(6) For the purposes of calculating the basic amount of childcare grant—

(a) a week runs from Monday to Sunday; and

(b) where a week in respect of which prescribed childcare charges are incurred falls partly within and partly outside the academic year in respect of which childcare grant is payable under this regulation, the maximum weekly amount of grant is calculated by multiplying the relevant maximum weekly amount in paragraph (5) by the number of days of that week falling within the academic year and dividing the product by seven.

(3) Where $A - B$ is equal to or exceeds the aggregate of the basic amounts of the elements of the grant for dependants for which the eligible student qualifies, the amount payable in respect of each element is nil.

(4) The amount of adult dependants' grant calculated under paragraph (1) in respect of an adult dependant is reduced by one half where—

- (a) the eligible student's partner—
 - (i) is an eligible student; or
 - (ii) holds a statutory award; and
- (b) account is taken of that partner's dependants in calculating the amount of support for which that partner qualifies or the payment to which that partner is entitled under the statutory award.

(5) The amount of childcare grant calculated under paragraph (1) is reduced by one half where—

- (a) the eligible student's partner—
 - (i) is an eligible student; or
 - (ii) holds a statutory award; and
- (b) account is taken of that partner's dependants in calculating the amount of support for which that partner qualifies or the payment to which that partner is entitled under the statutory award.

(6) Where the amount of the parents' learning allowance calculated under paragraph (1) is £0.01 or more but less than £50, the amount of parents' learning allowance payable is £50.

A is the aggregate of the net income of each of the eligible student's dependants; and

B is—

- (c) the eligible student becomes or ceases to be a lone parent;
- (d) a student becomes eligible for support as a result of an event referred to in regulation 18.

- (a) how many dependants the eligible student is to be treated as having;
- (b) who those dependants are;
- (c) whether the student is to be treated as a lone parent.

(10) The amount of grant for dependants for the academic year is the aggregate of the amounts of adult dependants' grant and parents' learning allowance calculated in respect of each relevant quarter under paragraph (11) and the amount of any childcare grant for the academic year.

(11) The amount of adult dependants' grant and parents' learning allowance in respect of a relevant quarter is one third of what that grant or allowance would be for the academic year if the student's circumstances in the relevant quarter as determined under paragraph (9) applied for the duration of the academic year.

(12) In this regulation, a "relevant quarter" means—
