7. Part III sets out the competent authority functions within ADR and within RID.

8. Part IV imposes requirements which are additional to or alternatives to the requirements of ADR and of RID. These concern requirements for the carriage of explosives by road and by rail (regulations 34 to 40), the marshalling and formation of trains (regulation 41), the keeping of documentation (regulation 42) and placarding requirements for carriage within Northern Ireland (regulation 43).
