Students falling into more than one category

73. Where an eligible student falls into more than one of the categories set out in regulation 79 in the course of the academic year—

- (a) the maximum amount of loan for living costs for the academic year is the aggregate of the maximum amount of loan for living costs for each quarter in respect of which the loan for living costs is payable;

Students residing with parents

74.—(1) Where an eligible student (“X”) resides at X’s parents’ home and the Department is satisfied that in all the circumstances X’s parents by reason of age, incapacity or otherwise cannot reasonably be expected to support X and that it would be appropriate for the amount of loan for living costs or additional amount of loan for living costs payable to a student in a category other than category A to apply in X’s case, X must be treated as if X were not residing at X’s parents’ home for the purposes of this Part.

Students becoming eligible in the course of an academic year

75.—(1) Where one of the events listed in paragraph (2) occurs in the course of an academic year, a student may qualify for a loan for living costs in respect of such quarters in respect of which a loan for living costs is payable as begin after the relevant event occurs.

(6) The maximum amount of additional amount of loan for living costs payable is the aggregate of the maximum amount of additional amount of loan for living costs for each quarter in respect of which the student qualifies for the additional amount of loan for living costs under this regulation.

(7) The maximum amount of additional amount of loan for living costs for each quarter is one third of the maximum amount of additional amount of loan for living costs which would apply for the academic year if the student fell into the category which applies to the relevant quarter for the duration of the academic year.

Students who are treated as in attendance on a course

Applying for an additional amount of loan for living costs

78.—(1) An eligible student may apply to borrow an additional amount of loan for living costs or additional amount of loan for living costs where—

- (a) the Department determines that the maximum amount of loan for living costs or additional amount of loan for living costs in relation to an academic year should be increased (including an increase from nil) as a result of a reassessment of the student's contribution or otherwise; and
- (b) the Department considers that the increase in the maximum amount of the loan or loans in question does not result from the eligible student—

- (i) failing to provide information promptly which might affect the student's ability to qualify for the loan or loans in question or the amount of loan or loans in question for which the student qualifies; or
 - (ii) providing information that is inaccurate in any material particular.
- (2) The additional amount under paragraph (1) is an amount which when added to the amount already applied for does not exceed the increased maximum.
- (3) Where an eligible student has applied for a loan for living costs or additional amount of loan for living costs of less than the maximum amount to which the student is entitled in relation to the academic year, the student may apply to borrow an additional amount which, when added to the amount already applied for, does not exceed the relevant maximum applicable in the student's case.
