales) Measure 2010

2010 nawm 7

PART 1

LOCAL PRIMARY MENTAL HEALTH SUPPORT SERVICES

Meaning of “local mental health partners”

1 Meaning of “local mental health partners”

For the purposes of this Measure, the local mental health partners for a local authority area are—

- (a) the Local Health Board established under section 11 of the National Health Service (Wales) Act 2006 for an area which includes the local authority area; and
- (b) the local authority for that area.

Local primary mental health support services

2 Joint schemes for the provision of local primary mental health support services

- (1) The local mental health partners for a local authority area must take all reasonable steps to agree a scheme—
 - (a) which identifies the treatment which is to be made available for that area for the purposes of this Part (“local primary mental health treatment”); and
 - (b) for securing the provision for that area of the services, including local primary mental health treatment, described in section 5 (“local primary mental health support services”).

Status: Point in time view as at 06/04/2016.

Changes to legislation: There are currently no known outstanding effects for the Mental Health (Wales) Measure 2010, PART 1. (See end of Document for details)

- (2) If a scheme is agreed, the partners must ensure that it is recorded in writing.
- [^{F1}(2A) A scheme may be recorded by including it within a local well-being plan published under section 39 or 44(5) of the Well-being of Future Generations (Wales) Act 2015 (anaw 2) by a public services board of which each of the partners is a member.]
- (3) A scheme must identify the extent to which each of the partners is to be responsible for providing local primary mental health support services.
- (4) A scheme may provide that–
- (a) one of the partners is to be responsible for providing all local primary mental health support services for the local authority area;
 - (b) primary mental health assessments are to be made available in respect of all or particular descriptions of the individuals described in section 8(1);
 - (c) primary mental health assessments are to be carried out in respect of particular categories of individual who would not otherwise be entitled to an assessment.
- (5) If a scheme makes provision under subsection (4)(b), it must also provide for particular descriptions of staff working in secondary mental health services to be able to refer an individual referred to in that subsection for a primary mental health assessment.
- (6) The partners may alter a scheme (including a scheme determined by the Welsh Ministers under section 4 and a scheme which has already been altered) if they agree the alterations.
- (7) If a scheme is altered under subsection (6), the partners must ensure that the alterations are recorded in writing.

8 Duties to carry out primary mental health assessments: secondary mental health care referrals

- (1) This section applies to an individual who falls within any of the following descriptions—
 - (a) an individual who is liable to be detained under the Mental Health Act 1983;
 - (b) an individual who is subject to guardianship under that Act;
 - (c) an individual who is a community patient within the meaning given by section 17A of that Act;
 - (d) an individual who is receiving secondary mental health services.
- (2) A primary mental health assessment must be carried out in respect of the individual in accordance with section 9 if—
 - (a) the relevant scheme provides under section 2(4)(b) that primary mental health assessments are to be made available in respect of all or specified categories of the individuals referred to in subsection (1);
 - (b) the individual falls within the scheme's description of those individuals in respect of whom primary mental health assessments are to be made available; and
 - (c) a relevant referral for the purposes of this section is made.
- (3) A relevant referral for the purposes of this section means a request that an individual has a primary mental health assessment which meets the following conditions.
- (4) The first condition is that the request is made to a local mental health partner for the local authority area in which the individual is usually resident.
- (5) The second condition is that the request is made by a member of staff who falls within a category specified in the scheme for that local authority area under section 2(5).

9 Conduct of primary mental health assessments

- (1) A primary mental health assessment is an analysis of an individual's mental health which identifies—
 - (a) the local primary mental health treatment (if any) which might improve or prevent a deterioration in the individual's mental health (any treatment so identified must be provided: see sections 3 and 5); and
 - (b) other services (if any) which might improve or prevent a deterioration in the individual's mental health.
- (2) The local mental health partners must ensure that the assessment is carried out by an individual who is eligible to carry out primary mental health assessments under regulations made under section 47.
- (3) The reference to other services in subsection (1)(b) is a reference to—
 - (a) secondary mental health services;

Status: Point in time view as at 06/04/2016.

Changes to legislation: There are currently no known outstanding effects for the Mental Health (Wales) Measure 2010, PART 1. (See end of Document for details)

- (b) services of a type that are normally provided by primary care providers;
- (c) community care services (not being secondary mental health services);
- (d) services provided under [^{F4}sections 37 to 39 and Part 6 of the Social Services and Well-being (Wales) Act 2014] (not being secondary mental health services);
- (e) housing or well-being services; and
- (f) education or training which may be beneficial to an individual's mental health.

10 Action following a primary mental health assessment

- (1) Where a primary mental health assessment identifies under section 9(1)(b) services which might improve, or prevent a deterioration in, an individual's mental health, the local mental health partner which carried out the assessment must—
 - (a) if the partner considers that it would be the responsible authority for providing any of the services, decide whether or not the provision of any of those services is called for; and
 - (b) if the partner considers that it would not be the responsible authority for providing any of the services, make a referral to the person whom the partner considers would be the responsible authority for providing those services.
- (2) A referral under subsection (1)(b) must inform the recipient that—
 - (a) the local mental health partner making the referral has identified services which it considers might improve, or prevent a deterioration in, the individual's mental health; and
 - (b) that the partner considers that the recipient would be the responsible authority for providing those services.
- (3) A person to whom a referral has been made must decide whether the provision of any of the services to which the referral relates is called for.
- (4) In this section “responsible authority” means the person who would be responsible for providing services if a decision were made to provide the services.
- (5) Nothing in this section requires or authorises a referral to be made to a responsible authority constituted, or acting exclusively, for an area wholly within England.
