PART 3

Liability of person paying compensation

Liability to pay Department amount of lump sum payments

10.—(1) A person who makes a compensation payment in any case is liable to pay the Department an amount equal to the total amount of—

- (a) in a case to which paragraph (2) applies, the recoverable lump sum payments; or
- (b) in a case to which paragraph (3) applies, the compensation payment.

(2) Paragraph (1)(a) applies to a case where—

- (a) the compensation payment is equal to, or more than, any recoverable lump sum payments; or
- (b) a dependant is a beneficiary of part of a compensation payment made in respect of P, that part of the compensation payment is equal to, or more than, any recoverable lump sum payments which have been made to that dependant.

(3) Paragraph 1(b) applies to a case where—

- (a) the compensation payment; or
- (b) a dependant is a beneficiary of part of a compensation payment made in respect of P, and recoverable lump sum payments have been made to that dependant, the share of the compensation payment,

is less than the lump sum payments.

(4) The liability referred to in paragraph (1) arises—

- (a) immediately before the compensation payment or, if there is more than one, the first of them is made;
- (b) prior to any liability to pay the Department an amount equal to the total amount of the recoverable benefits payable under Article 8 of the Order.

(5) No amount becomes payable under this regulation before the end of the period of 14 days following the day on which the liability arises.

(6) Subject to paragraph (4), an amount becomes payable under this regulation at the end of the period of 14 days beginning with the day on which a certificate is first issued showing that the amount of recoverable lump sum payment to which it relates has been or is likely to have been paid.

(7) In the case of a lump sum payment which has been made to a dependant of P, this regulation applies only to the extent to which the compensator is making any payment—

- (a) (i) under the Fatal Accidents (Northern Ireland) Order 1977⁽¹³⁾,
(ii) under the Fatal Accidents Act 1976⁽¹⁴⁾, or
(iii) to the extent that it is made in respect of a liability arising by virtue of section 1 of the Damages (Scotland) Act 1976⁽¹⁵⁾,
to that dependant; or

- (b) states that the document, apart from the certificate, is a record of the amount recoverable under paragraph (3),

PART 4

Reduction of compensation

Reduction of compensation

12.—(1) This regulation applies in a case where, in relation to any compensation payment in consequence of a disease made to or in respect of P, a lump sum payment has been, or is likely to be made to, or in respect of P.

(2) In such a case, any claim of a person to receive the compensation payment is to be treated for all purposes as discharged if—

- (a) that person is paid the amount (if any) of the compensation payment calculated in accordance with this regulation; and
- (b) if the amount of the compensation payment so calculated is nil, that person is given a statement saying so by the compensator who (apart from this regulation) would have paid the gross amount of the compensation payment.

(3) For an award of compensation for which paragraph (1) is satisfied, so much of the gross amount of the compensation payment as is equal to the amount of the lump sum payment is to be reduced (to nil, if necessary) by deducting the amount of the recoverable lump sum payment.

(4) Paragraph (3) is to have effect as if a requirement to reduce a payment by deducting an amount which exceeds that payment were a requirement to reduce that payment to nil.

(5) The amount of the compensation payment calculated in accordance with this regulation is—

- (a) the gross amount of the compensation payment; less
- (b) the reduction made under paragraph (3),

and, accordingly, the amount may be nil.

(6) The reduction specified in paragraph (3) is to be attributed to the heads of compensation in the following order—

- (a) damages for non-pecuniary loss;
- (b) damages for pecuniary loss,

and, the reduction is to be made before any reduction made in respect of recoverable benefits under Article 10 of the Order.

(7) Where the lump sum payment has been made to a dependant of P, the reduction specified in paragraph (3) may be attributed—

- (a) to any damages awarded to that dependant—
 - (i) under the Fatal Accidents (Northern Ireland) Order 1977,
 - (ii) under the Fatal Accidents Act 1976, or
 - (iii) to the extent that they are made in respect of a liability arising by virtue of section 1 of the Damages (Scotland) Act 1976,other than those paid for funeral expenses;
- (b) to any part of a compensation payment paid in respect of P, where that dependant is an intended beneficiary of part or all of that compensation.

Regulation 12: supplementary

13.—(1) A compensator who makes a compensation payment calculated in accordance with regulation 12 must inform the person to whom the payment is made—

- (a) that the payment has been so calculated; and
 - (b) of the date for payment by reference to which the calculation has been made.
- (2) If the amount of a compensation payment calculated in accordance with regulation 12 is nil, a compensator giving a statement saying so is to be treated for the purposes of these Regulations as making a payment within regulation 4(1)(a) on the day on which the statement is given.
- (3) Where a compensator—
- (a) makes a compensation payment calculated in accordance with regulation 12; and
 - (b) if the amount of the compensation payment so calculated is nil, gives a statement saying so,
- the compensator is to be treated, for the purpose of determining any rights and liabilities in respect of contribution or indemnity, as having paid the gross amount of the compensation payment.
- (4) For the purposes of these Regulations—
- (a) the gross amount of the compensation payment is the amount of the compensation payment apart from regulation 12; and
 - (b) the amount of any recoverable lump sum payment is the amount determined in accordance with the certificate.

