Application of enforcement provisions in the 1978 Order

18.—(1) The following provisions of the 1978 Order⁽²⁶⁾ apply to Articles 4(1), 5, 9(3) and 9(4) of the Precursors Regulation as if they were health and safety regulations for the purposes of the 1978 Order, except that these Articles shall not apply to duties placed by the Precursors Regulation on the competent authority or the member State—

(2) P is not, without the leave of the court, entitled to rely on the defence in paragraph (1) unless, not less than 7 days before the hearing, P has served on the prosecutor a notice in writing giving such information identifying or assisting in the identification of the other person as was then in P’s possession.

(3) For the purpose of enabling the other person to be charged with and convicted of the offence by virtue of Article 34 of the 1978 Order, a person who establishes a defence under this regulation shall nevertheless be treated for the purposes of that Article as having committed the offence.

(2) Paragraph (3) applies where, in any proceedings for an Article 4(1) offence or a regulation 13 offence—

- (b) it is proved that the substance or mixture in question was that tier 2 substance.

(3) Where this paragraph applies—
