Applications for HMO licence

8.—(1) An application for an HMO licence is to be made to the council by the owner of the living accommodation in question.

(2) The council may grant the licence only if it is satisfied that—

- (a) the occupation of the living accommodation as an HMO would not constitute a breach of planning control (see section 9);
- (b) the owner of the living accommodation, and any managing agent of it, are fit and proper persons (see section 10);
- (c) the proposed management arrangements for the living accommodation are satisfactory (see section 11);
- (d) the granting of the licence will not result in overprovision of HMOs in the locality in which the living accommodation is situated (see section 12); and
- (e) the living accommodation is fit for human habitation and—
 - (i) is suitable for occupation as an HMO (see section 13) by the number of persons to be specified in the licence as mentioned in section 7(3)(c), or
 - (ii) can be made so suitable by including conditions in the licence under section 14.

(3) Schedule 2 makes provision about the procedural requirements relating to an application for an HMO licence.

(6) The council must have regard to—

- (a) any anti-social behaviour engaged in by P, and
- (b) P's conduct as regards any anti-social behaviour—

Changes to legislation: There are currently no known outstanding effects for the Houses in Multiple Occupation Act (Northern Ireland) 2016, PART 2. (See end of Document for details)

(ii) using or threatening to use residential premises for illegal purposes;

Overprovision

12.—(1) In considering whether the granting of a licence will result in overprovision in a locality for the purposes of section 8(2)(d), the council must have regard to—

- (a) the number and capacity of licensed HMOs in the locality,
- (b) the need for housing accommodation in the locality and the extent to which HMO accommodation is required to meet that need, and

- (d) the possibility of undue public nuisance.

(3) The Department may by regulations set minimum standards which must be met in relation to the matters set out in subsection (5) in order for accommodation to be regarded as suitable for occupation by prescribed numbers of persons.

(4) In having regard to those minimum standards, the council—

- (a) cannot be satisfied that the accommodation is suitable if the council considers that the accommodation fails to meet the standards, but
- (b) may decide that the accommodation is not suitable for occupation by that number even if the accommodation does meet the standards.

Changes to legislation: There are currently no known outstanding effects for the Houses in Multiple Occupation Act (Northern Ireland) 2016, PART 2. (See end of Document for details)

(5) The matters referred to in subsection (3) are—

(8) In relation to any application for an HMO licence, the “specified maximum number of persons” means—

 - (b) any class of persons described by reference to the HMO (such as occupants of it or visitors to it), whether or not identified by name;
 - (c) any other person named in the condition.
- (5) But an HMO licence may include a condition imposing a restriction or obligation on a person named in it (other than the owner or managing agent) only if that person has consented to the imposition of the restriction or obligation.
- (6) An HMO licence may not include conditions requiring, or intended to secure, any alteration in the terms of any tenancy or other occupancy arrangement under which any person occupies the HMO.
- (7) A condition included in an HMO licence may specify a date from which the condition is to have effect (and such a date may be later, but not earlier, than the date from which the other provisions of the licence have effect).
- (8) If an HMO licence includes a condition which requires work to be carried out in or to any living accommodation, the condition must specify the date by which that work must be completed.

Restriction on applications

25.—(1) This section applies where a council refuses to grant an HMO licence, except where the refusal is solely because the council is not satisfied as mentioned in section 8(2)(a) (planning control).

(2) Where the refusal is on the ground that any person is not a fit and proper person (see sections 8(2)(b) and 11(b)), that person is to be regarded as not being a fit and proper person for the purposes of any application for an HMO licence made in the restricted period.

(3) Where the refusal is on one or both of the grounds mentioned in section 8(2)(d) and (e) (overprovision, and accommodation not habitable or not suitable for HMO), the council may not consider any application for an HMO licence in relation to the living accommodation in question made in the restricted period.

- (a) any requirement to be fulfilled by the owner must be fulfilled by all of them, and
- (b) anything required to be done in relation to the owner must be done in relation to all of them.

(4) Where—

- (a) there is a transfer of ownership of a licensed HMO,
- (b) as a result of the transfer one or more joint licensees (but not all of them) cease to be an owner of the HMO,

the licence which is already in effect in respect of the HMO (“the existing licence”) is to be treated as being held, from the date of the transfer, by the person or persons who made the application for the new licence (“the transferee”).

(4) But the existing licence ceases to have effect on the date mentioned in subsection (5).

(5) That date is—

- (a) if the transferee's application is granted, the date from which the new licence has effect (determined in accordance with section 19(1) or (4)(a));
- (b) if the transferee's application is refused—
 - (i) one month after the last date on which the decision to refuse the transferee's application may be appealed in accordance with section 67(4), or
