The Education (Student Support)  
Regulations (Northern Ireland) 2009

PART 4

FEE SUPPORT

CHAPTER 4

GRANTS FOR FEES FOR OLD SYSTEM STUDENTS

**Availability of the grant for fees to old system students for years of repeat study**

**31.**—(1) In addition to the standard entitlement, if the Department determines that the student is repeating an academic year of the designated course because of compelling personal reasons, an old system student qualifies for a grant for fees in respect of the year of repeat study provided that the academic year that the student is repeating was a qualifying year of study and the year of repeat study is not a bursary year.

(2) An old system student qualifies for a grant for fees in respect of an academic year of a designated course that is a year of repeat study which the student is taking other than for compelling personal reasons if—

- (a) the academic year which the student is repeating was a qualifying year of study;
- (b) the academic year of repeat study is not a bursary year; and
- (c) when the academic year of repeat study is added to the number of any other academic years of repeat study that the student has already taken (after 31<sup>st</sup> August 2006) on the current course other than for compelling personal reasons, it does not exceed the number of additional years of support.

(3) In this regulation, the “number of additional years of support” is the number of years which make up the standard entitlement less the number of standard academic years (plus one where the student qualifies for a grant for fees under regulation 30(10)).
