Houses in Multiple Occupation Act (Northern Ireland) 2016

EXPLANATORY NOTES

COMMENTARY ON SECTIONS

Part 1: Meaning of “House in Multiple Occupation”

Section 4: Persons who are members of the same household

Section 4 specifies the meaning of “household” for the purposes of HMO licensing. This includes members of the same “family”: the definition of family includes married, unmarried and same-sex couples, and step children, as well as blood relatives. Additionally, a person who is a personal or domestic carer in a residential capacity is to be treated as a member of the household for the purposes of this Act. There is a power for the Department to provide that other persons are treated as being in the same “household”.