Reduction of compensation: complex cases

- 14.—(1) This regulation applies where—
- (a) a compensation payment in the form of a lump sum (“the earlier payment”) has been made to or in respect of P; and
 - (b) subsequently another such payment (“the later payment”) is made to or in respect of the same P in consequence of the same disease.
- (2) In determining the liability under regulation 10(1) arising in connection with the making of the later payment, the amount referred to in that regulation is to be reduced by any amount paid in satisfaction of that liability as it arose in connection with the earlier payment.
- (3) Where—
- (a) a payment made in satisfaction of the liability under regulation 10(1) arising in connection with an earlier payment is not reflected in the certificate in force at the time of the later payment; and
 - (b) in consequence, the aggregate of payments made in satisfaction of the liability exceeds what it would have been had that payment been so reflected,
- the Department is to pay the compensator who made the later payment an amount equal to the excess.
- (4) Where—
- (a) a compensator receives a payment under paragraph (3); and
 - (b) the amount of the compensation payment made by that compensator was calculated under regulation 12,
- then the compensation payment is to be recalculated under that regulation, and the compensator must pay the amount of the increase (if any) to the person to whom the compensation payment was made.
- (5) Where both the earlier payment and the later payment are made by the same compensator, that compensator may—
- (a) aggregate the gross amounts of the payments made;
 - (b) calculate what would have been the reduction made under regulation 12(3) if that aggregate amount had been paid at the date of the last payment on the basis that—
 - (i) the aggregate amount is to be taken to be the gross amount, and

- (ii) the amount of any recoverable lump sum payment is to be taken to be the amount determined in accordance with the most recent certificate;
 - (c) deduct from that reduction calculated under sub-paragraph (b) the amount of the reduction under regulation 12(3) from any earlier payment; and
 - (d) deduct from the latest gross payment the net reduction calculated under sub-paragraph (c), and accordingly the latest payment may be nil.
- (6) Where a refund is made under paragraph (3), the Department is to send the compensator (with the refund) and the person to whom the compensation payment was made a statement showing—
- (a) the total amount that has already been paid by that compensator to the Department;
 - (b) the amount that ought to have been paid by that compensator; and
 - (c) the amount to be repaid to that compensator by the Department.
- (7) Where the reduction of a compensation payment is recalculated by virtue of paragraph (4) or (5), the compensator must give notice of the calculation to P.

PART 5

Miscellaneous

Information to be provided by the compensator

15. The following information is prescribed for the purposes of Articles 23(3)(a) and 25(1) of the Order—

- (a) the full name and address of P;
- (b) where known, the date of birth or national insurance number of P, or both if both are known; and
- (c) the nature of the disease.

Information to be provided by P

16. The following information is prescribed for the purposes of Article 25(2) of the Order—

- (a) whether P has claimed or may claim a compensation payment, and if so, the full name and address of the person against whom the claim was or may be made;
- (b) the amount of any compensation payment and the date on which it was made;
- (c) the amount of the lump sum payment claimed, the type of that payment and the date on which it was paid.

Provision of information

17. A person required to give information to the Department under regulation 15 or 16 is to do so by sending it to the Department not later than 14 days after—

- (a) where the person is one to whom regulation 15 applies, the date on which the compensator receives a claim for compensation from P in respect of the disease;
- (b) where the person is one to whom regulation 16 applies, the date on which the Department requests the information from P.

Periodical payments

18.—(1) This regulation applies where in final settlement of P’s claim, an agreement is entered into—

- (a) for the making of periodical payments (whether of an income or capital nature); or
- (b) for the making of such payments and lump sum payments,

and, those payments would fall to be treated for the purposes of the Order as compensation payments.

(2) Where this regulation applies—

- (a) the compensator in question is to be taken to have made a single compensation payment on the day of settlement;
- (b) the total of the payments due to be made under the agreement referred to in paragraph (1) are to be taken to be a compensation payment for the purposes of the Order; and
- (c) that single compensation payment is a payment from which lump sum payments may be recovered under these Regulations.

(3) In any case where—

- (a) the person making the periodical payments (“the secondary party”) does so in pursuance of arrangements entered into with another (“the primary party”) (as in a case where the primary party purchases an annuity for P from the secondary party); and
- (b) apart from those arrangements, the primary party would have been regarded as the compensator,

then for the purposes of the Order, the primary party is to be regarded as the compensator and the secondary party is not to be so regarded.

(4) In this regulation—

“the day of settlement” means—

- (a) if the agreement referred to in paragraph (1) is approved by a court, the day on which that approval is given; and
- (b) in any other case, the day on which the agreement is entered into;

“a single compensation payment” means the total amount of the payments due to be made under the agreement referred to in paragraph (1).

Adjustments

19.—(1) Where the conditions specified in paragraph (1) and sub-paragraphs (a) and (b) of paragraph (2) of Article 16 of the Order are satisfied, the Department is to pay the difference between the amount that has been paid and the amount that ought to have been paid to the compensator.

