STATUTORY RULES OF NORTHERN IRELAND

2012 No. 192

The Building Regulations (Northern Ireland) 2012

PART J

Solid waste in buildings

Solid waste storage

- **62.**—(1) Adequate provision shall be made for the hygienic storage of solid waste from a building.
- (2) Adequate means of access shall be provided—
 - (a) for people in the building to the place of storage; and
 - (b) from the place of storage to the waste collection point.
