Designation and management of environmentally sensitive areas

and that the maintenance or adoption of particular agricultural methods is likely to facilitate such conservation, enhancement or protection, the Department may, with the consent of the Department of Finance and Personnel, by order designate that area as an environmentally sensitive area.

(2) If the Department considers that any of the purposes mentioned in paragraph (1)(a) to (c) is likely to be facilitated in a designated area by doing so, the Department may make an agreement with any person having an estate in agricultural land in, or partly in, the area by which that person agrees in consideration of payments to be made by the Department to manage the land in accordance with the agreement.

(4) Subject to paragraphs (1) to (3), an agreement under paragraph (2) may contain such provisions as the Department thinks fit and, in particular, such provisions as it considers are likely to facilitate such conservation, enhancement or protection as is mentioned in paragraph (1).

(5) The Department shall not make an agreement with any person under paragraph (2) in respect of any land unless that person has certified to the Department that, in relation to that land, he is entitled to one of the estates specified in paragraph (6).

(6) The estates referred to in paragraph (5) are the following, namely—

(7) The provisions of an agreement under paragraph (2) with any person having an estate in any land shall, unless the agreement otherwise provides, be binding on persons deriving title under or from that person and be enforceable by the Department against those persons accordingly.

(8) Where agreements have been made under paragraph (2) with persons having an estate in land in a designated area the Department shall arrange for the effect on the area as a whole of the performance of the agreements to be kept under review and shall publish such information as it considers appropriate about those effects.

(9) This Article applies to land an estate in which belongs to Her Majesty in right of the Crown or to a government department or which is held in trust for Her Majesty for the purposes of a government department, but no agreement under paragraph (2) shall be made as respects land referred to in this paragraph without the consent of the appropriate authority.