(2) Where the conditions specified in paragraph (1) and sub-paragraphs (a) and (b) of paragraph (3) of Article 16 of the Order are satisfied, the compensator is to pay the difference between the amount that has been paid and the amount that ought to have been paid to the Department.

(3) Where the Department is making a refund under paragraph (1), or demanding a payment of a further amount under paragraph (2), it is to send to the compensator (with the refund or demand) and to the person to whom the compensation payment was made a statement showing—

- (a) the total amount that has already been paid to the Department;
- (b) the amount that ought to have been paid; and
- (c) the difference, and whether a repayment by the Department or a further payment by the compensator to the Department is required.

(4) This paragraph applies where—

- (a) the amount of the compensation payment by the compensator was calculated under regulation 12; and
- (b) the Department has made a payment under paragraph (1).

(5) Where paragraph (4) applies, the amount of the compensation payment is to be recalculated under regulation 12 to take account of the fresh certificate and the compensator must pay the amount of the increase (if any) to the person to whom the compensation payment was made.

(6) This paragraph applies where—

- (a) the amount of the compensation payment made by the compensator was calculated under regulation 12;
- (b) the compensator has made a payment under paragraph (2); and
- (c) the fresh certificate issued after the review or appeal was required as a result of P or such other person to whom the compensation payment was made supplying to the compensator information, knowing it to be incorrect or insufficient, with the intent of enhancing the compensation payment calculated under regulation 12, and the compensator supplying that information to the Department without knowing it to be incorrect or insufficient.

(7) Where paragraph (6) applies, the compensator may recalculate the compensation payment under regulation 12 to take account of the fresh certificate and may require the repayment of the difference (if any) between the payment made and the payment as so recalculated by the person to whom the compensator made the compensation payment.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make provision for the recovery of lump sum payments to which Article 3A(2) of the Social Security (Recovery of Benefits) (Northern Ireland) Order 1997 (“the Order”) applies.

Regulation 2 sets out the provisions of the Order which apply for the purposes of these Regulations and Schedule 1 modifies certain of those provisions.

Regulation 3 and Schedule 2 make consequential amendments to the Social Security and Child Support (Decisions and Appeals) Regulations (Northern Ireland) 1999.

Regulation 4 sets out the circumstances in which the Department for Social Development (“the Department”) may recover lump sum payments.

Regulation 5 provides for the application of these Regulations to a dependant of a person with a disease to which these Regulations apply where that dependant is the person to whom, or in respect of whom, a lump sum payment is made.

Regulation 6 provides that these Regulations apply to a compensation payment made on or after the day on which section 8 of the Mesothelioma, etc., Act (Northern Ireland) 2008 (“the Act”) comes into operation.

Regulation 7 sets out the trusts and payments which are prescribed for the purposes of paragraphs 4 and 8, respectively, of Schedule 1 to the Order as being exempted payments.

Regulation 8 sets out the procedure for applications by a compensator for a certificate, including the date on which an application for a certificate is to be treated as received by the Department and the 4 week time limit for the Department to issue the certificate.

Regulation 9 sets out the information which must be contained in a certificate, the person to whom information must be provided, the right of that person to require more detailed particulars of the information contained in the certificate and provides for the Department to estimate the amount of lump sum payments specified in the certificate.

Regulation 10 sets out the liability to pay the Department in respect of any recoverable lump sum payment.

Regulation 11 provides for the procedure to be followed where the compensator has not applied for a certificate and no payment has been made to the Department within the time limit set out in regulation 10.

Regulations 12 and 13 make provision for the reduction of a compensation payment by the amount of the lump sum payment or where the lump sum payment is equal to, or greater than, the compensation payment, reducing that payment to nil and provides for the attribution of the reduction, and reductions to be made in respect of compensation payments made where a lump sum payment has been made to a dependant.

Regulation 14 sets out the procedure for making a reduction in a case where two compensation payments are made at different times to the same person in consequence of the same disease.

Regulations 15 to 17 set out the requirements and time limits in respect of the provision of information by the person or dependant who has been paid a lump sum and the compensator.

Regulation 18 makes provision for the recovery of lump sum payments where the compensation payments are periodical payments and provides that where there is an agreement to make periodical payments, the whole of the compensation due to be paid under such an agreement is a compensation payment from which lump sum payments may be recovered under these Regulations.

Regulation 19 provides for the making of adjustments to the amount due to be paid to the Department by the compensator where in consequence of a review or an appeal that amount has either been increased or decreased.

As these Regulations are made by virtue of, or consequential upon, section 8 of the Act which was brought into operation on 27th August 2008 for the purpose only of authorising the making of regulations and on 1st October 2008 for all other purposes by virtue of the Mesothelioma, etc., (2008 Act) (Commencement) Order (Northern Ireland) 2008 ([S.R. 2008 No. 351 \(C. 19\)](#)) and are made before the end of the period of 6 months from the commencement of that provision, they are, accordingly, exempt, by virtue of section 150(5)(b) of the Social Security Administration (Northern Ireland) Act 1992, from prior reference to the Social Security Advisory Committee.
