EXPLANATORY NOTE

(This note is not part of the Regulations.)

These Regulations amend the Housing Renovation etc. Grants (Reduction of Grant) Regulations (Northern Ireland) 1997 (“the principal Regulations”) which set out the means test for determining the amount of renovation grant and disabled facilities grant which may be paid by the Housing Executive to owner-occupier and tenant applicants under Chapter I of Part III of the Housing (Northern Ireland) Order 1992. Most of the amendments are consequential on changes to the Housing Benefit (General) Regulations (Northern Ireland) 1987 ([S.R. 1987 No. 461](#)).

Regulation 4 amends regulation 6 of the principal Regulations to take account of the introduction of the Preparation for Employment Programme which, in Northern Ireland, has replaced the intensive activity period (New Deal) programme.

Regulation 5 amends regulation 8 of the principal Regulations to remove the unintended conflict between regulations 7 and 8 where a child or young person has been fostered.

Regulation 6 amends regulation 9 of the principal Regulations to increase the “applicable amount” of income that can be received without reduction in the amount of grant. The amendment provides for a more generous allowance where the application is for disabled facilities grant to carry out works for the benefit of a child or young person.

Regulation 7 increases the multipliers in regulation 11 of the principal Regulations.

Regulation 8 increases the amount of capital which a child or young person may have without the amounts determined in accordance with paragraph 2 of Schedule 1 to the principal Regulations ceasing to apply.

Regulation 9 increases the amount that may be deducted from weekly earnings in respect of payments for childcare.
